[57] CLAIM

The ornamental design for a combined stackable cabi-
net and shelf unit or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the combined
stackable cabinet and shelf unit or the like showing my
new design, the rear, top and bottom thereof being
substantially plain and unornamented; and
FIG. 2 is a left end elevational view thereof, the oppo-
site end being substantially a mirror image of that
shown.
