

[54] DISPLAY RACK MODULE

D. 227,068 6/1973 Sandy D6/190

[76] Inventor: Hal D. Sandy, 4937 Glendale Rd., Shawnee Mission, Kans. 66205

Primary Examiner—B. J. Bullock
Attorney, Agent, or Firm—Schmidt, Johnson, Hovey & Williams

[**] Term: 14 Years

[21] Appl. No.: 144,241

[57] CLAIM

[22] Filed: Apr. 28, 1980

The ornamental design for a display rack module, substantially as shown and described.

[51] Int. Cl. D20-02

DESCRIPTION

[52] U.S. Cl. D6/189; D6/130; D6/134; D6/157

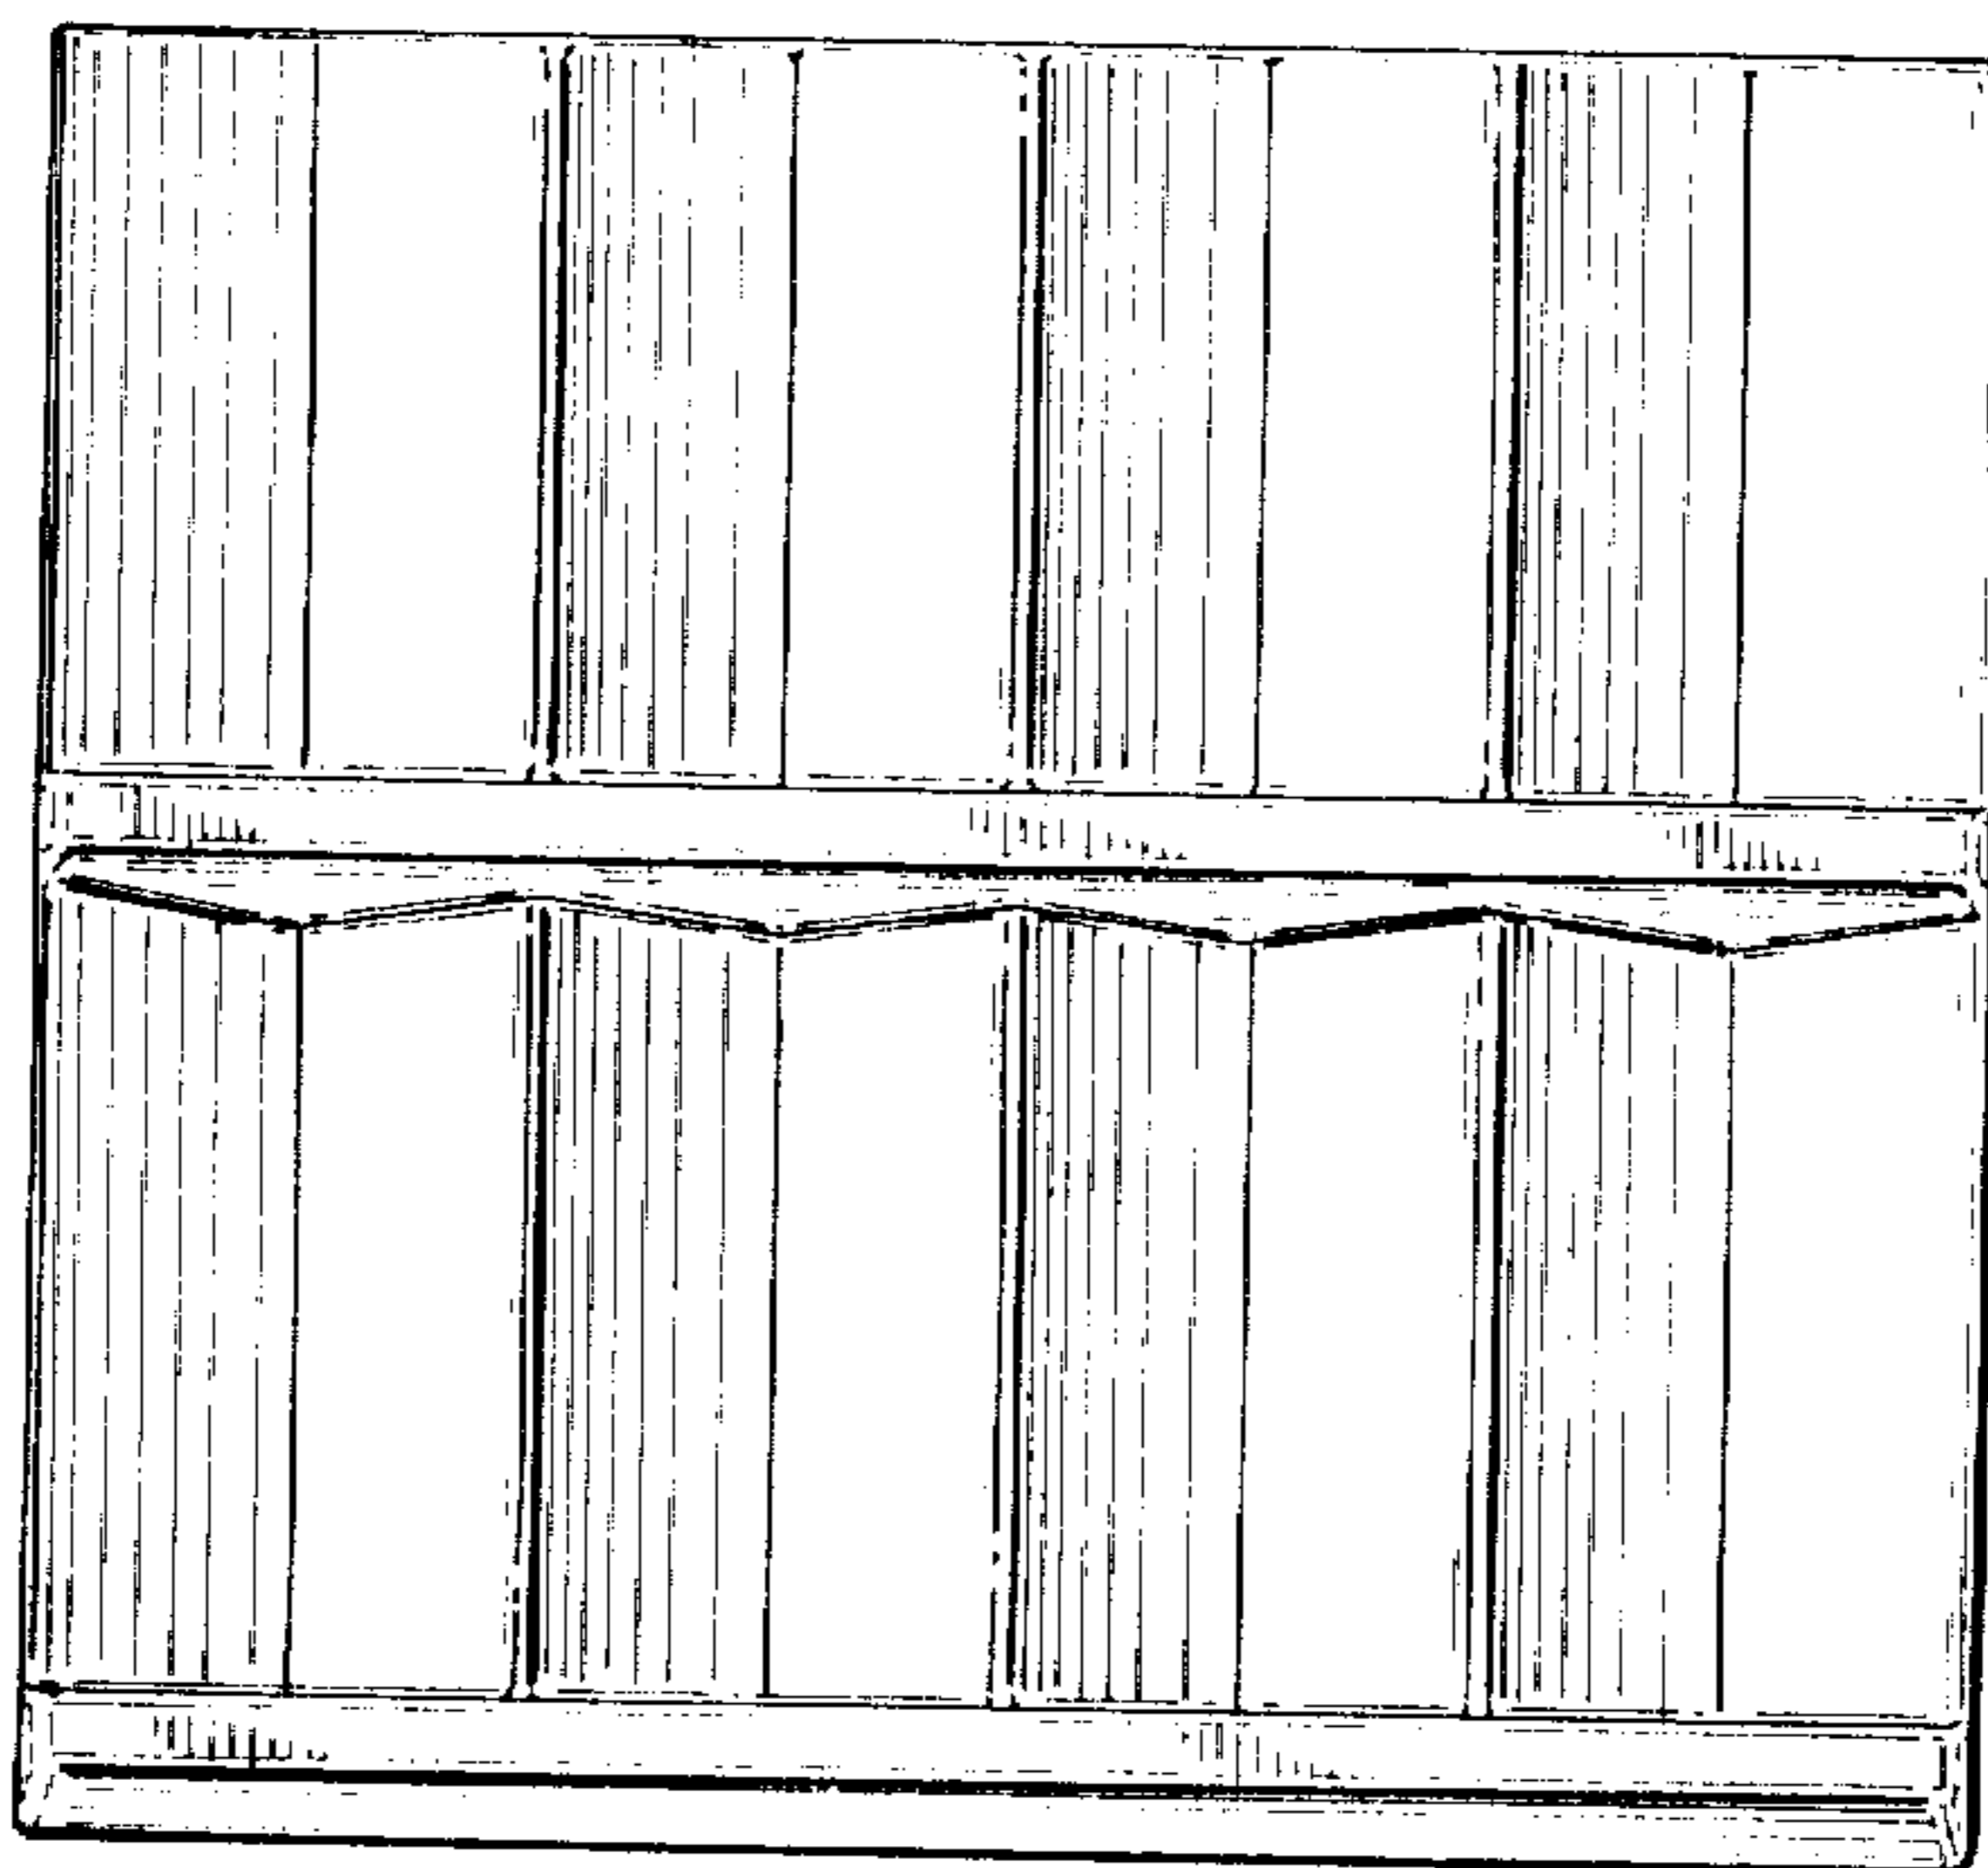

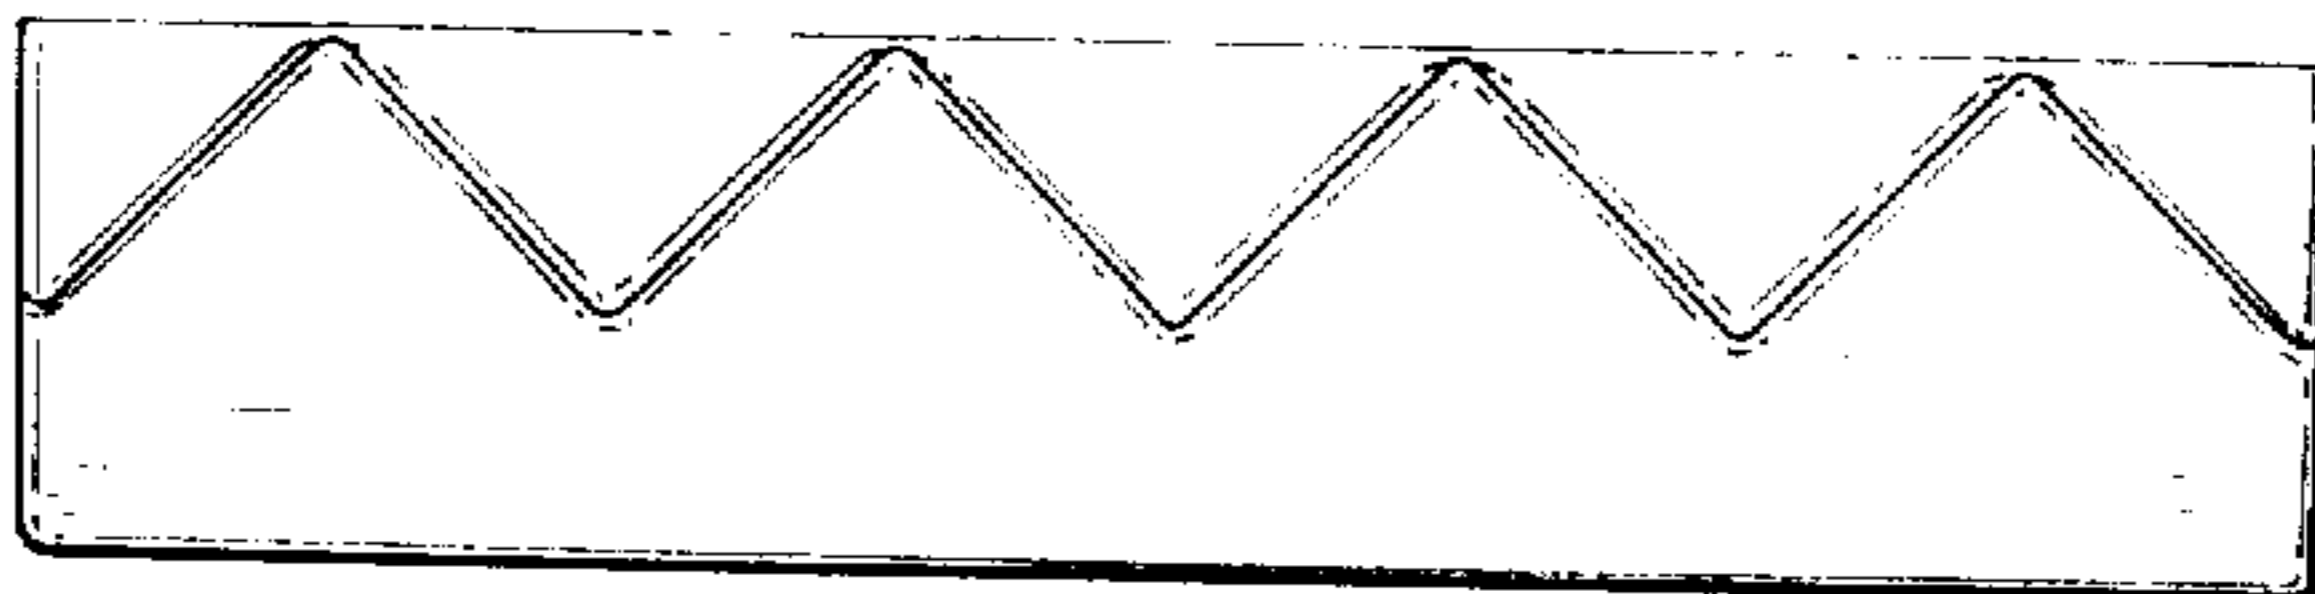

[58] Field of Search D6/114, 130, 132, 133, D6/134, 135, 136, 157, 186, 188, 189, 190; 211/13, 490, 87, 88, 90, 134, 153

FIG. 1 is a front elevational view of the display rack module showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a side elevational view thereof; FIG. 4 is a bottom plan view; FIG. 5 is a front elevational view of a second embodiment of the design of FIG. 1, the top and bottom being identical to FIGS. 2 and 4; FIG. 6 is a side elevational view of FIG. 5. The rear of both embodiments follows the contours disclosed in FIGS. 1 and 5.
