[57] CLAIM

The ornamental design for an amusement pitcher, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of an amusement pitcher, showing my new design;
FIG. 2 is a bottom plan view thereof partially in section to show the inturned spout;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a right side elevational view thereof partially in section to show the inturned spout;
FIG. 5 is a rear elevational view thereof, a portion being broken away to show the inturned spout; and
FIG. 6 is a left side elevational view thereof.
The characteristic feature of the design resides in the configuration of the inturned spout as shown.
