Attorney, Agent, or Firm—K. H. Boswell; Edward D. O'Brian

CLAIM

The ornamental design for a toy locomotive, substantially as shown and described.

DESCRIPTION

FIG. 1 is an isometric view showing the front, the top and the right hand side of the toy locomotive showing my new design;
FIG. 2 is a side elevational view showing the left hand side of the toy locomotive;
FIG. 3 is an end elevational view showing the rear of the toy locomotive; and
FIG. 4 is a bottom plan view showing the bottom of the toy locomotive.
