[57] **CLAIM**

The ornamental design for a multi-product fuel dispenser, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a multi-product fuel dispenser showing my new design, the rear being a mirror image thereto;
FIG. 2 is a top plan view thereof;
FIG. 3 is a left end elevational view thereof, the right end being substantially similar thereto but without the projecting upper and lower housings.

FIG. 1

FIG. 2

FIG. 3
