[57] CLAIM

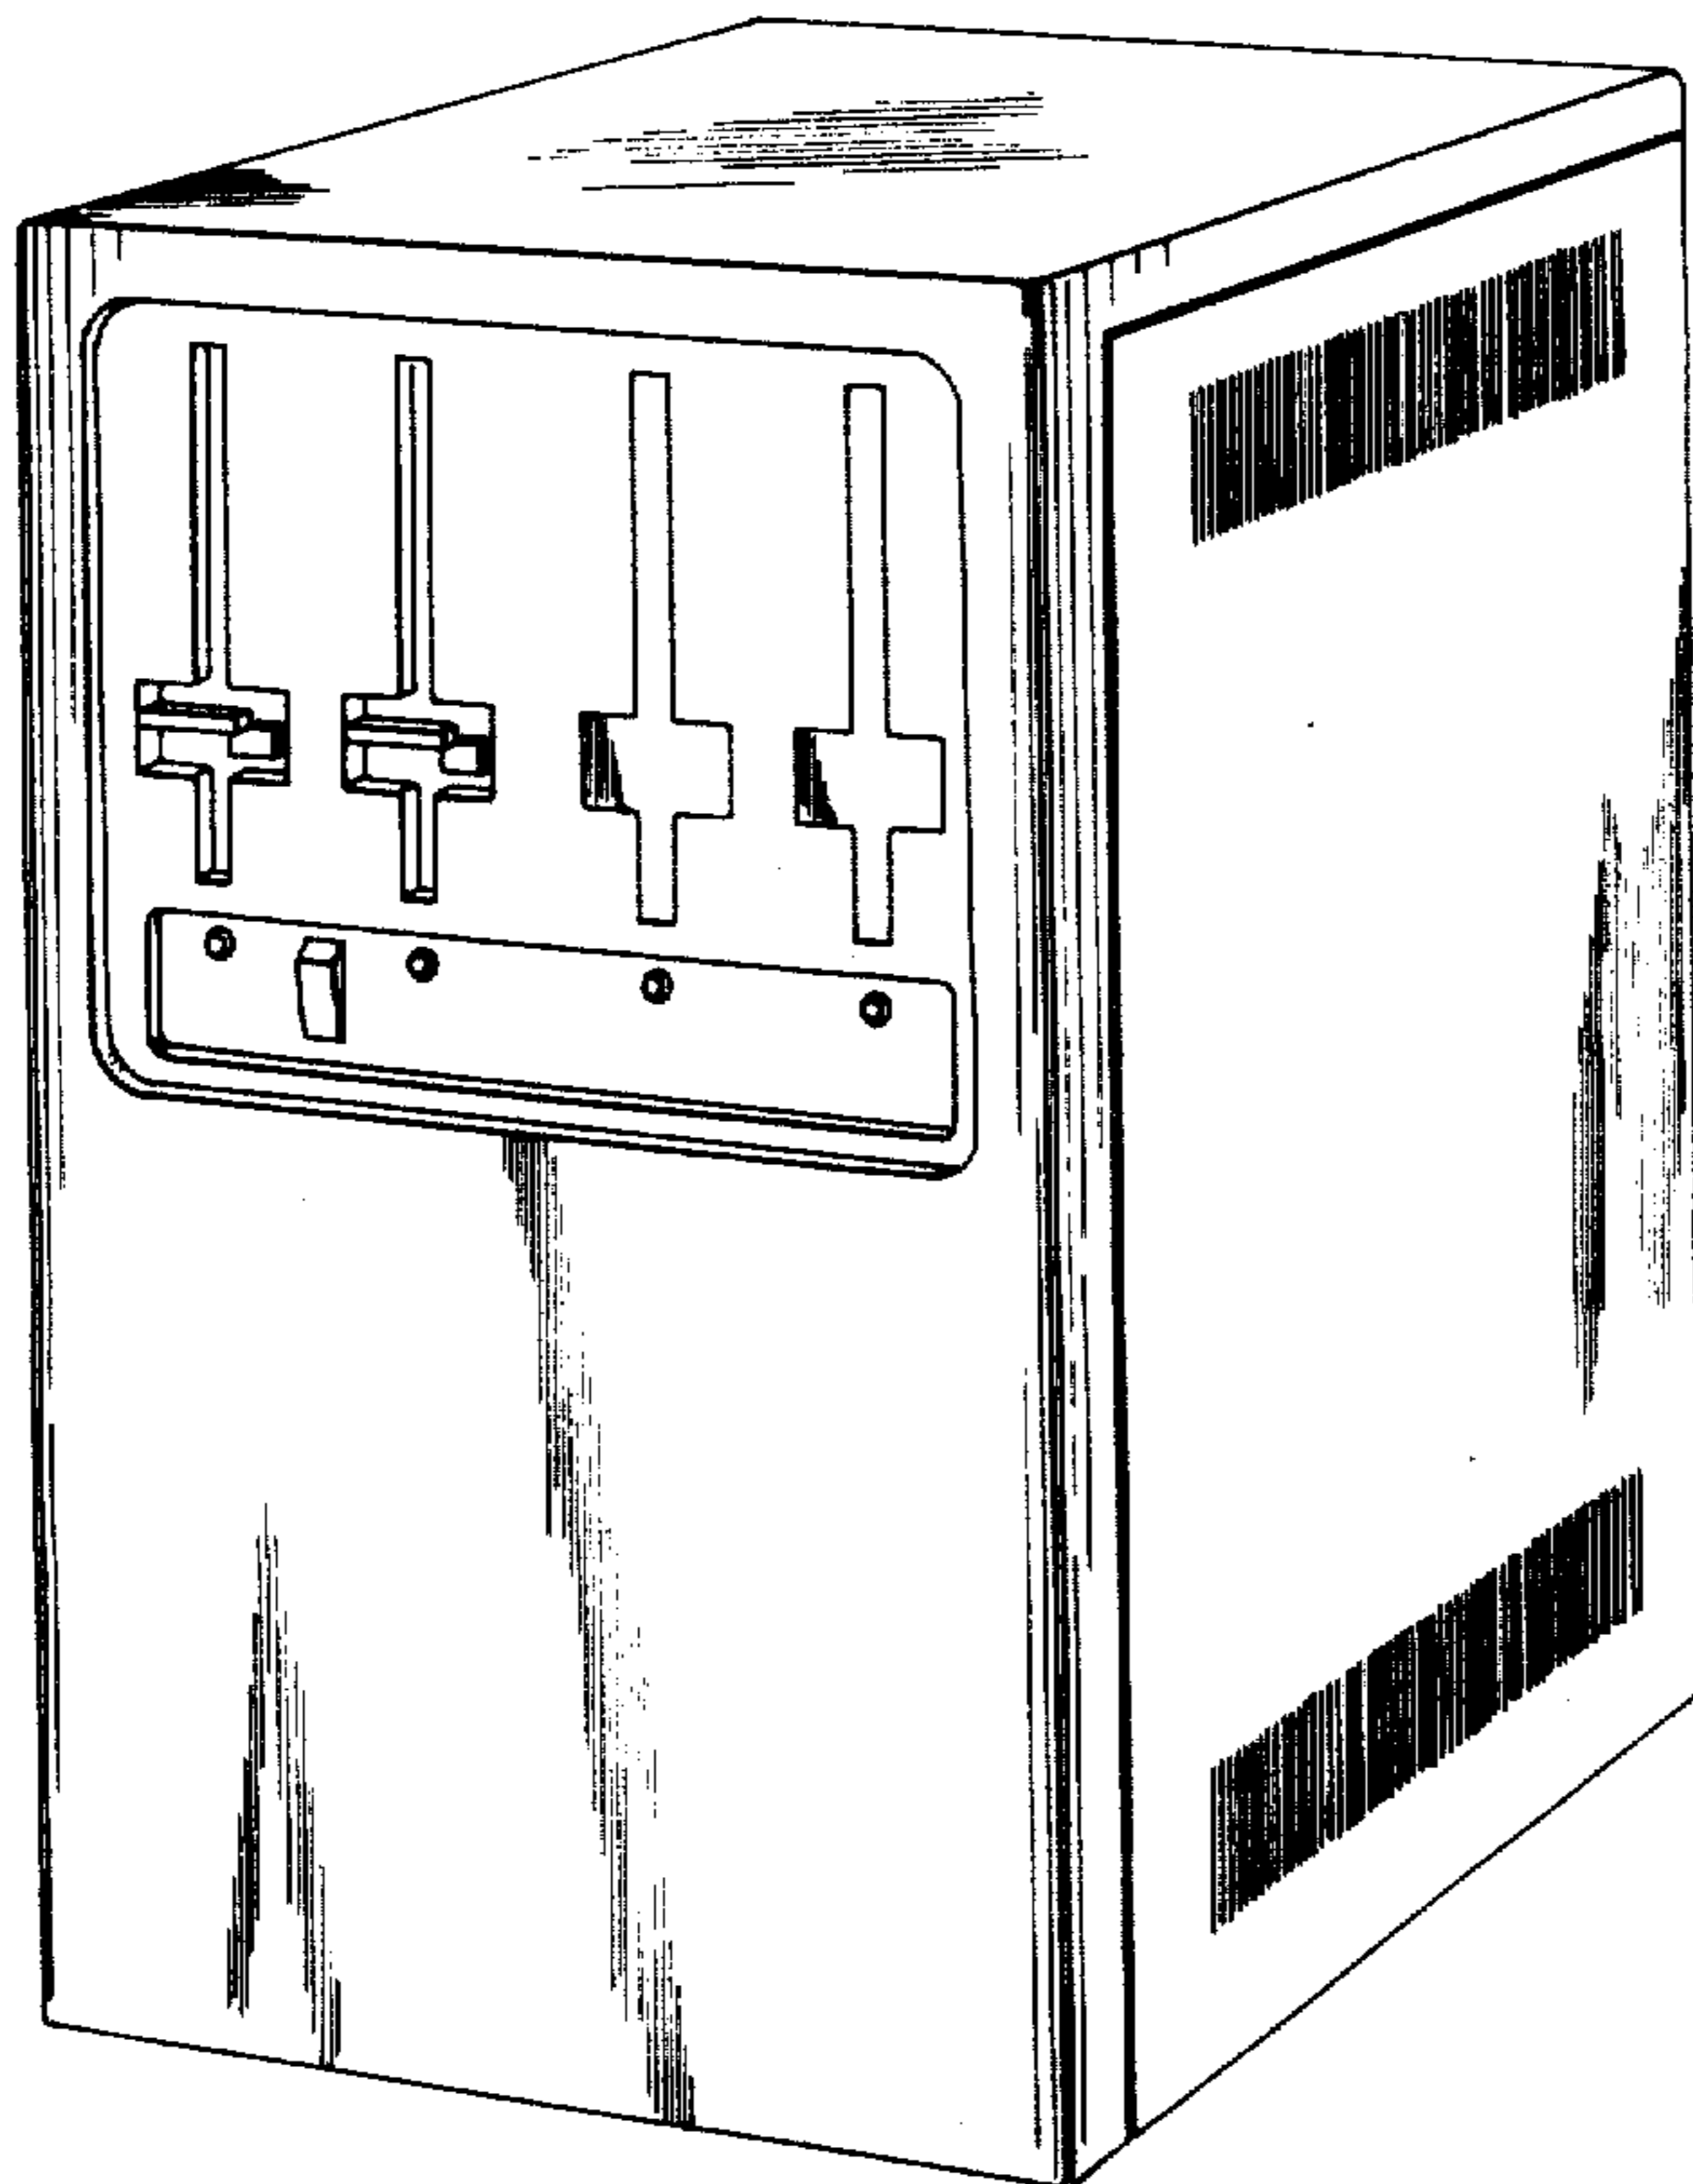

The ornamental design for a control unit for a distributed data system, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing the front, top and right side of a control unit for a distributed data system incorporating my new design.

FIG. 2 is a rear elevation of said control unit.

The left side of the control unit is identical to the right side which is shown in FIG. 1.

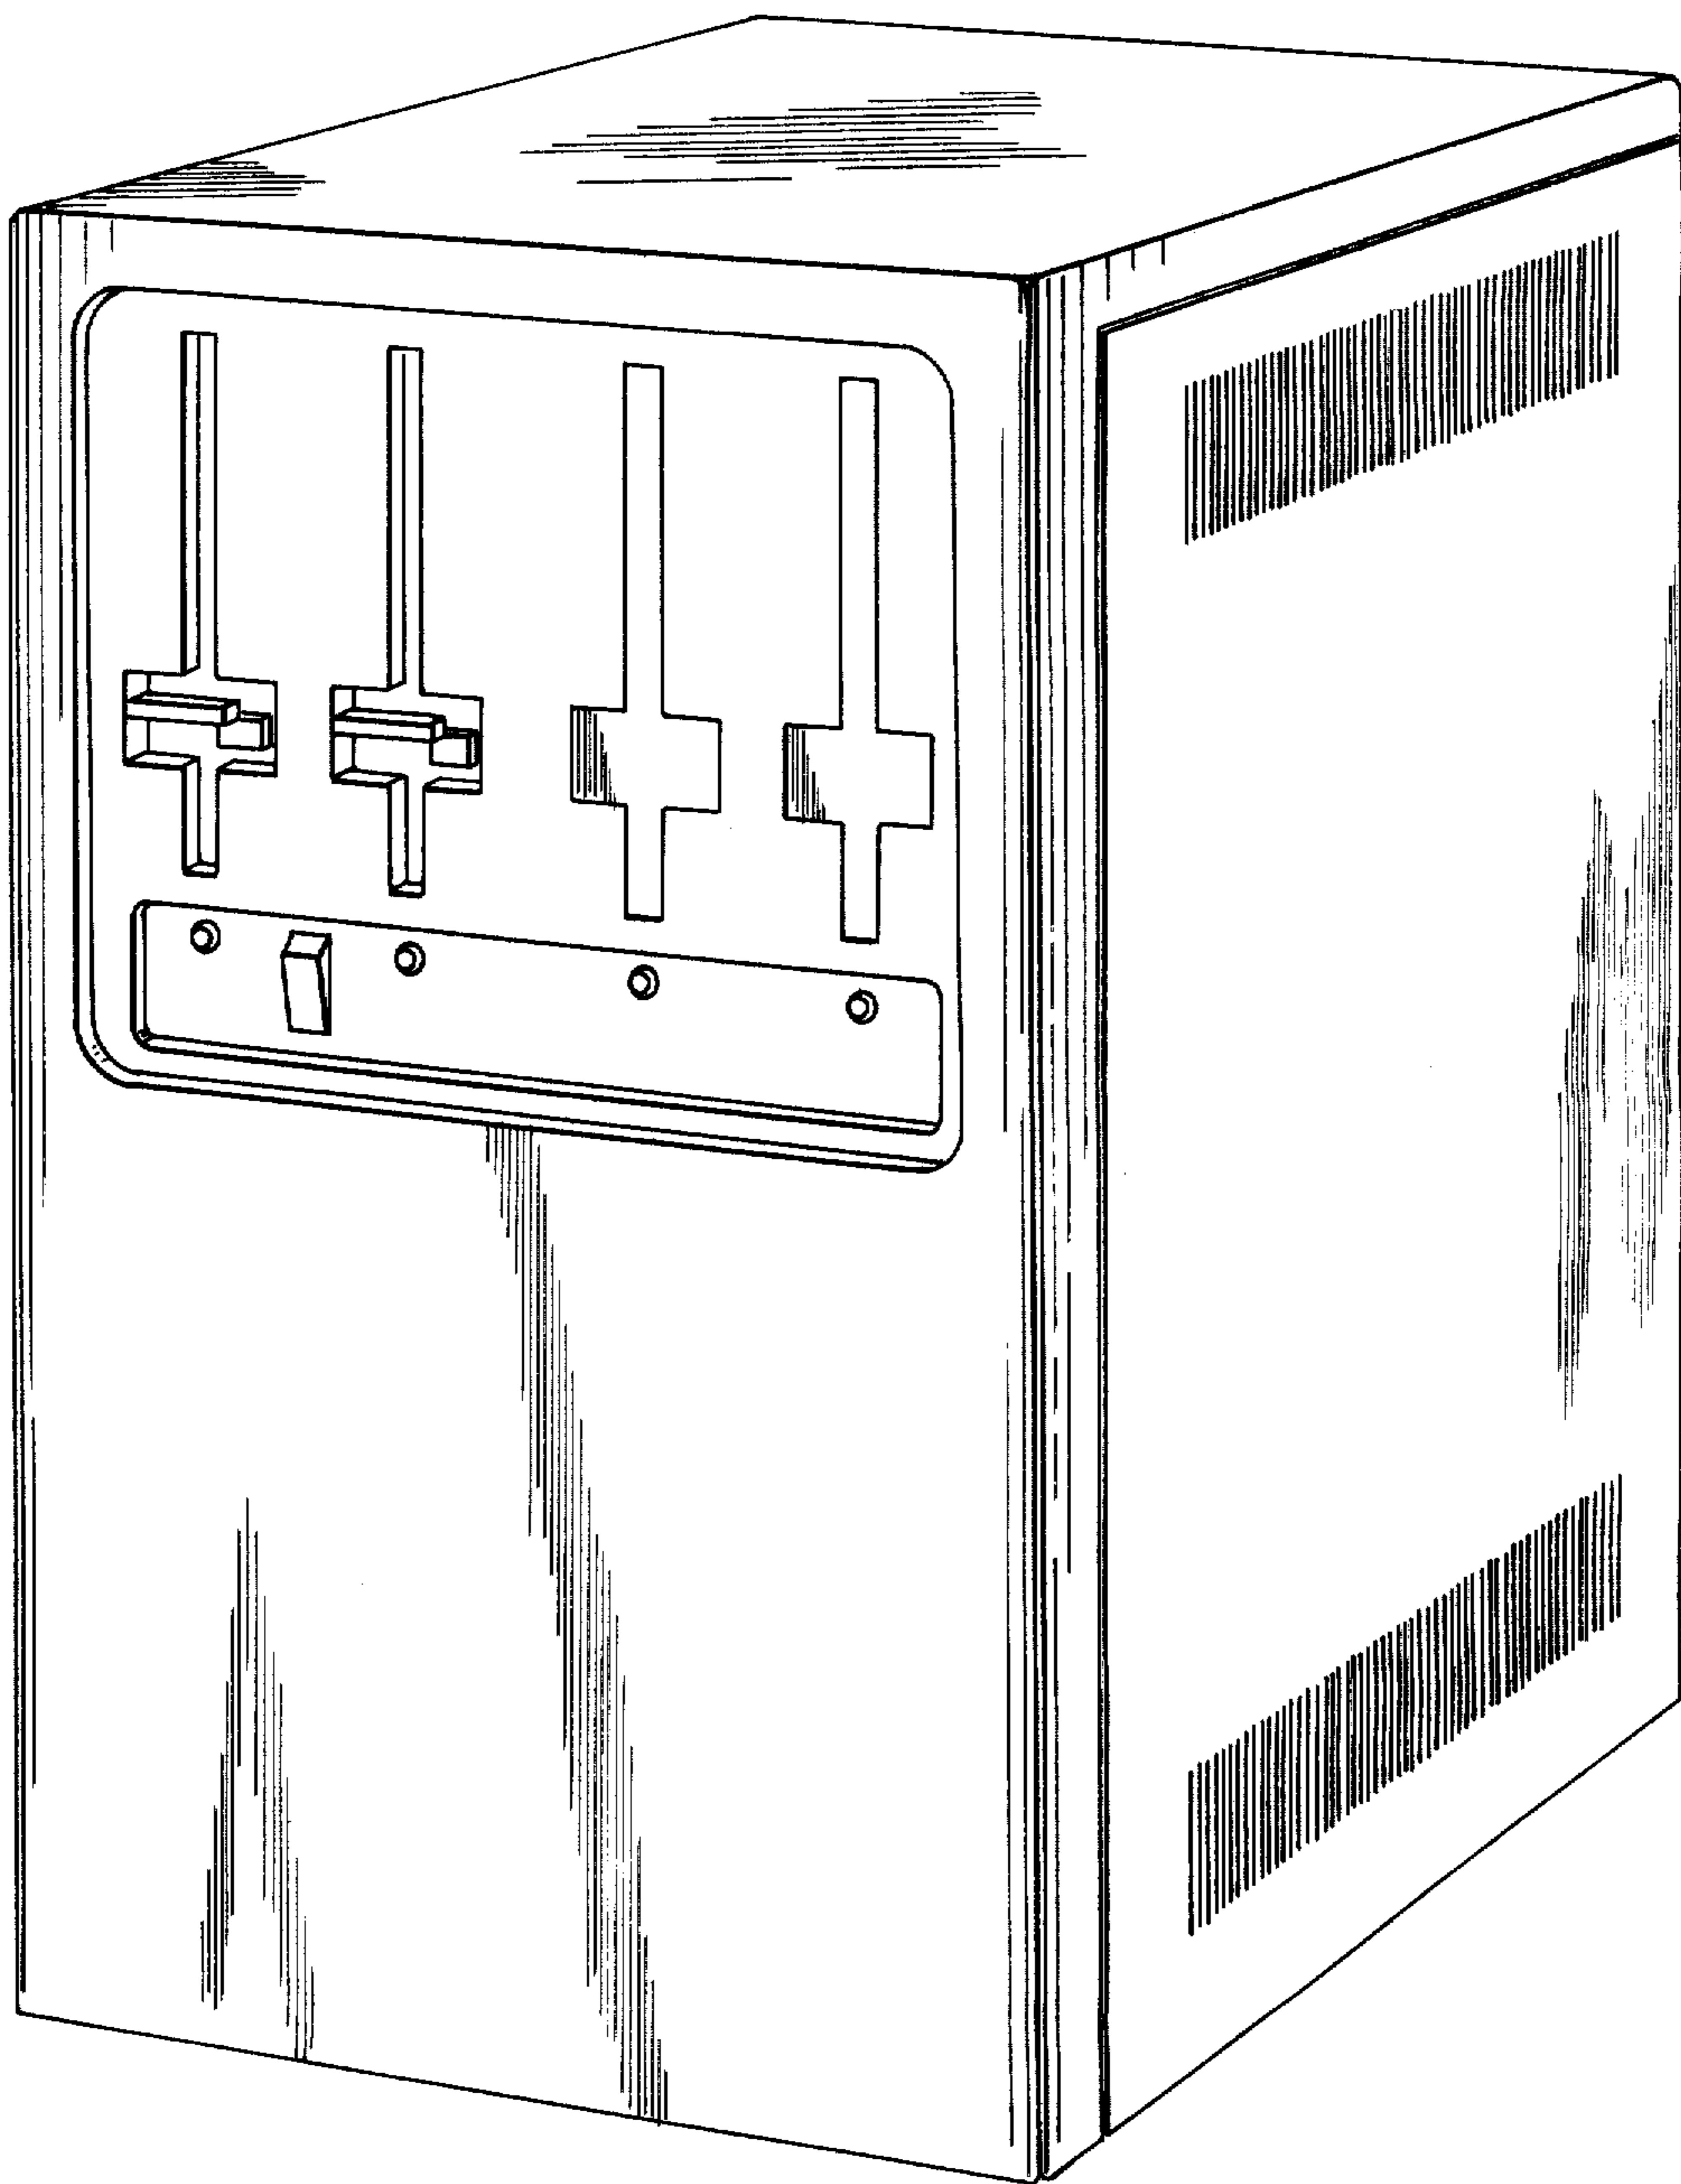

FIG. 1

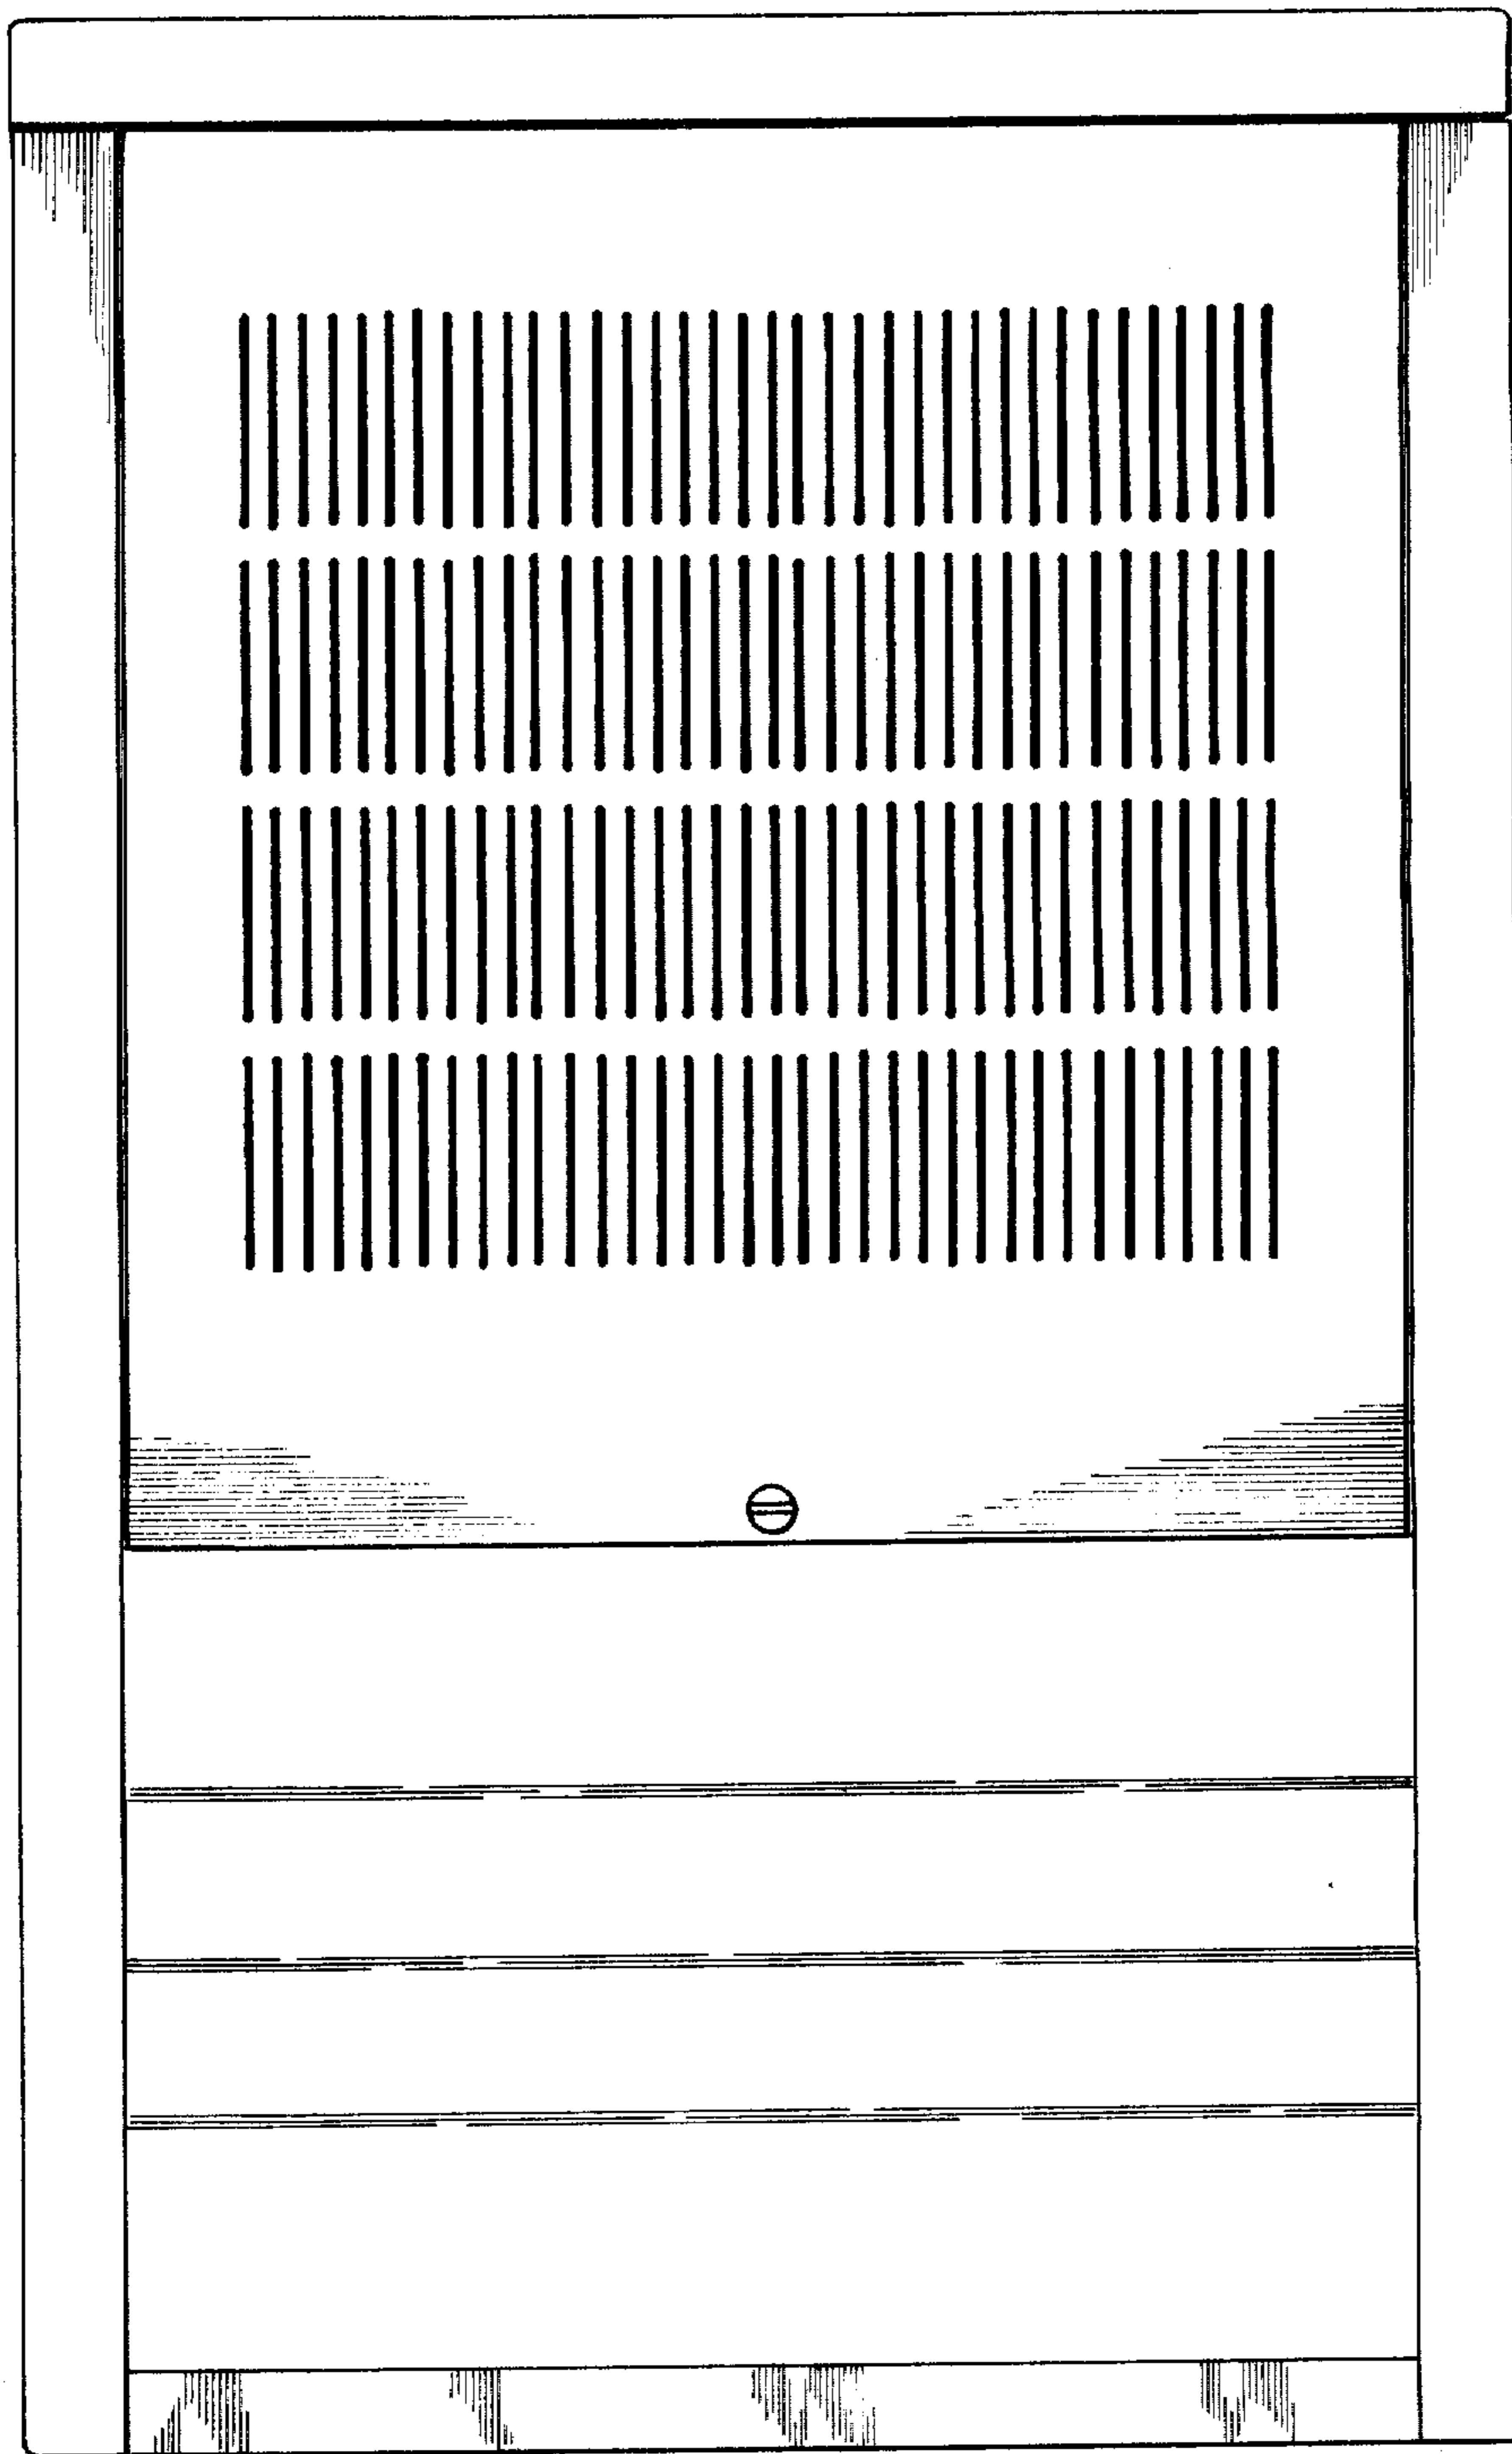

FIG. 2
