[57] CLAIM

The ornamental design for a planter unit, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view illustrating a hexagonal planter unit in accordance with my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a left side elevational view thereof, the right side being a mirror image thereof;

FIG. 4 is a rear elevational view thereof; and

FIG. 5 is a reduced front elevational view of a second embodiment of the design of FIG. 1;

FIG. 6 is a reduced front elevational view of a third embodiment of the design of FIG. 1;

FIG. 7 is a reduced front elevational view of a fourth embodiment of the design of FIG. 1;

FIG. 8 is a reduced front elevational view of a fifth embodiment of the design of FIG. 1;

FIG. 9 is a reduced front elevational view of a sixth embodiment of the design of FIG. 1.

The only difference in the embodiment of FIGS. 5 through 9 is the arrangement and number of the individual planter units.
