[57] **CLAIM**
The ornamental design for a goblet or similar article,
substantially as shown and described.

DESCRIPTION
FIG. 1 is a side elevational view of a goblet or similar
article showing my new design;
FIG. 2 is a sectional view thereof taken along the lines
2—2 of FIG. 3;
FIG. 3 is a bottom partial sectional view thereof, taken
along the lines 3—3 of FIG. 1; and
FIG. 4 is a top plan view thereof.
The essential feature of the design is particularly char-
acterized by the shape of the bowl and the cuts made
thereon, when viewed in combination with a stem and
foot, as shown.
The cut pattern on the bowl portion of the design in
FIGS. 1 and 3 that would be visible through the bowl in
FIGS. 2 and 4 has been omitted for convenience of
illustration.
