[57] **CLAIM**

The ornamental design for a sectionalized panel and  
cowl for covering a windshield, as shown and de-  
scribed.

**DESCRIPTION**

FIG. 1 is a top, left side isometric view of a sectional-  
ized panel and cowl for covering a windshield showing  
our new design;

FIGS. 2 and 3 are respective front and left side eleva-  
tional views thereof; and

FIGS. 4 and 5 are respective top plan and bottom plan  
views.

The side opposite to that shown in the drawing is sub-  
stantially a mirror image thereof.

The cab structure as shown in broken lines is not a part  
of the design sought to be patented and is shown for  
illustrative purposes only.

FIG. 2

FIG. 5
