[57] **CLAIM**

The ornamental design for a housing for electronic apparatus, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of a housing for electronic apparatus showing our new design;
FIG. 2 is a top view of the first embodiment on an enlarged scale;
FIG. 3 is a front view of the first embodiment on an enlarged scale;
FIG. 4 is a rear view of the first embodiment on an enlarged scale;
FIG. 5 is a left end view of the first embodiment on an enlarged scale;
FIG. 6 is a right end view on an enlarged scale with a portion broken away to show details of a recess in the top surface of the first embodiment;
FIG. 7 is a bottom view of the first embodiment on an enlarged scale;
FIG. 8 is a perspective view of a second embodiment on an enlarged scale of a housing for electronic apparatus showing our new design;
FIG. 9 is a top view of the second embodiment on an enlarged scale;
FIG. 10 is a bottom view of the second embodiment on an enlarged scale;
FIG. 11 is a front view of the second embodiment on an enlarged scale;
FIG. 12 is a rear view of the second embodiment on an enlarged scale;
FIG. 13 is a left end view of the second embodiment on an enlarged scale; and
FIG. 14 is a right end view of the second embodiment on an enlarged scale with a portion broken away to show details of a recess.
