Attorney, Agent, or Firm—Healin & Watts

[57] CLAIM

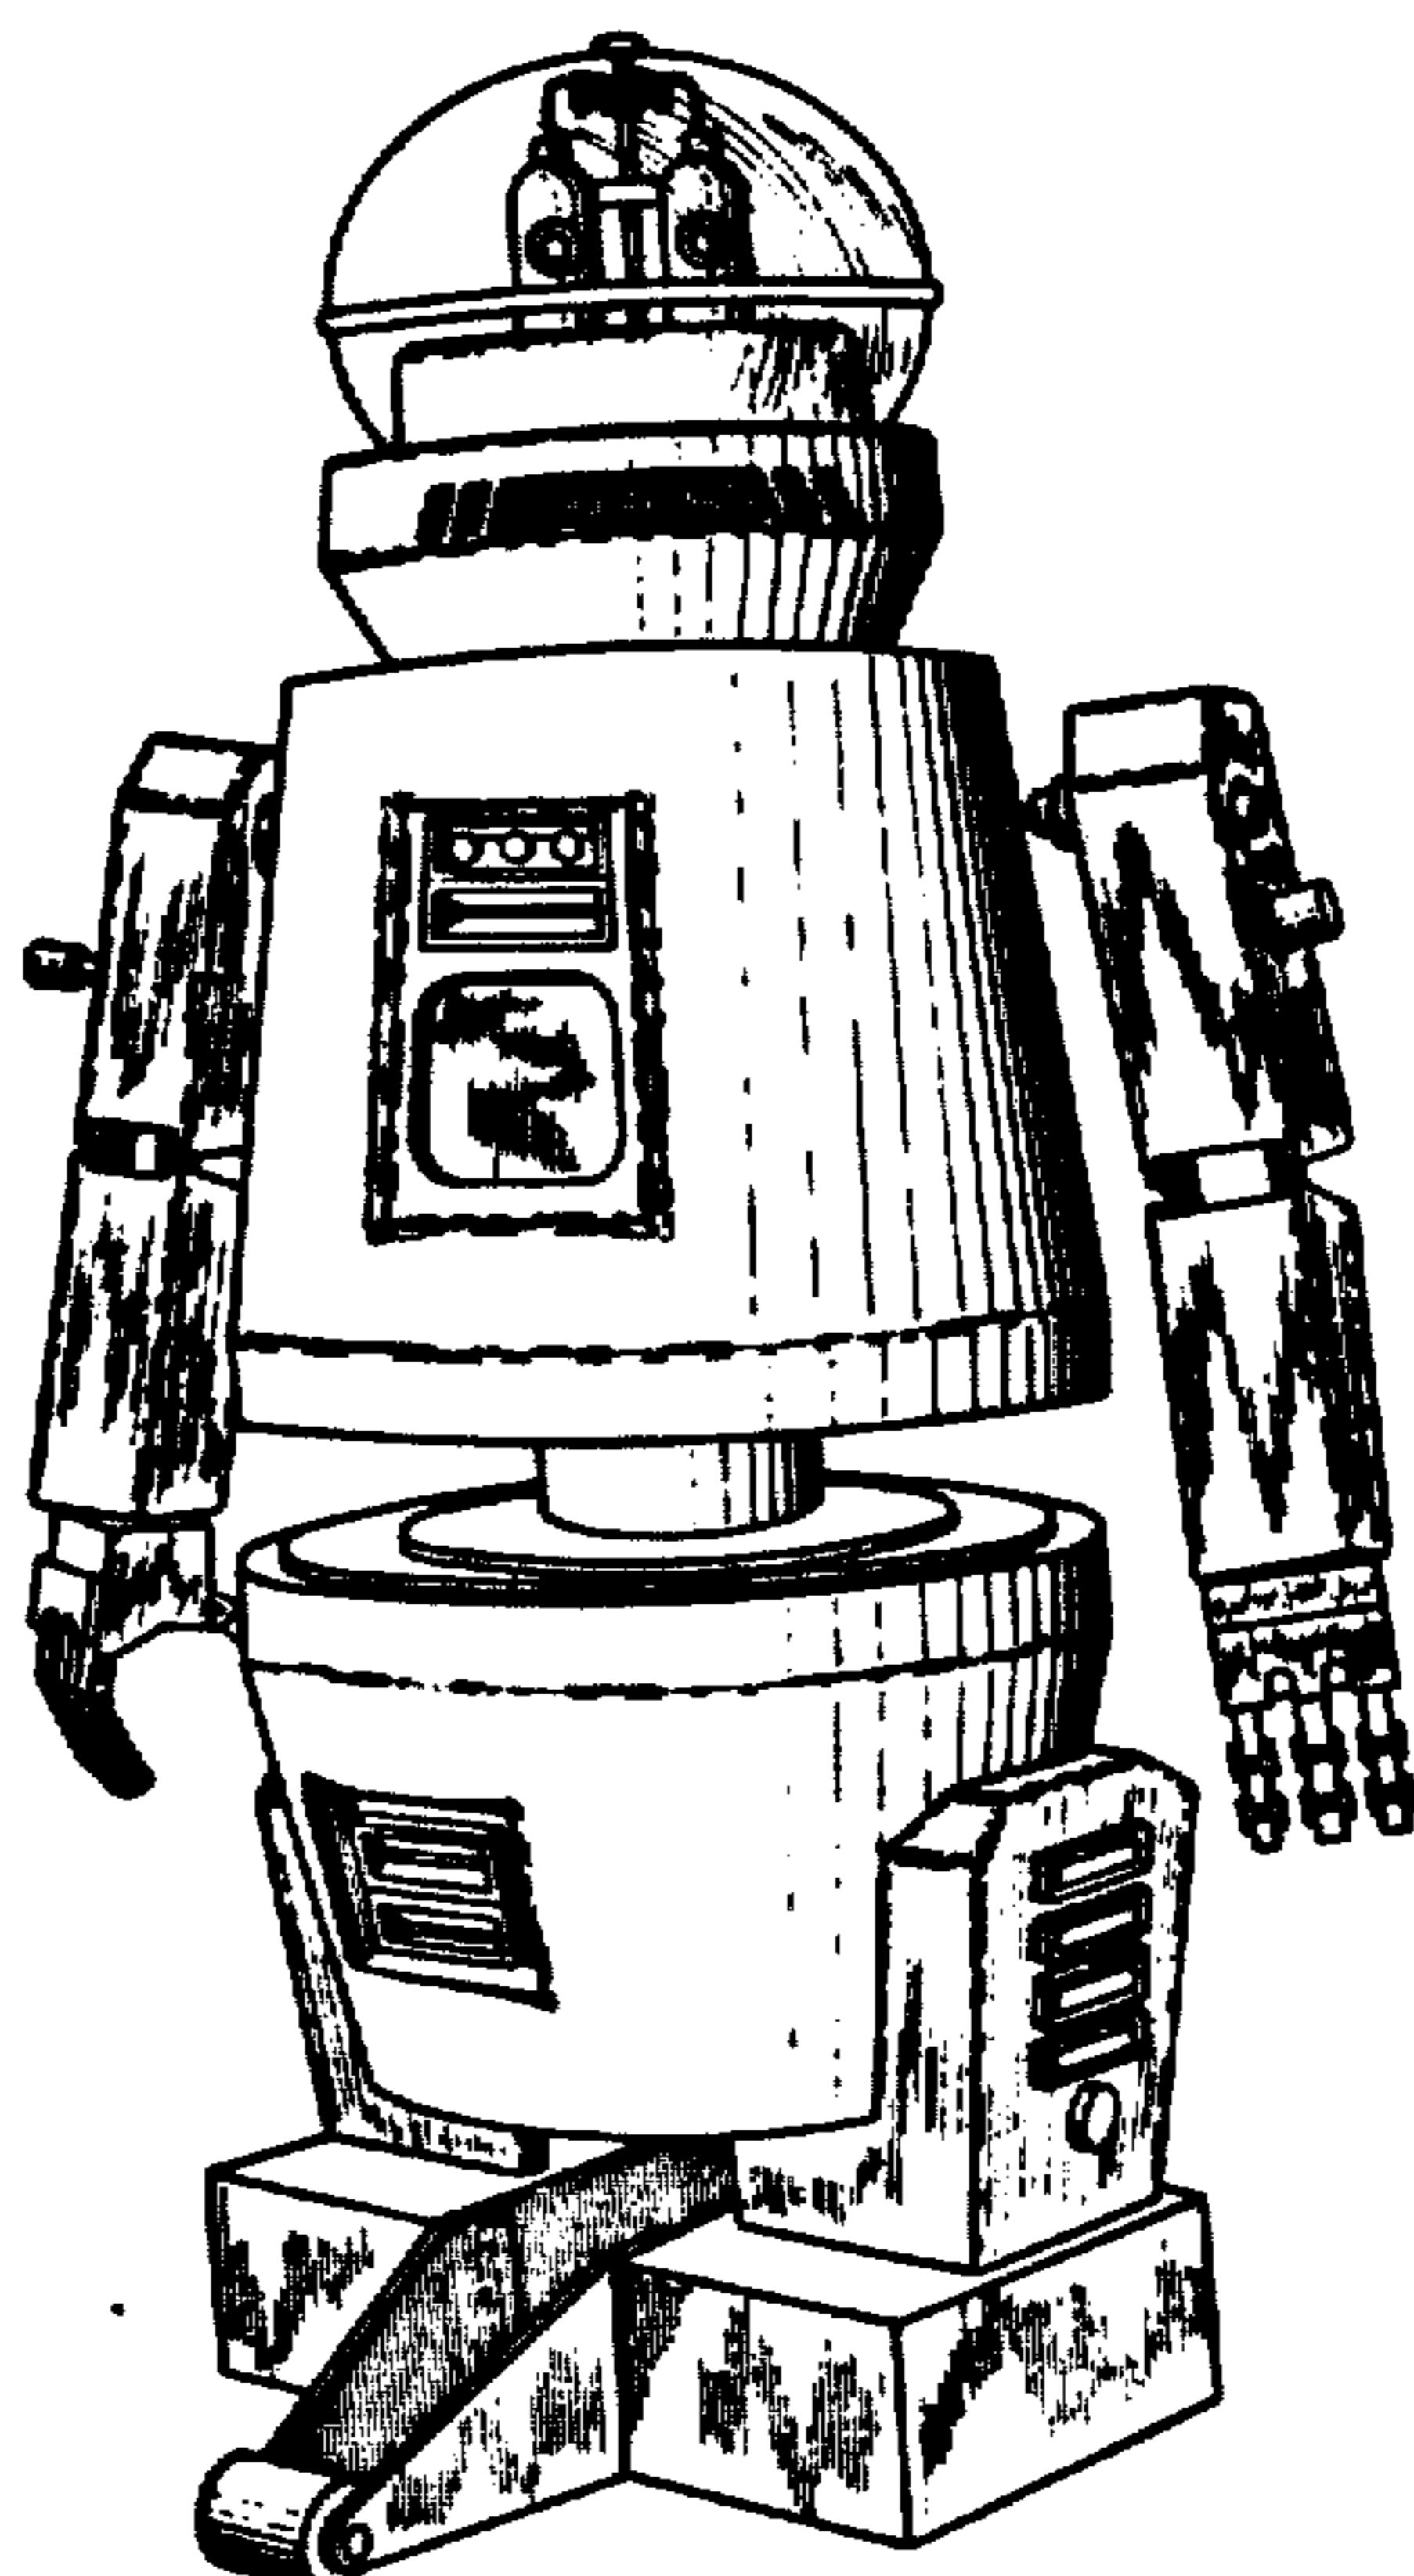

The ornamental design for a robot or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view from the left front of the robot showing my new design.

FIG. 2 is a perspective view from the right rear of the robot.

Views from the right front and left rear of the robot would be mirror images of FIGS. 1 and 2, except for the differences apparent in the drawings.
