[57] CLAIM

The ornamental design for a regulator gauge protector, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a regulator gauge protector showing my new design;
 FIG. 2 is a rear elevational view thereof;
 FIG. 3 is a right side elevational view thereof, the left side being substantially a mirror image thereto;
 FIG. 4 is a top plan view thereof;
 FIG. 5 is a bottom plan view thereof.
 The rear elevational view is substantially identical to the front elevational view.

FIG 1

FIG 2
