[57] CLAIM

The ornamental design for an electrosurgical generator, substantially as shown.

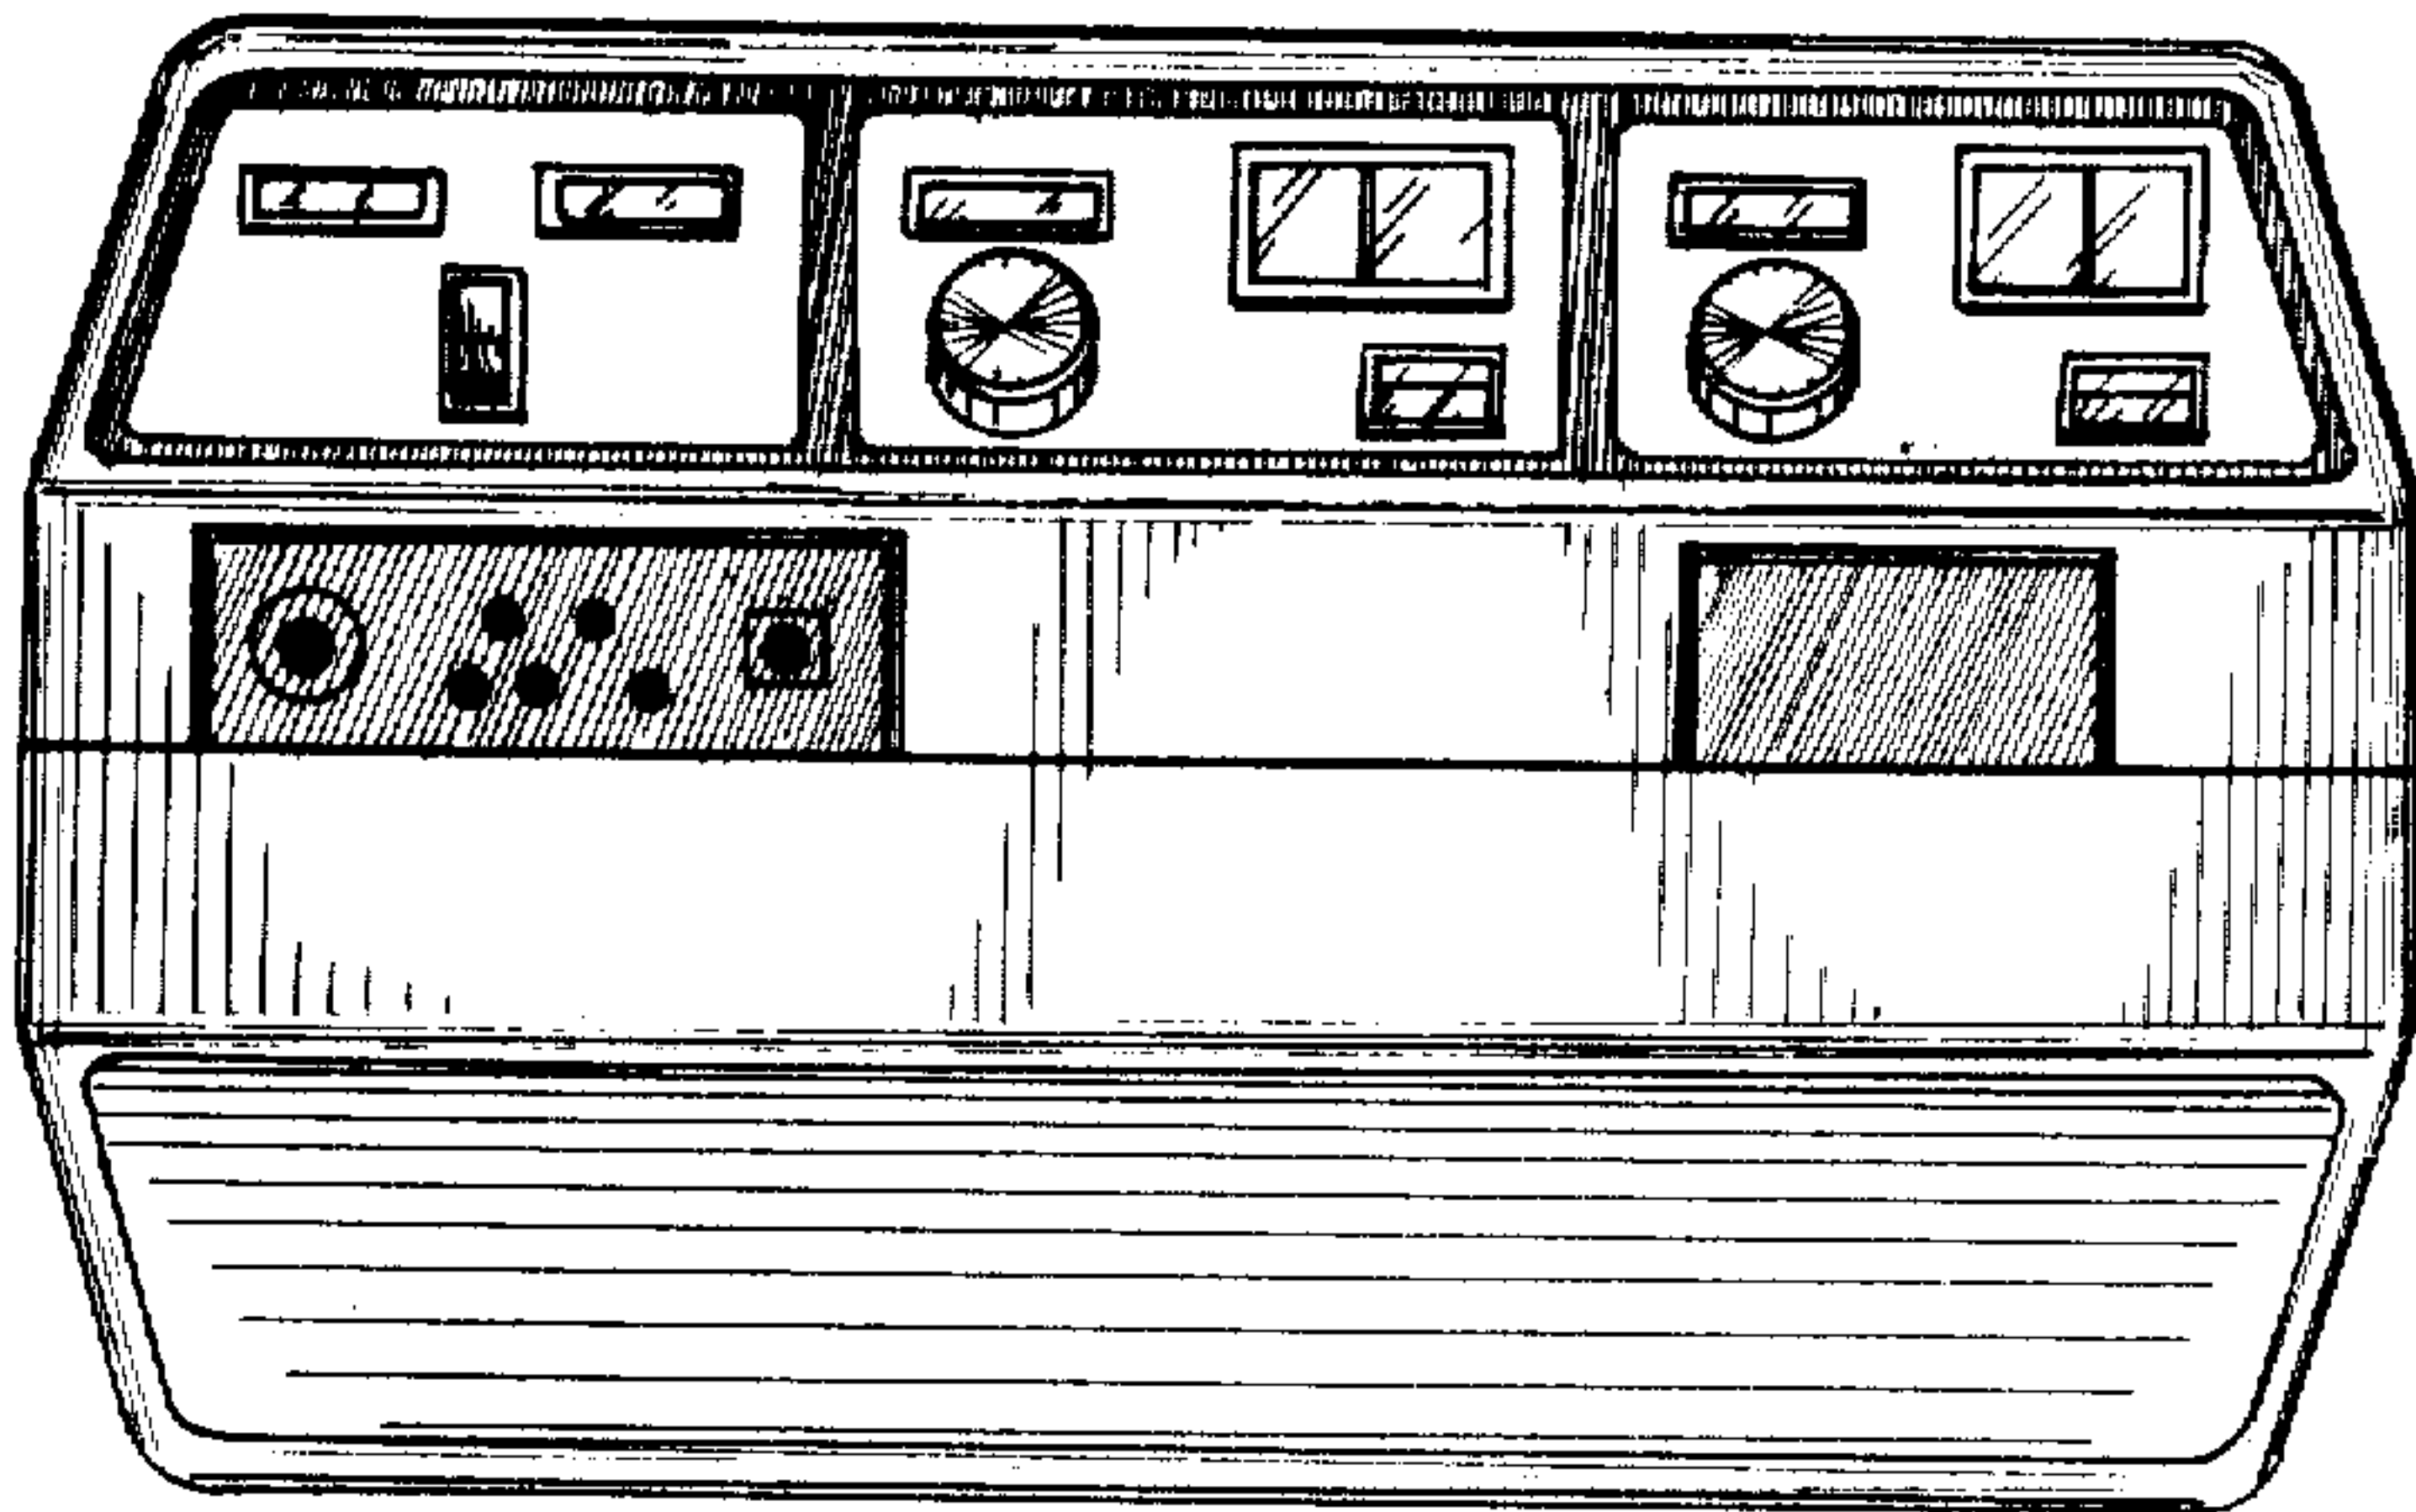

DESCRIPTION

FIG. 1 is a perspective view of the electrosurgical generator; showing our new design; FIG. 2 is a rear view of the electrosurgical generator; FIG. 3 is a top plan view of the electrosurgical generator; and FIG. 4 is a side elevational view of the electrosurgical generator, the other side view being identical thereto; FIG. 5 is an enlarged front elevational view of the electrosurgical generator.
