[57] **CLAIM**

The ornamental design for a mist eliminator blade for air handling systems, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a mist eliminator blade for air handling systems showing my new design; FIG. 2 is a bottom perspective view thereof; and FIG. 3 is an end elevational view thereof. The center of the blade has been broken away in FIGS. 1 and 2 to indicate indeterminate length.
