[57] **CLAIM**

The ornamental design of a golf club shaft, substantially as shown and described.

**DESCRIPTION**

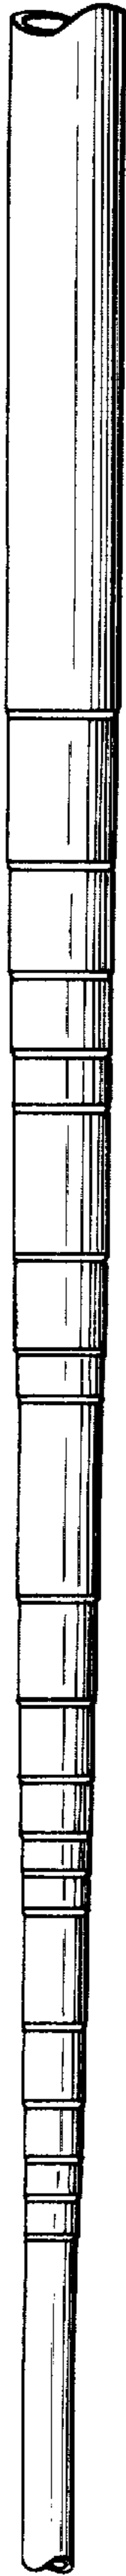

FIG. 1 is a view of the golf club shaft showing my new design.

FIG. 2 is an end view as seen from the smaller end of the shaft.

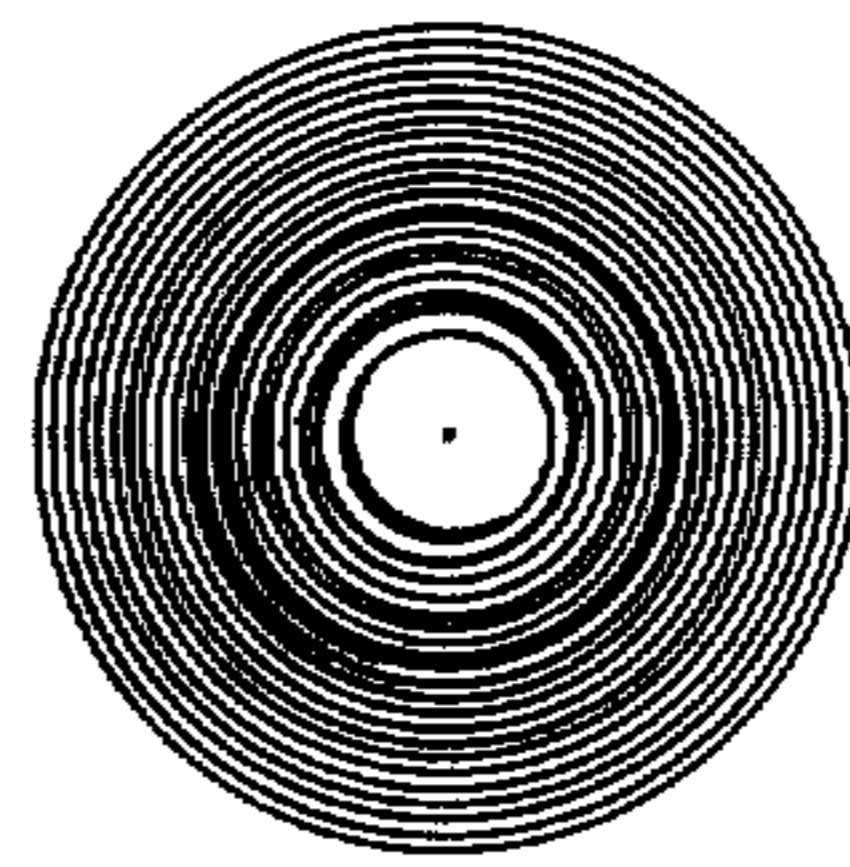

The ends of the shaft are conventional.

The characteristic feature of our golf club shaft design resides in the stepped pattern below the grip portion consisting of one group of long, medium, medium-short and short steps in series; then one group of long, medium and short steps in series, one group of long, medium, medium-short, short and two shorter steps in series; and one group of long, medium, medium-short and two short steps in series.
