[57] **CLAIM**

The ornamental design for a static pressure control assembly for environmentally controlled buildings and the like, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a static pressure control assembly for environmentally controlled buildings and the like, showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a side elevational view thereof, viewed from the left of FIG. 2; FIG. 4 is a rear elevational view thereof; and FIG. 5 is a bottom view thereof.
