[57] **CLAIM**

The ornamental design for a container for carrying first aid data and equipment, as shown and as described.

DESCRIPTION

FIG. 1 is a front elevational view of a container for carrying first aid data and equipment showing my new design.

FIG. 2 is a right side elevational view of the container for carrying first aid data and equipment.

FIG. 3 is a rear elevational view of the container for carrying first aid data and equipment.

FIG. 4 is a front elevational view with the cover removed to show the interior of the container for carrying first aid data and equipment.

FIG. 5 is a cross sectional view taken along line 5—5 of FIG. 3 of the container for carrying first aid data and equipment.
