**CLAIM**

The ornamental design for a toilet/bidet cabinet, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the toilet/bidet cabinet as seen from the left front and illustrating one of two identical sides, showing our new design;  
FIG. 2 is a top plan view thereof;  
FIG. 3 is a bottom plan view; and  
FIG. 4 is a rear elevational view.
