[57] CLAIM

The ornamental design for a necklace, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a necklace showing my new design, the continuous chain being indicated by dot-dash line for ease of illustration; and FIG. 2 is a partial side elevational view thereof. The rear is a mirror image of the front except that the overlap of the symmetrical pendants is reversed.

FIG. 1

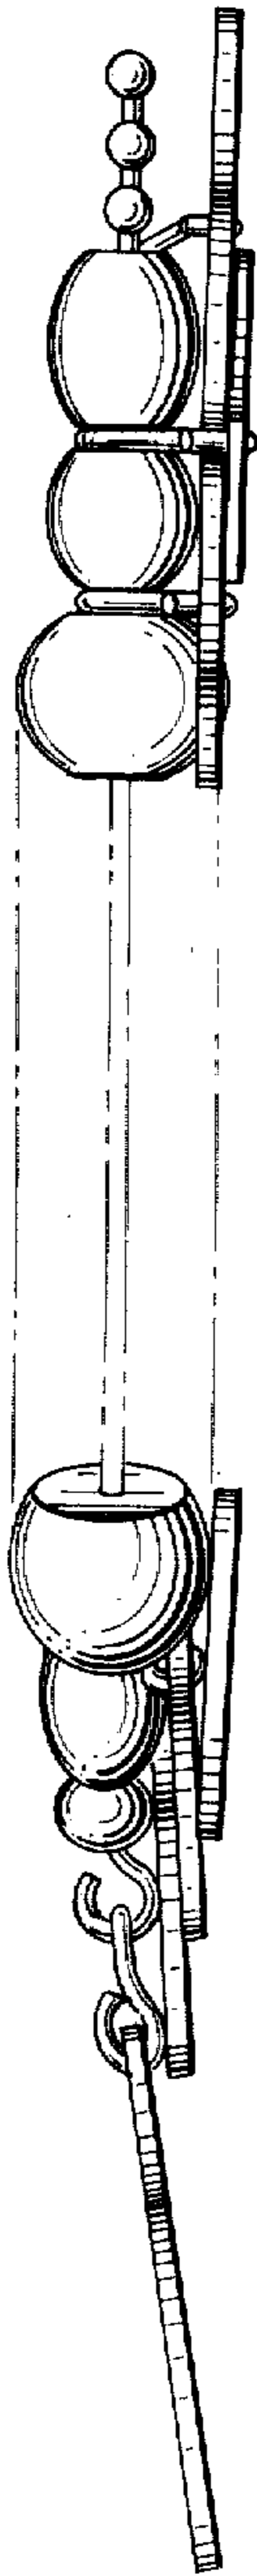

FIG. 2
