[57] CLAIM

The ornamental design for a combined prayer bench and cabinet, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a combined prayer bench and cabinet showing our new design;

FIG. 2 is a side elevational view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view;

FIG. 6 is a rear elevational view thereof;

FIG. 7 is a front elevational view of a second version of our new design, all other views of such design being substantially identical to the corresponding supplementary views of FIGS. 2-6 except with respect to the location of the access to the shelves;

FIG. 8 is a front perspective view of a third version of our new design as it appears with the upper cushioned lid raised for access to a top-opening shelf, all other views of such design being substantially identical to the corresponding supplementary views of FIGS. 2-6 except with respect to the location of the access to the shelves;

FIG. 9 is a rear perspective view of a fourth version of our new design, all other views of such design being substantially identical to the corresponding supplementary views of FIGS. 2-6 except with respect to the location of the access to the shelves.
