[57] **CLAIM**

The ornamental design for a shoe sole, as shown and described.

DESCRIPTION

FIG. 1 is a right side elevational view of a shoe sole showing my new design, the broken-line shoe upper is environmental and forms no part of the claimed design; FIG. 2 is a bottom plan view thereof, the wavy line pattern being understood to be continuous, and the top plan view being plain and unornamented; FIG. 3 is a left side elevational view thereof; FIG. 4 is a rear elevational view thereof; FIG. 5 is a front elevational view thereof.
