[57] CLAIM

The ornamental design for a garbage compactor, as shown and described herein.

DESCRIPTION

FIG. 1 is a perspective view of the front and left sides of the garbage compactor;
 FIG. 2 is a front view thereof;
 FIG. 3 is a perspective view thereof from the top, front and right sides;
 FIG. 4 is a perspective view as in FIG. 3 but with the top pivoted in the open position;
 FIG. 5 is a perspective view from the front and right sides with the top pivoted in partly open position;
 FIG. 6 is a perspective of the right side similar to FIG. 5 with the front in open position;
 FIG. 7 is a perspective view thereof taken from the top, front and right sides with the top in wide open position;
 FIG. 8 is a perspective view similar to FIG. 7 taken from the top, front and right sides.
