[57] CLAIM  
The ornamental design for a jacket-type coaster, as  
shown and described.

DESCRIPTION  
FIG. 1 is a front top perspective view of a jacket-type  
coaster showing my new design;  
FIG. 2 is a right side elevational view thereof, the bro-  
ken line showing of a beverage can being illustrative of  
environment only;  
FIG. 3 is a top plan view thereof;  
FIG. 4 is a bottom plan view thereof;  
FIG. 5 is a left side elevational view thereof; and  
FIG. 6 is a rear elevational view thereof.
