[57] CLAIM

The ornamental design for a jacket-type coaster, as shown and described.

DESCRIPTION

FIG. 1 is a front top perspective view of a jacket-type coaster showing my new design;
FIG. 2 is a right side elevational view thereof, the broken line showing of a beverage can being illustrative of environment only;
FIG. 3 is a top plan view thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a left side elevational view thereof; and
FIG. 6 is a rear elevational view thereof.
