CLAIM

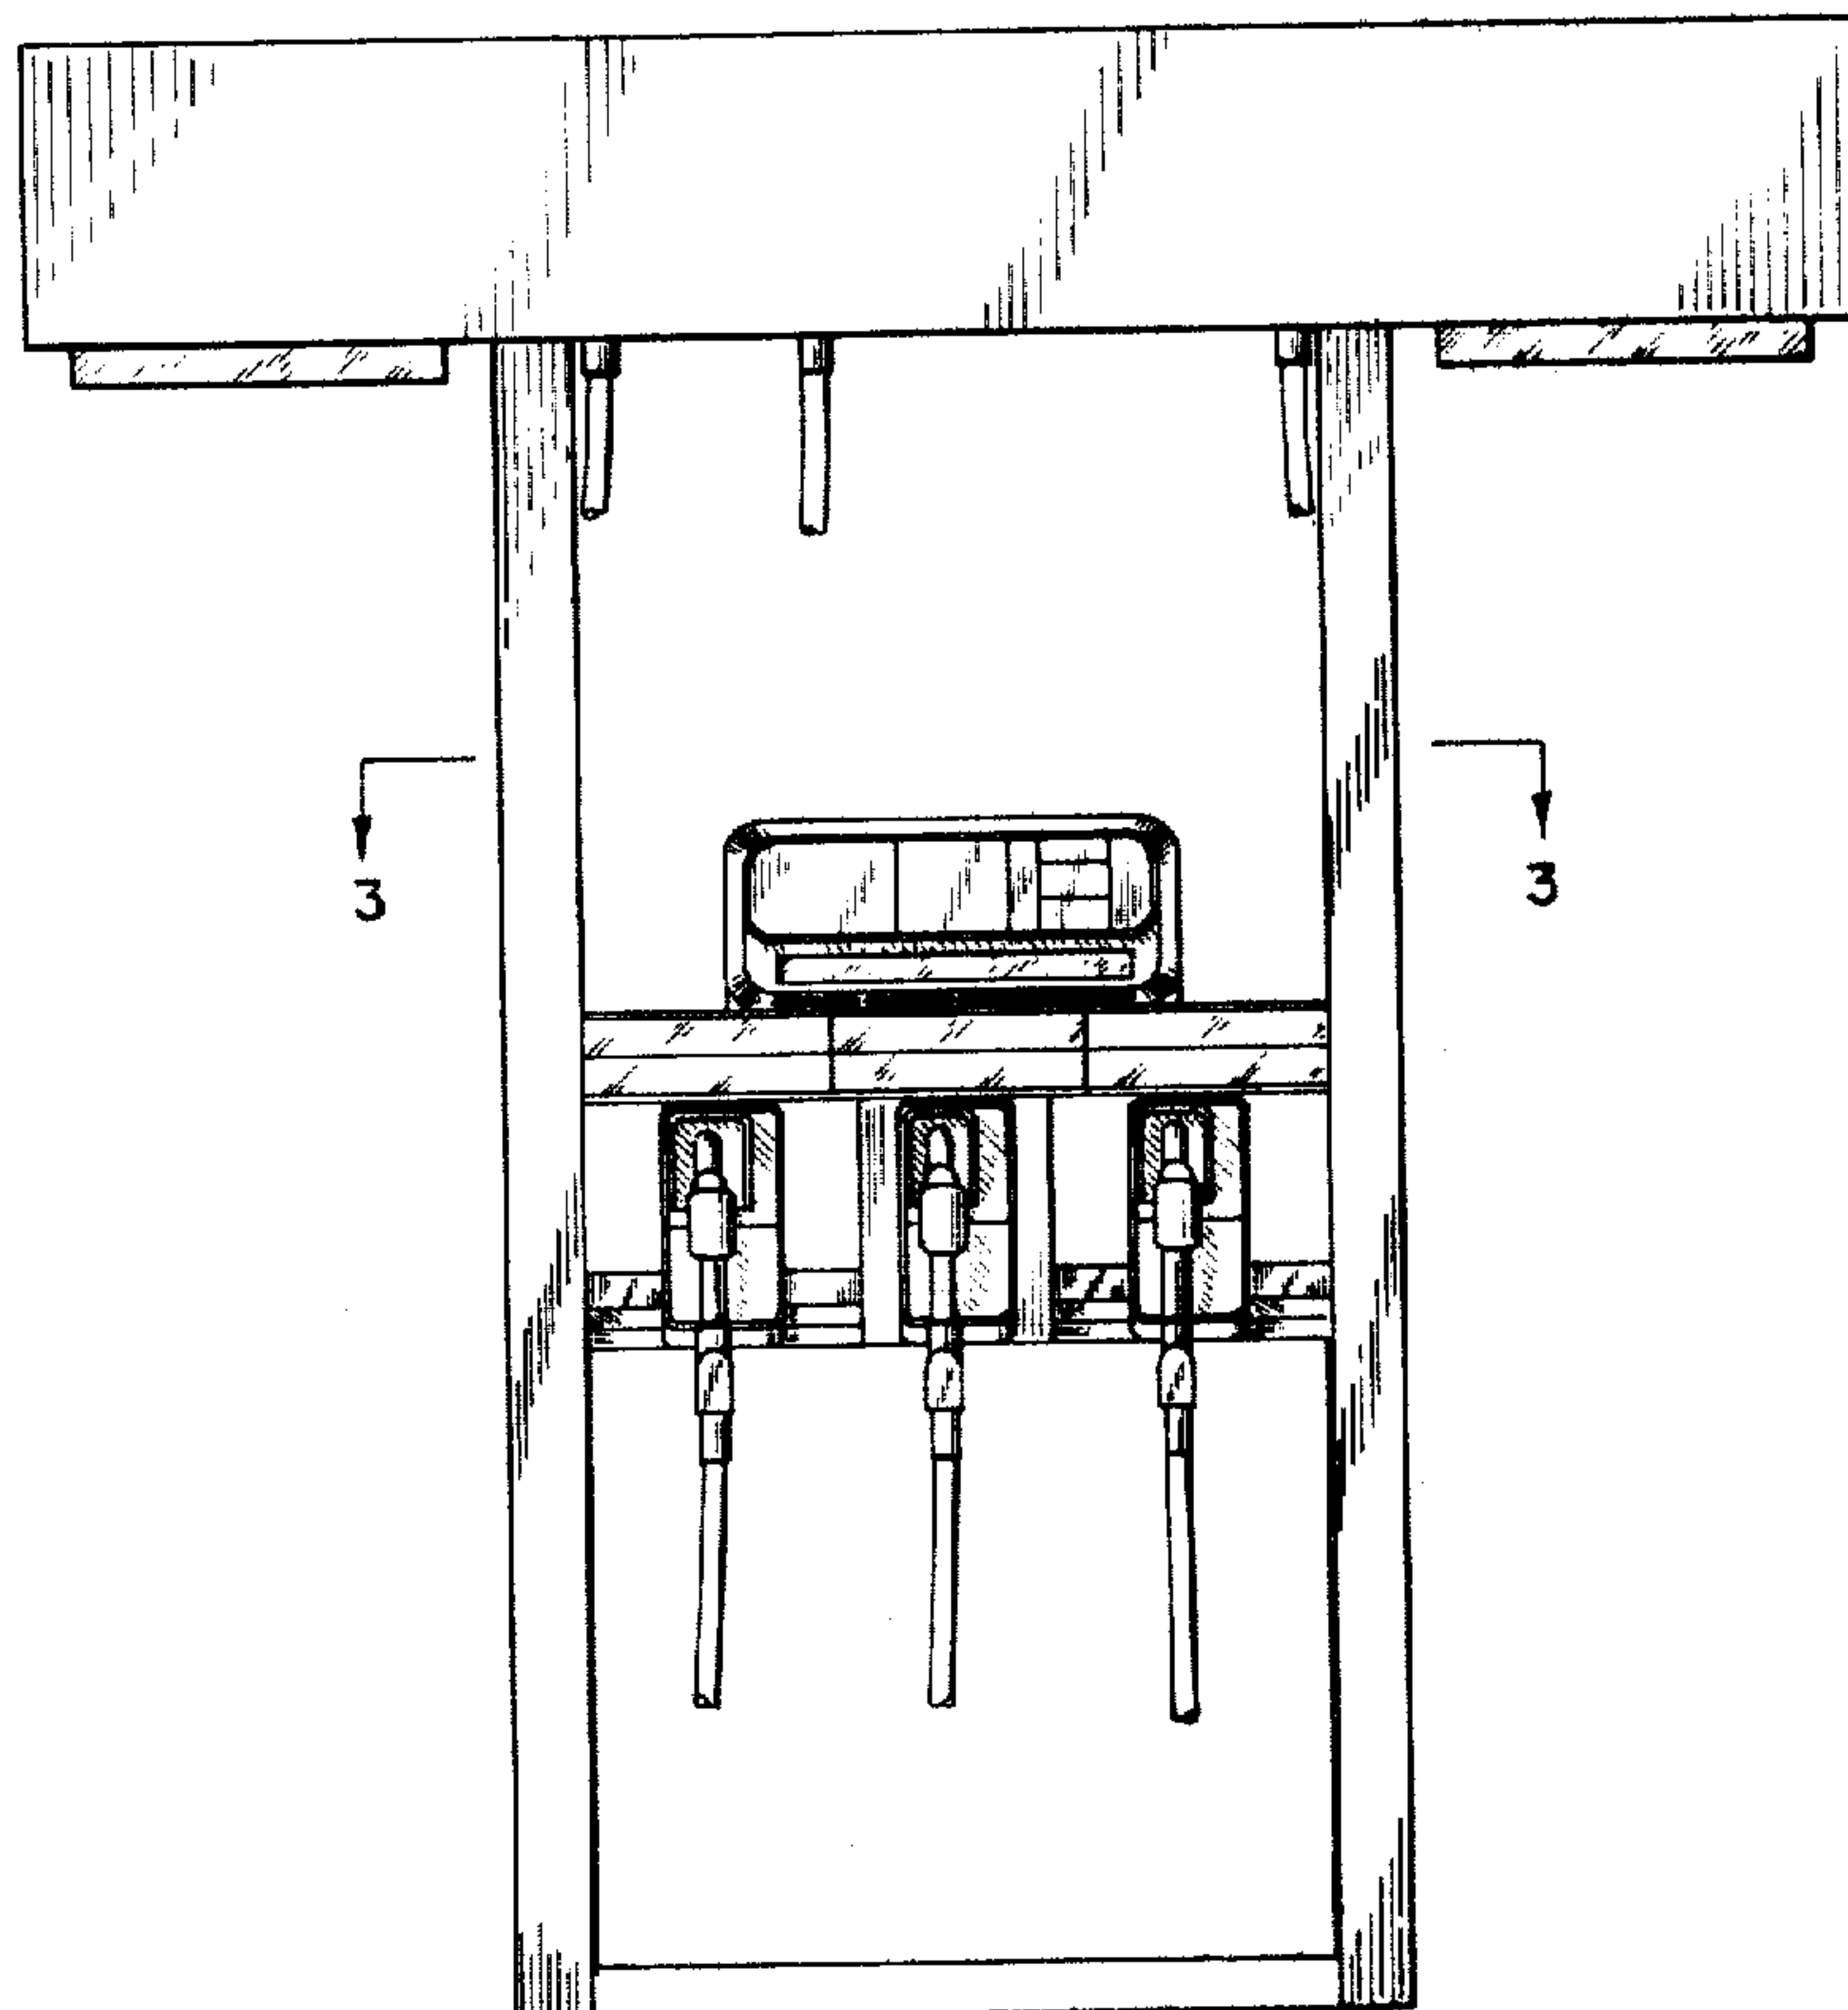

The ornamental design for gasoline dispenser, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a gasoline dispenser showing our new design with the hose portion broken away for ease of illustration, the rear being identical thereto;

FIG. 2 is a right side elevational view with the hose portion broken away for ease of illustration, the left side being identical thereto; and

FIG. 3 is a top transverse view along line 3—3 of FIG. 1.

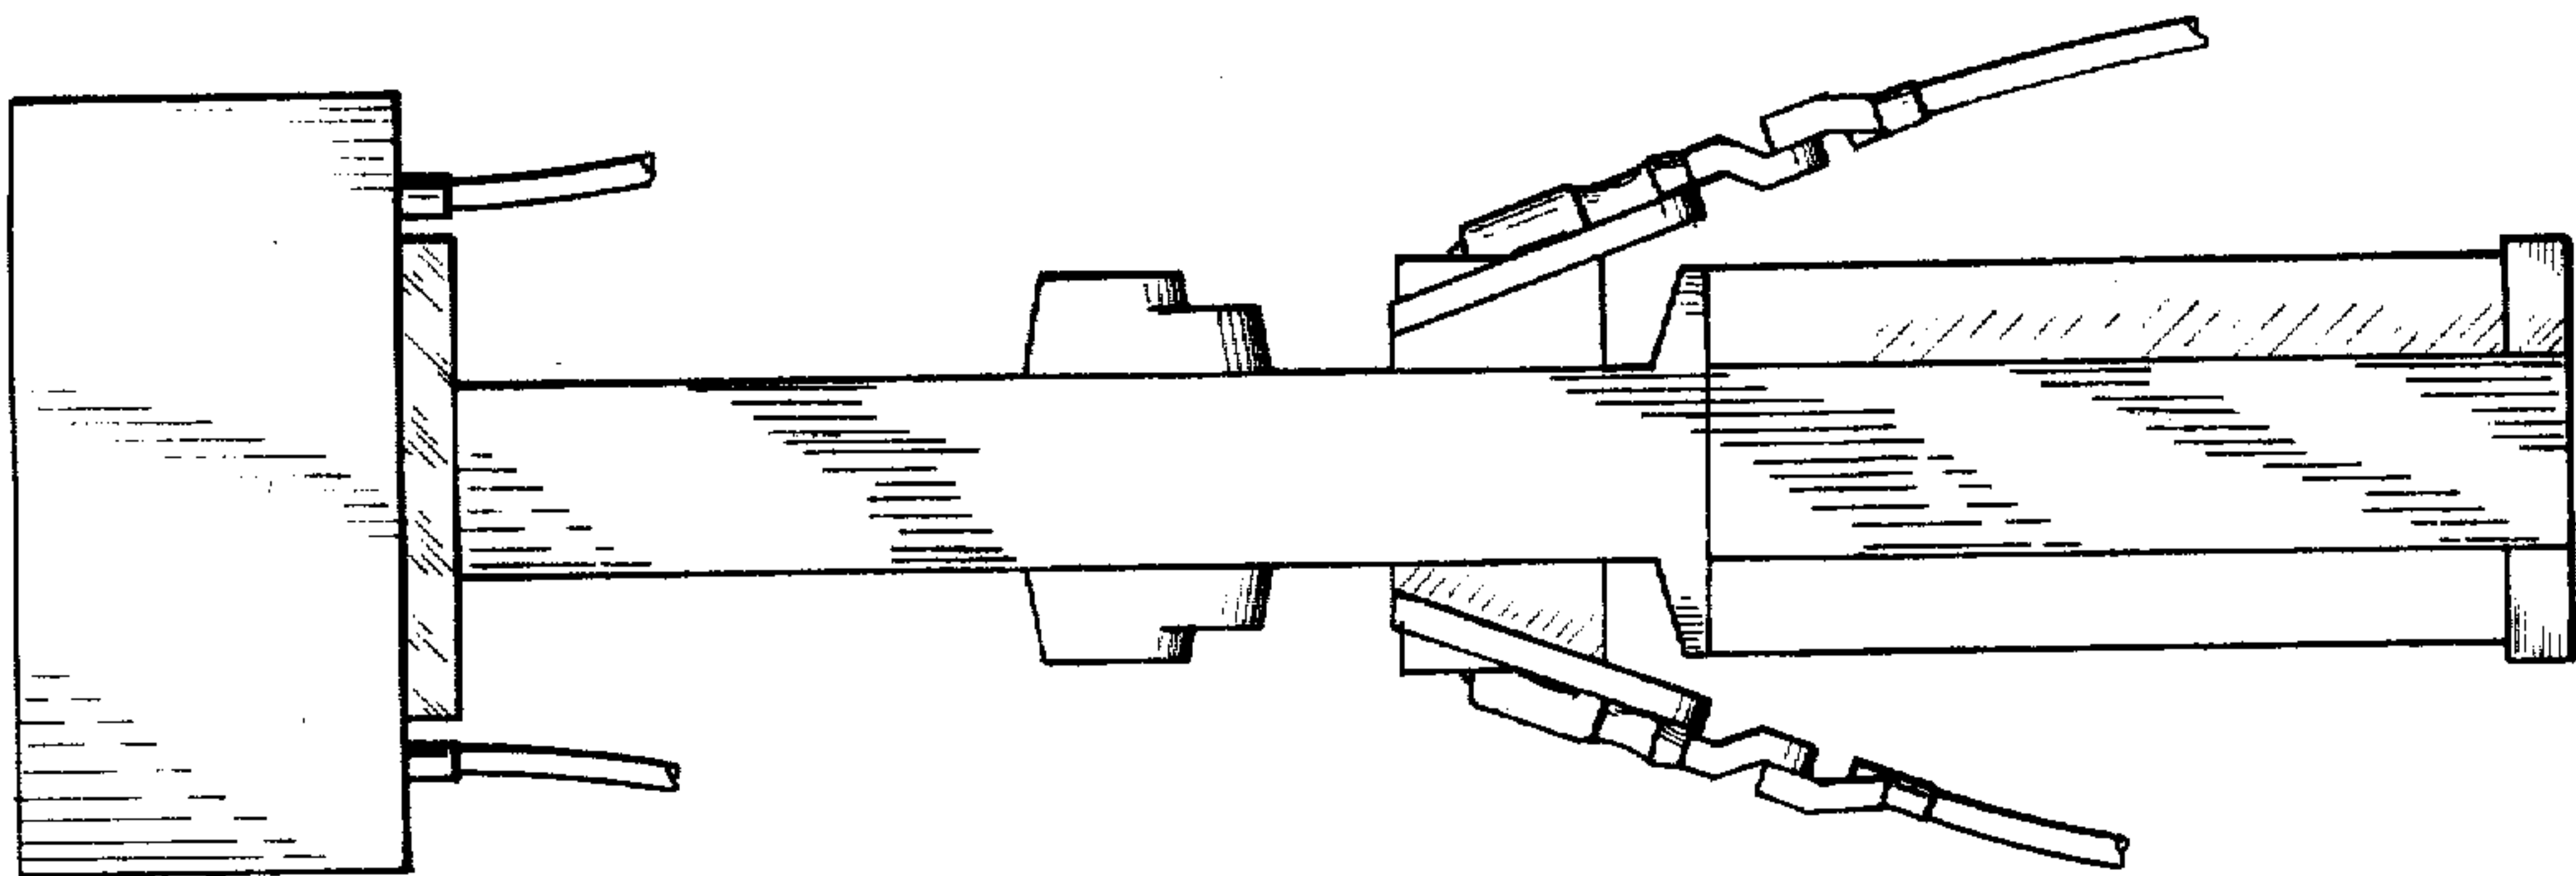

FIG. 2

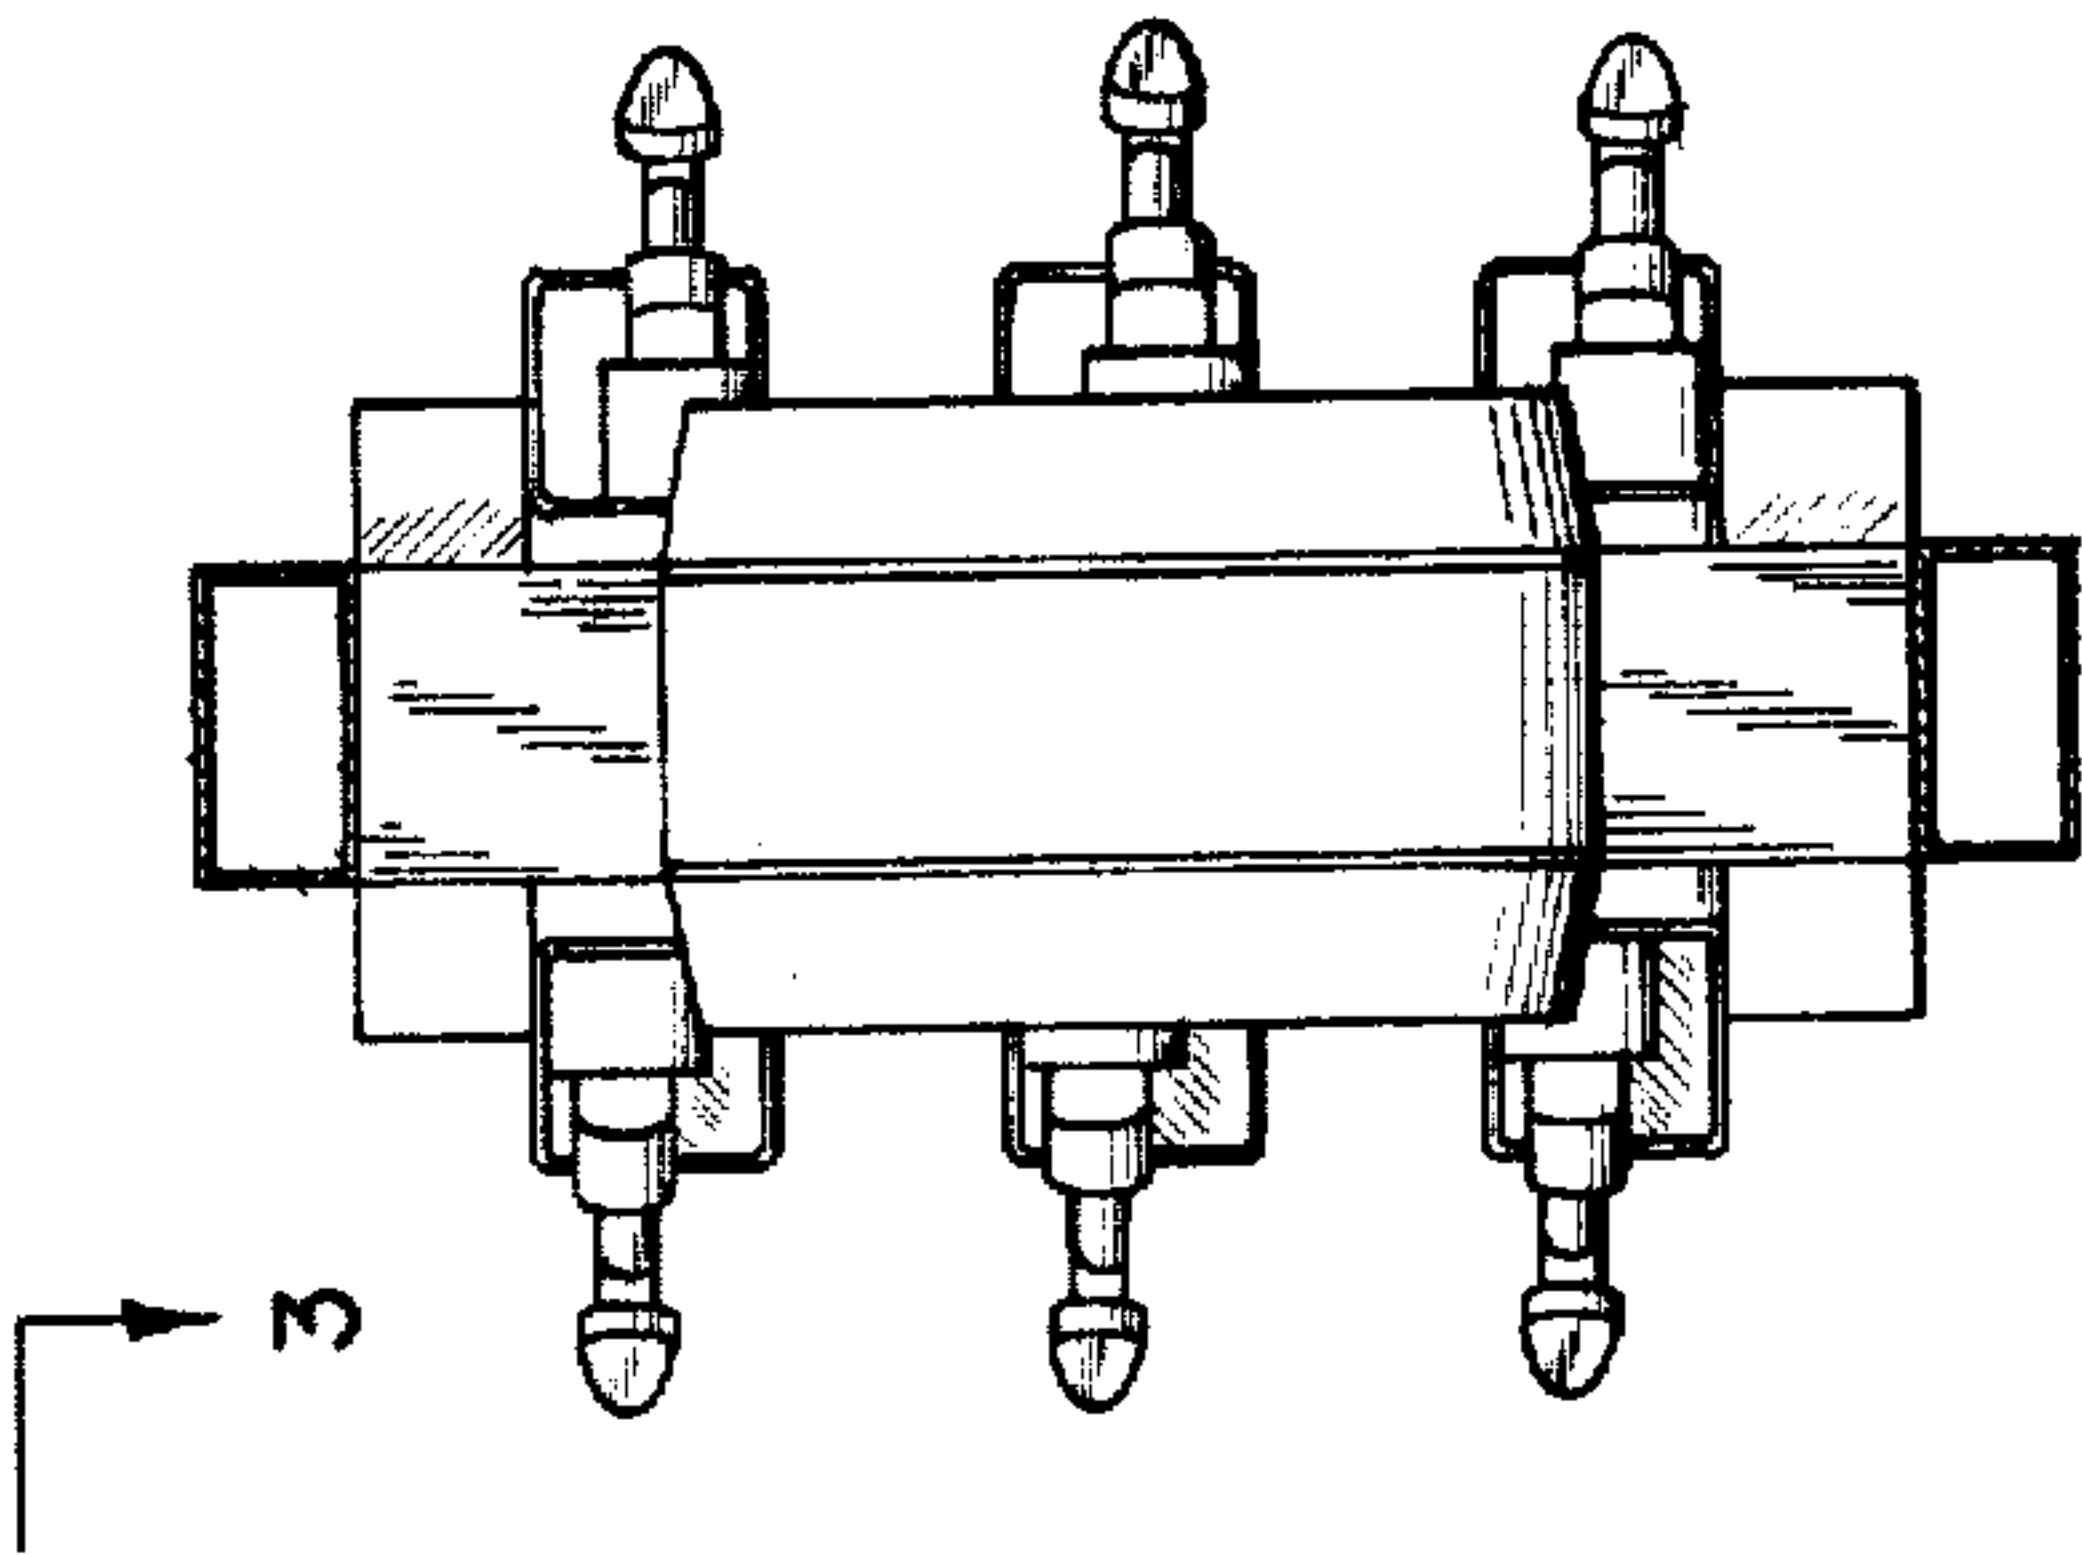

FIG. 3
