[57] **CLAIM**

The ornamental design for a merchandising kiosk, as  
shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a merchandising kiosk  
showing my new design, the sides not shown being  
mirror images of those shown except for the substitu-  
tion of a counter over a vertical face for the door, the  
top and bottom being unornamented;  
FIG. 2 is a sectional view taken above counter level  
through the canopy support.
