[57] CLAIM

The ornamental design for a self-contained magnetic backgammon board and game pieces, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing the top, side and end of the self-contained magnetic backgammon board and game pieces showing my new design; FIG. 2 is a bottom plan view thereof; FIG. 3 is a side elevation view thereof showing the side opposite the side shown in FIG. 1; FIG. 4 is an end elevation view thereof showing the end opposite the end shown in FIG. 1. The game pieces contained within the game board are shown in a typical arrangement.
