[57] CLAIM

The ornamental design for a collar clip or the like, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the collar clip or the like showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a bottom plan view thereof; and The back elevational view is a mirror image of the front elevational view. Except for the attachment to the chain, in elevation the posts at each end of the collar stay are symmetrical.
