[57] **CLAIM**

The ornamental design for a portable air recirculator, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view to a portable air recirculator showing my new design;
 FIG. 2 is a rear elevational view thereof;
 FIG. 3 is a right side elevational view thereof;
 FIG. 4 is a left side elevational view thereof;
 FIG. 5 is a top plan view thereof; and
 FIG. 6 is a front elevational view of a modified form of the portable air recirculator shown in FIG. 1.
