[57] CLAIM

The ornamental design for a metal molding for door jamb or similar article, substantially as shown and described.

DESCRIPTION

FIG. 1 is a three-dimensional view of a metal molding for door jamb or similar article embodying my new design as seen from the front, top and one side thereof; FIG. 2 is a three-dimensional view similar to that of FIG. 1 but as seen from front, bottom and other side thereof, the metal molding being of indeterminate length;

The metal molding for door jamb or similar article has been shown in dot and dash lines on one end thereof in FIGS. 1, and 2 to indicate indeterminate length.

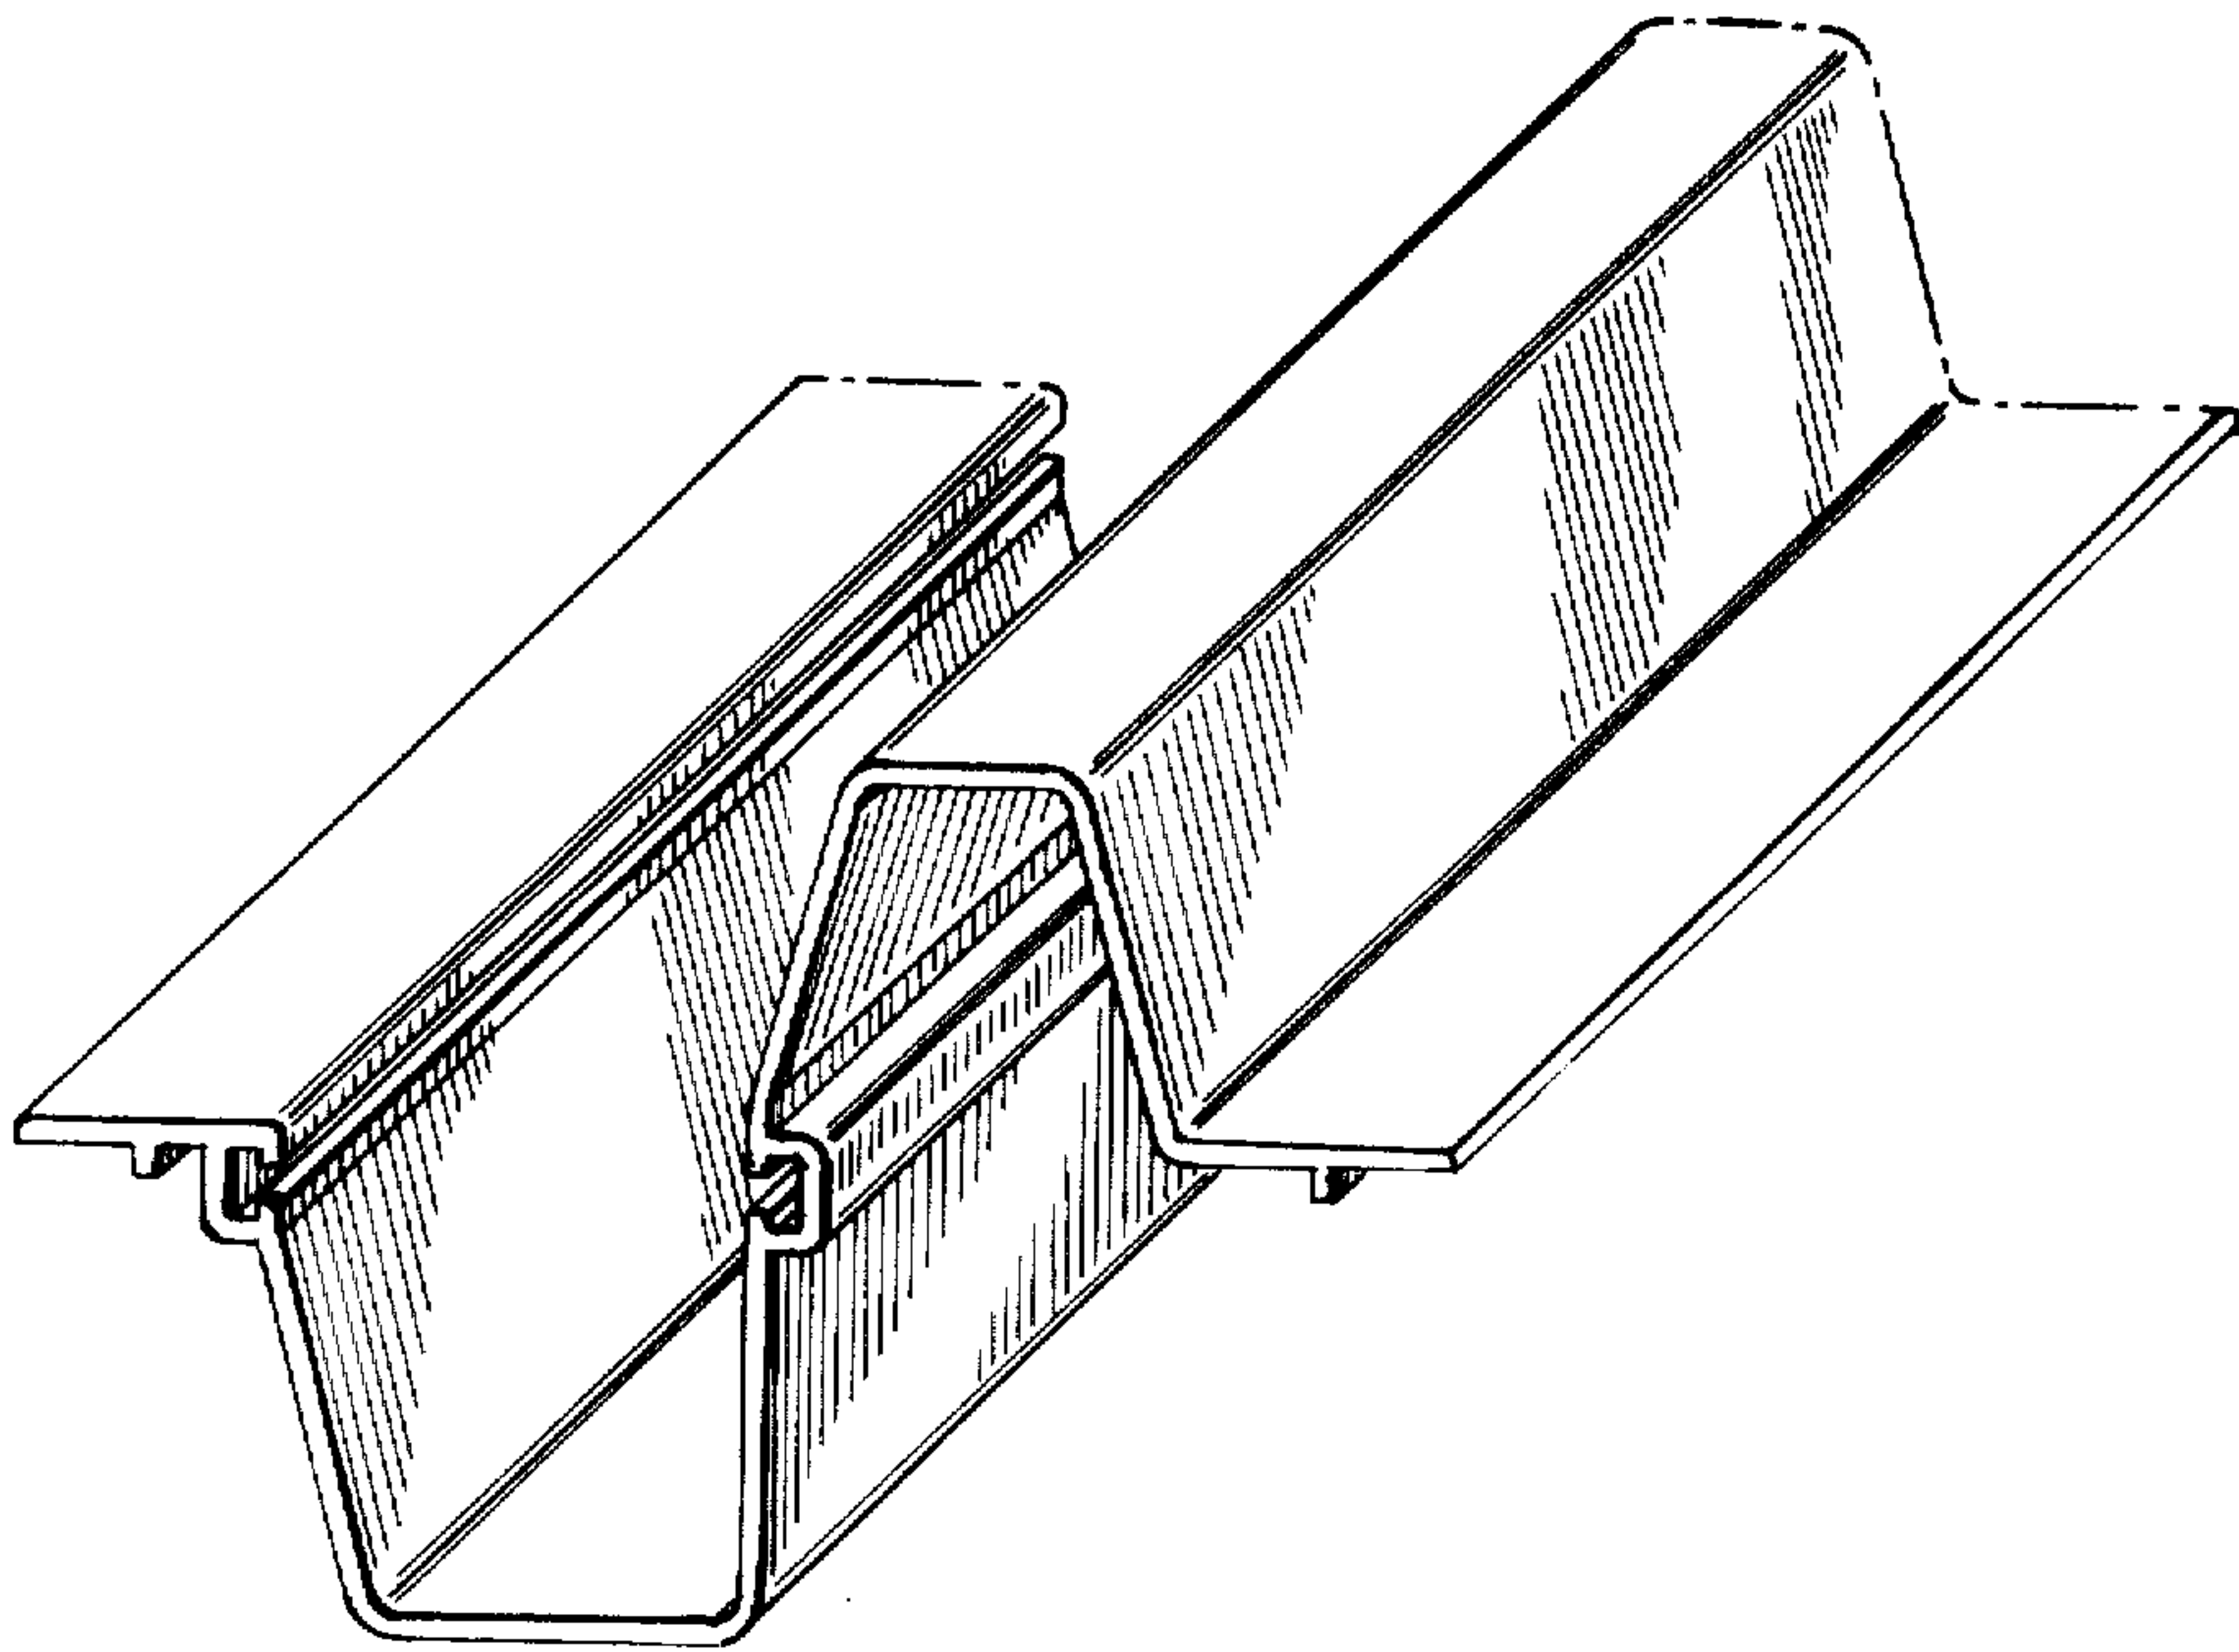

FIG. 1

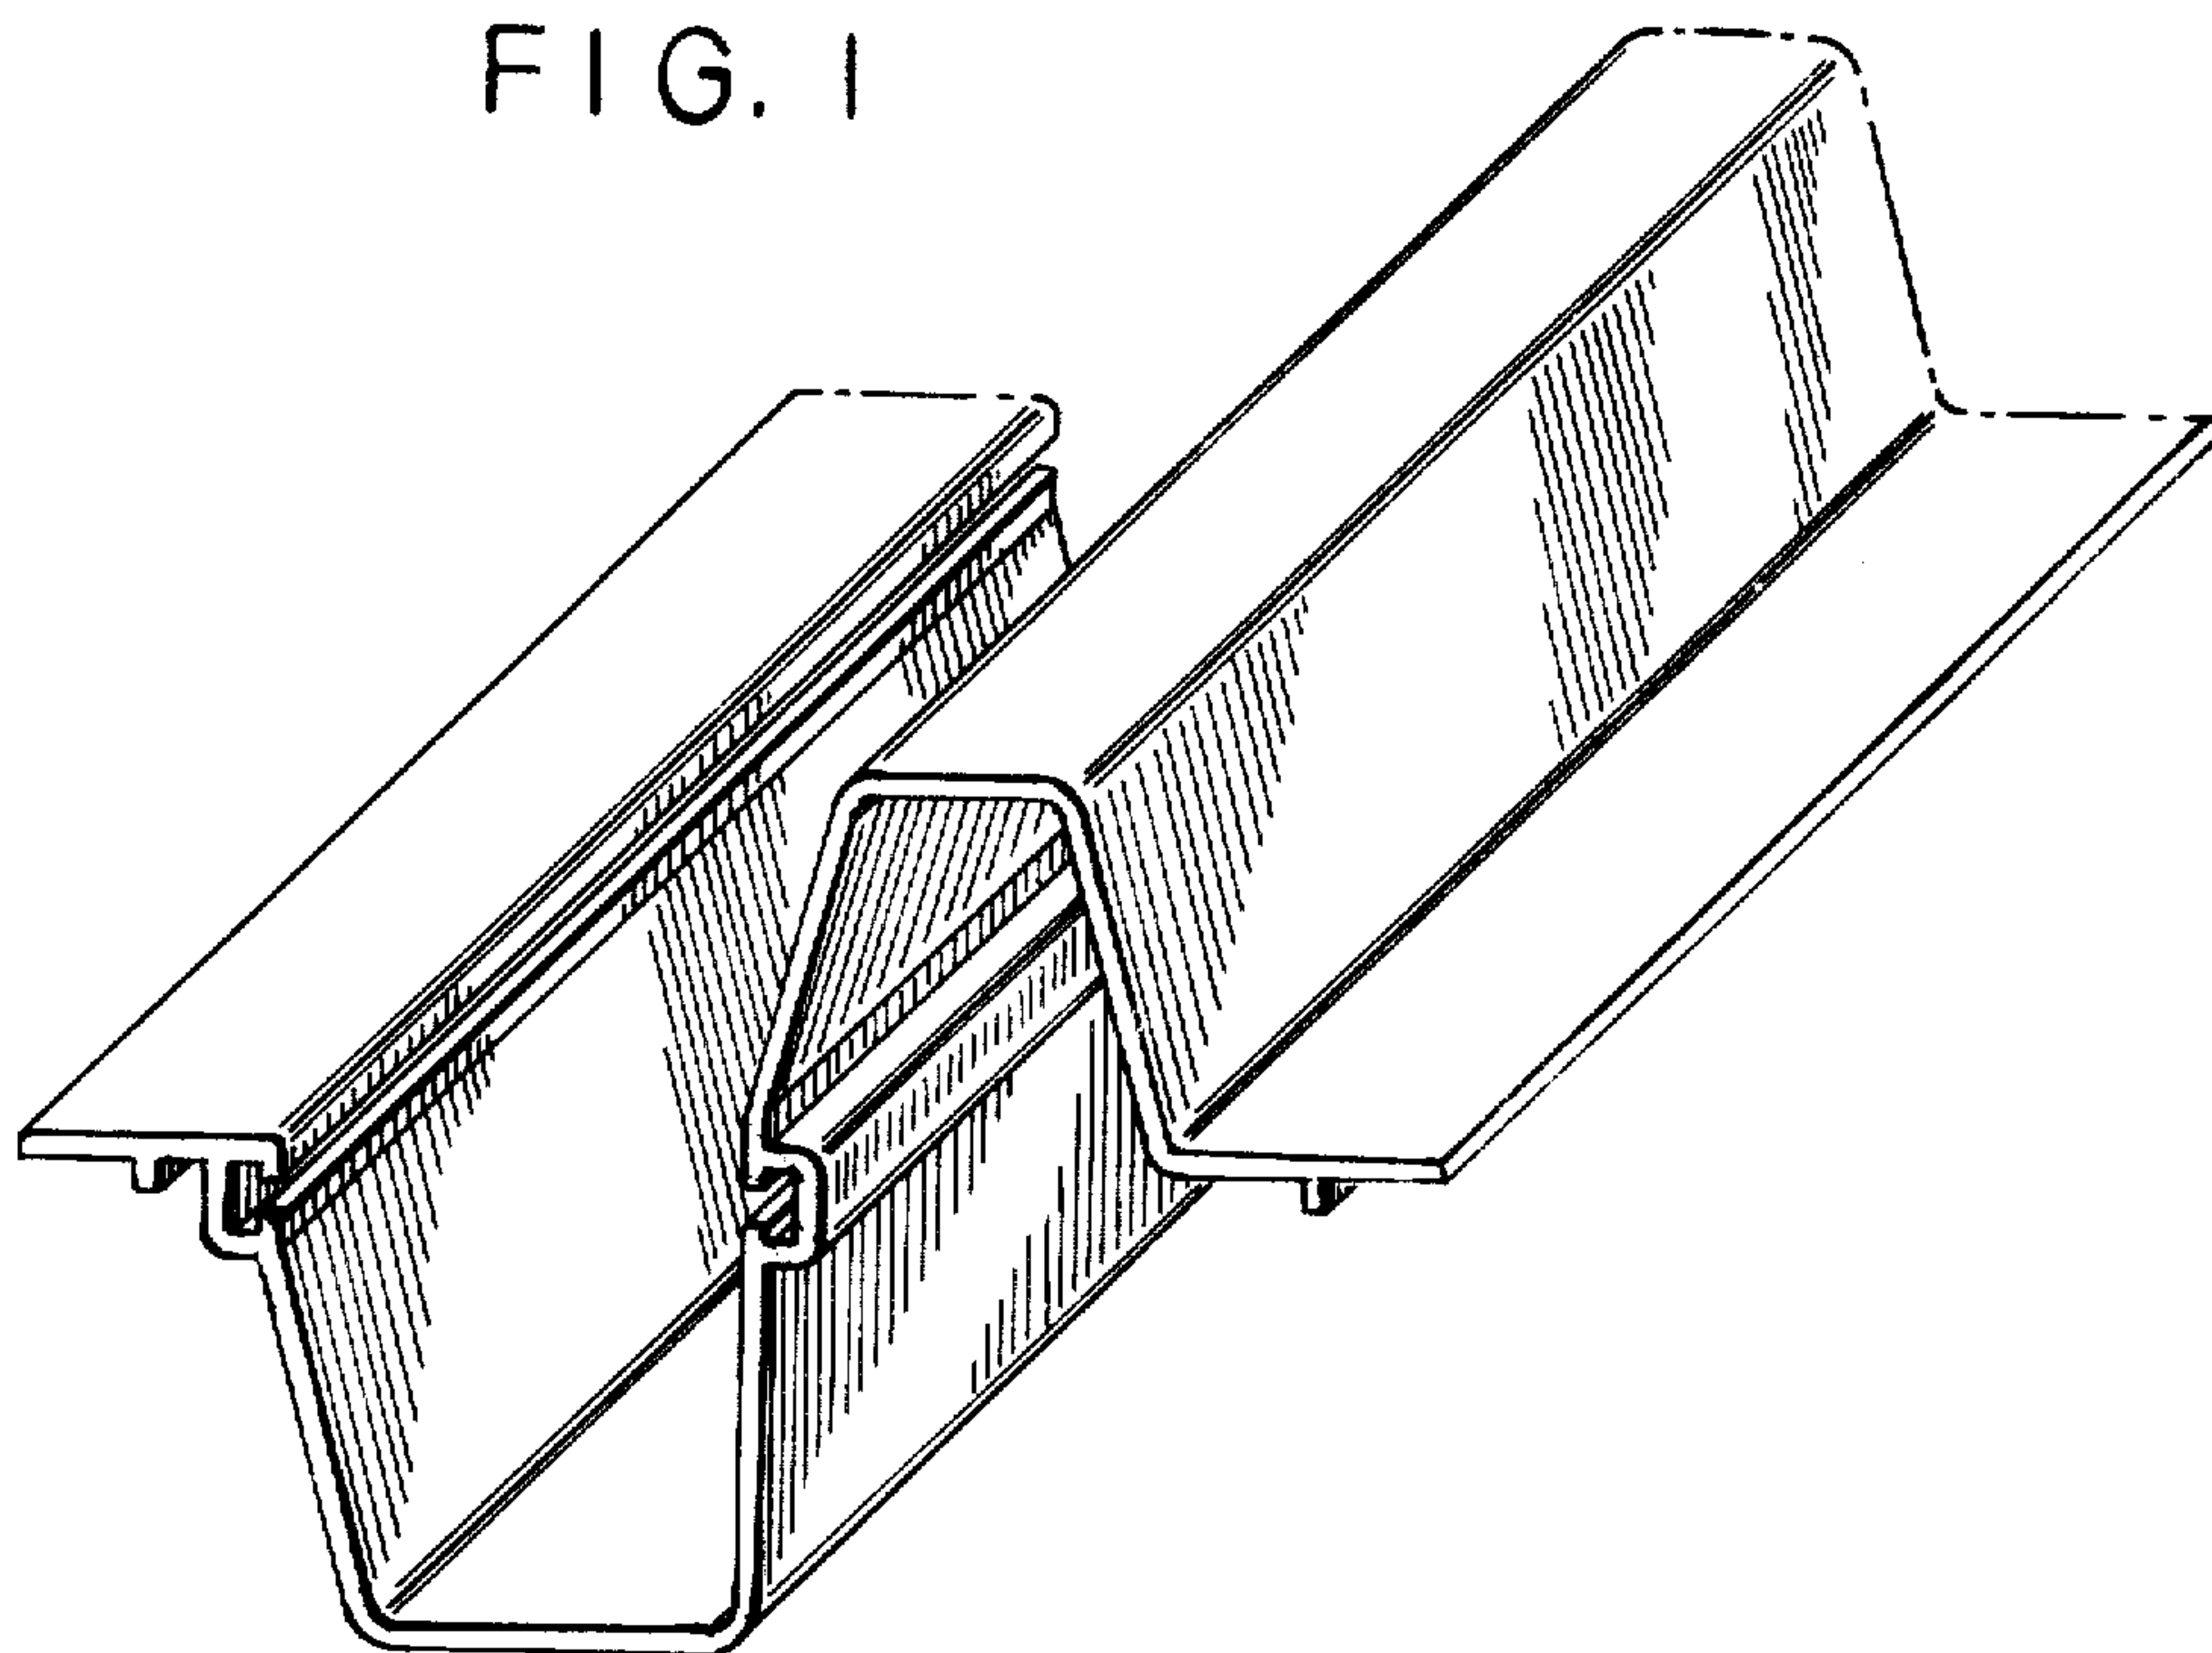

FIG. 2
