[57]			CLAIM		

The ornamental design for an electronic indicator board for gum-dispensing machines, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an electronic indicator board for gum-dispensing machines showing my new design, as installed in a gum-dispensing machine that is shown in broken lines for illustrative purposes only.

FIG. 2 is a perspective view taken from the top and left side thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a front elevational view thereof; and

FIG. 5 is a right side elevational view thereof.

The back of the board is plain and unornamented.
