[57] **CLAIM**

The ornamental design for a vehicle safety signal, sub-  
stantially as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a vehicle safety  
signal showing my new design;  
FIG. 2 is a rear elevational view thereof;  
FIG. 3 is an end view looking from the left with respect  
to FIG. 1;  
FIG. 4 is an end view looking from the right with re-  
spect to FIG. 1;  
FIG. 5 is a top plan view thereof;  
FIG. 6 is a front elevational view of a modified form of  
the instant design;  
FIG. 7 is a rear elevational view thereof;  
FIG. 8 is an end view looking from the left with respect  
to FIG. 6;  
FIG. 9 is an end view looking from the right with re-  
spect to FIG. 6; and  
FIG. 10 is a top plan view thereof.
