[57] CLAIM

The ornamental design for a collapsible perambulator frame, as shown and described.

DESCRIPTION

FIG. 1 is a rear perspective view of a collapsible perambulator frame showing my new design;
FIG. 2 is a side perspective view thereof the opposite side being a mirror image of that shown; and
FIG. 3 is a side perspective view thereof in collapsed condition with portions of the handle and front wheels broken away for convenience of illustration.

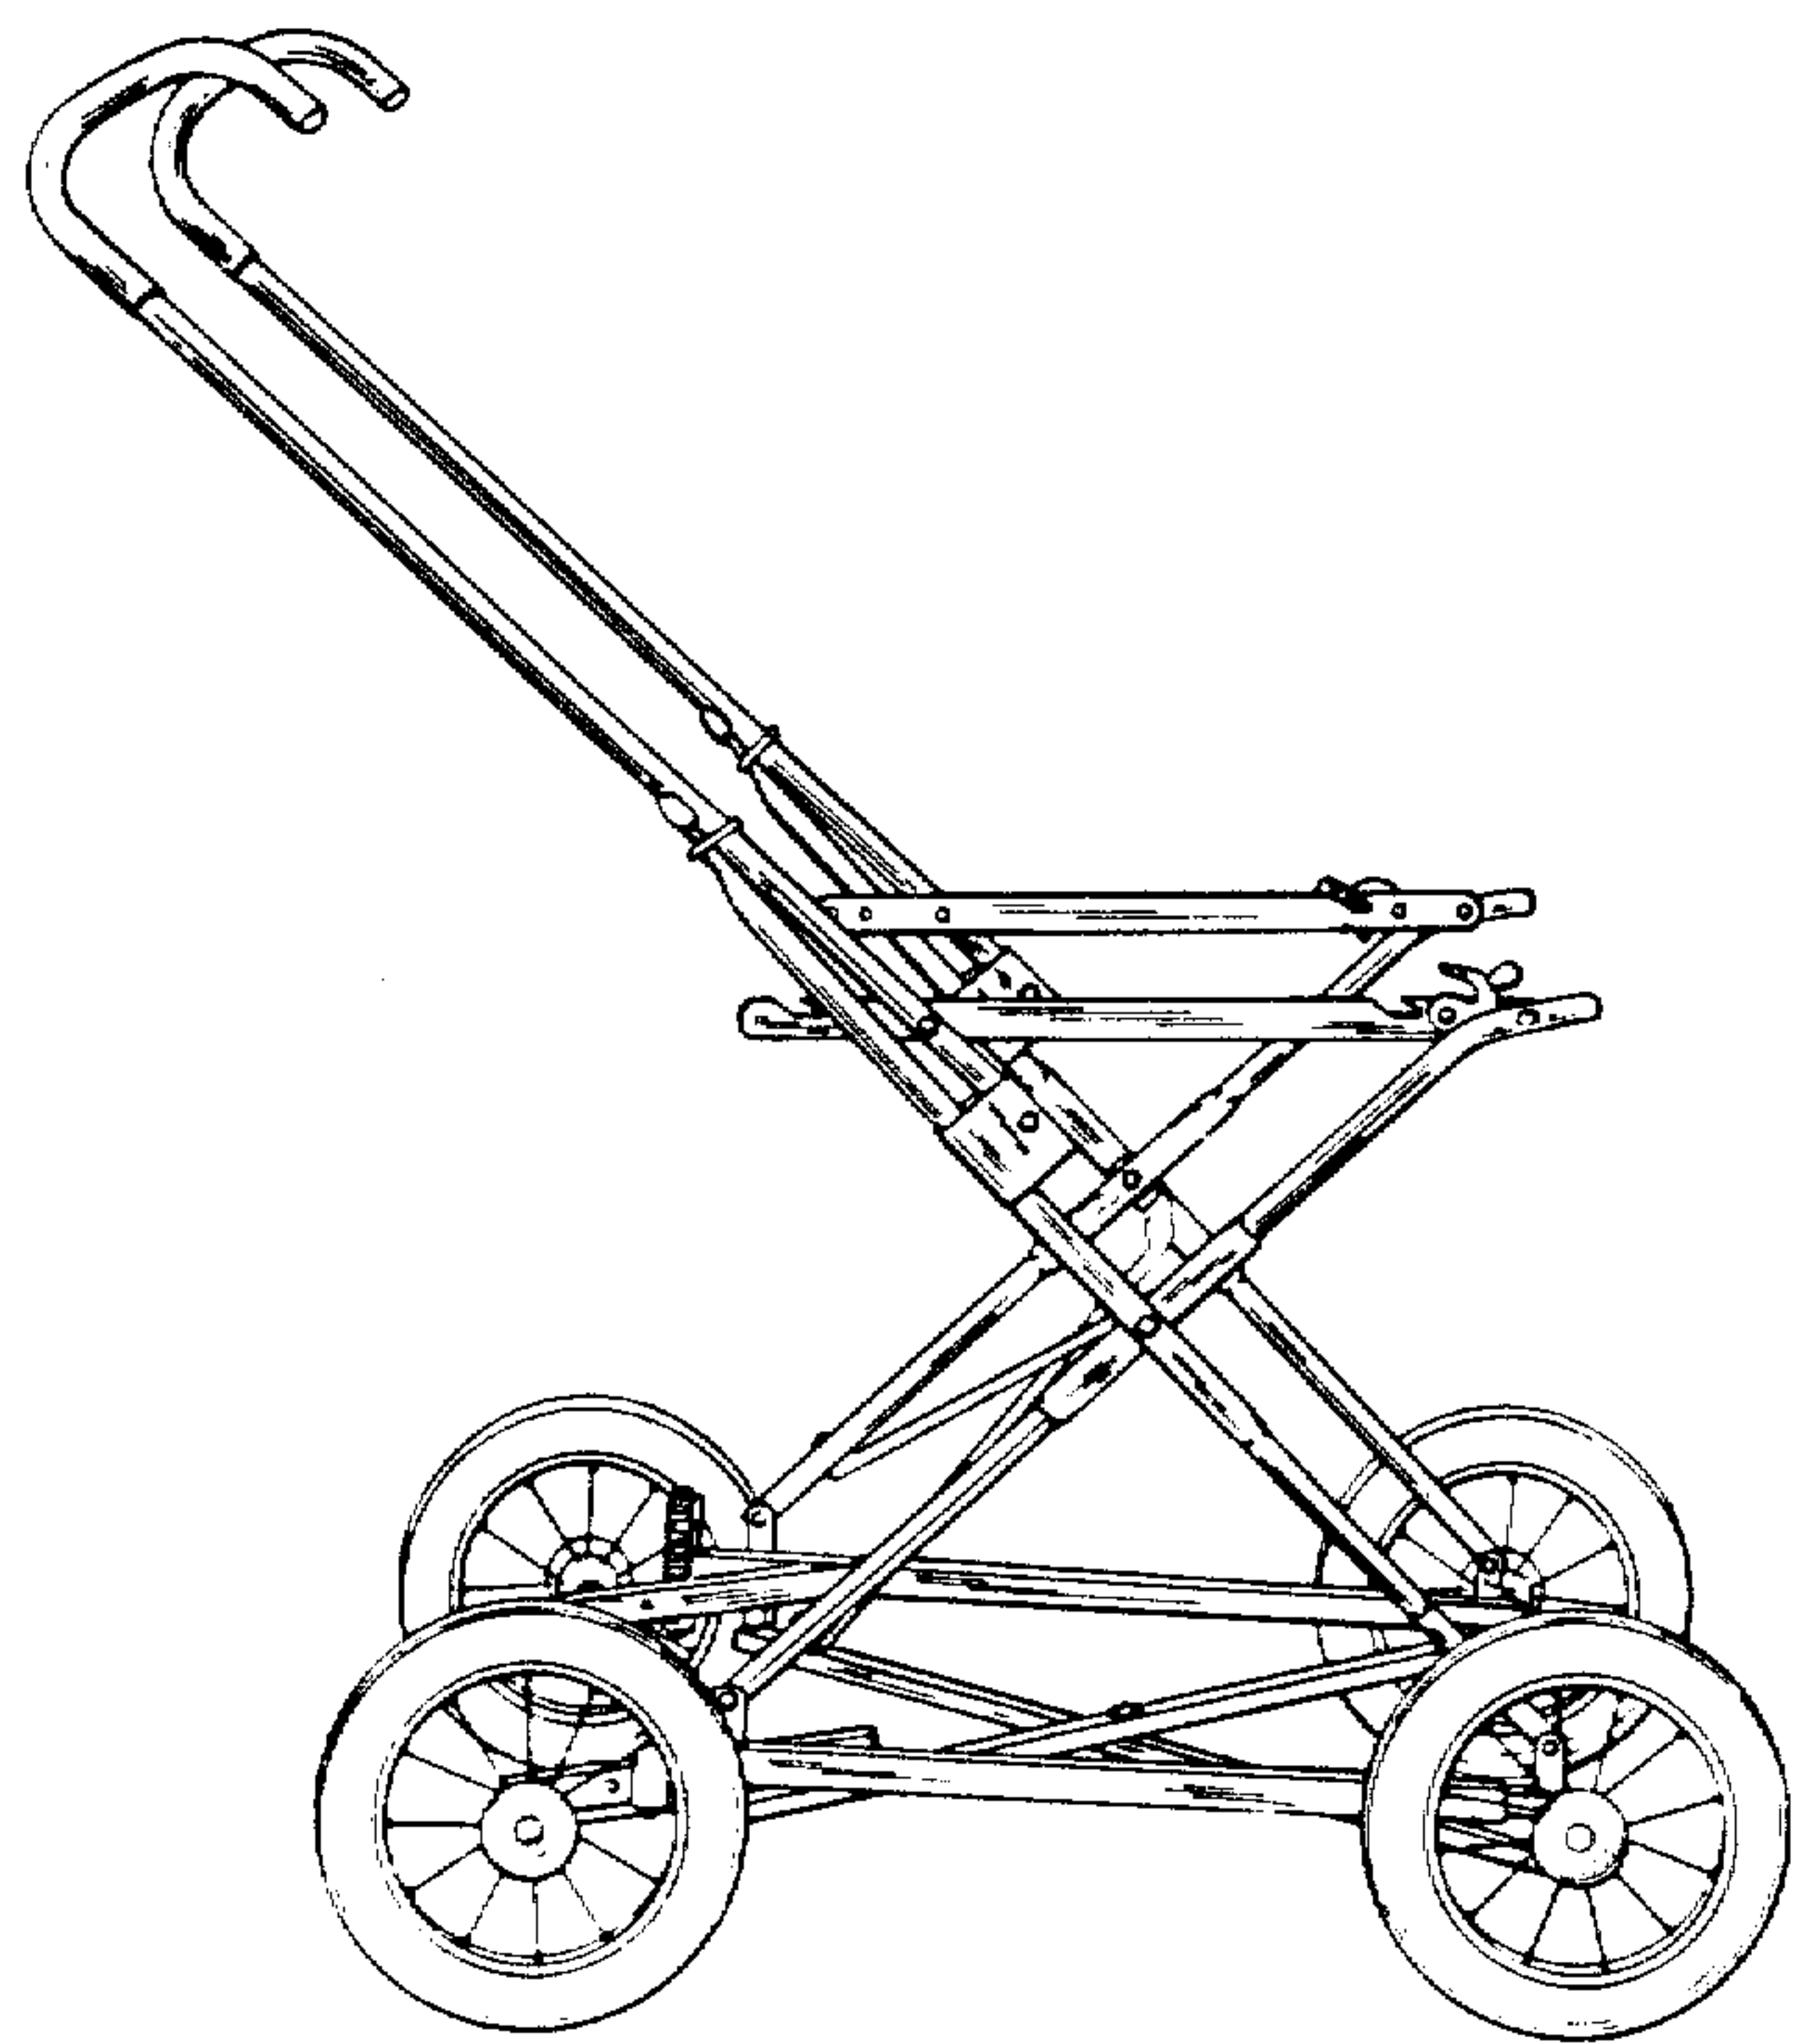

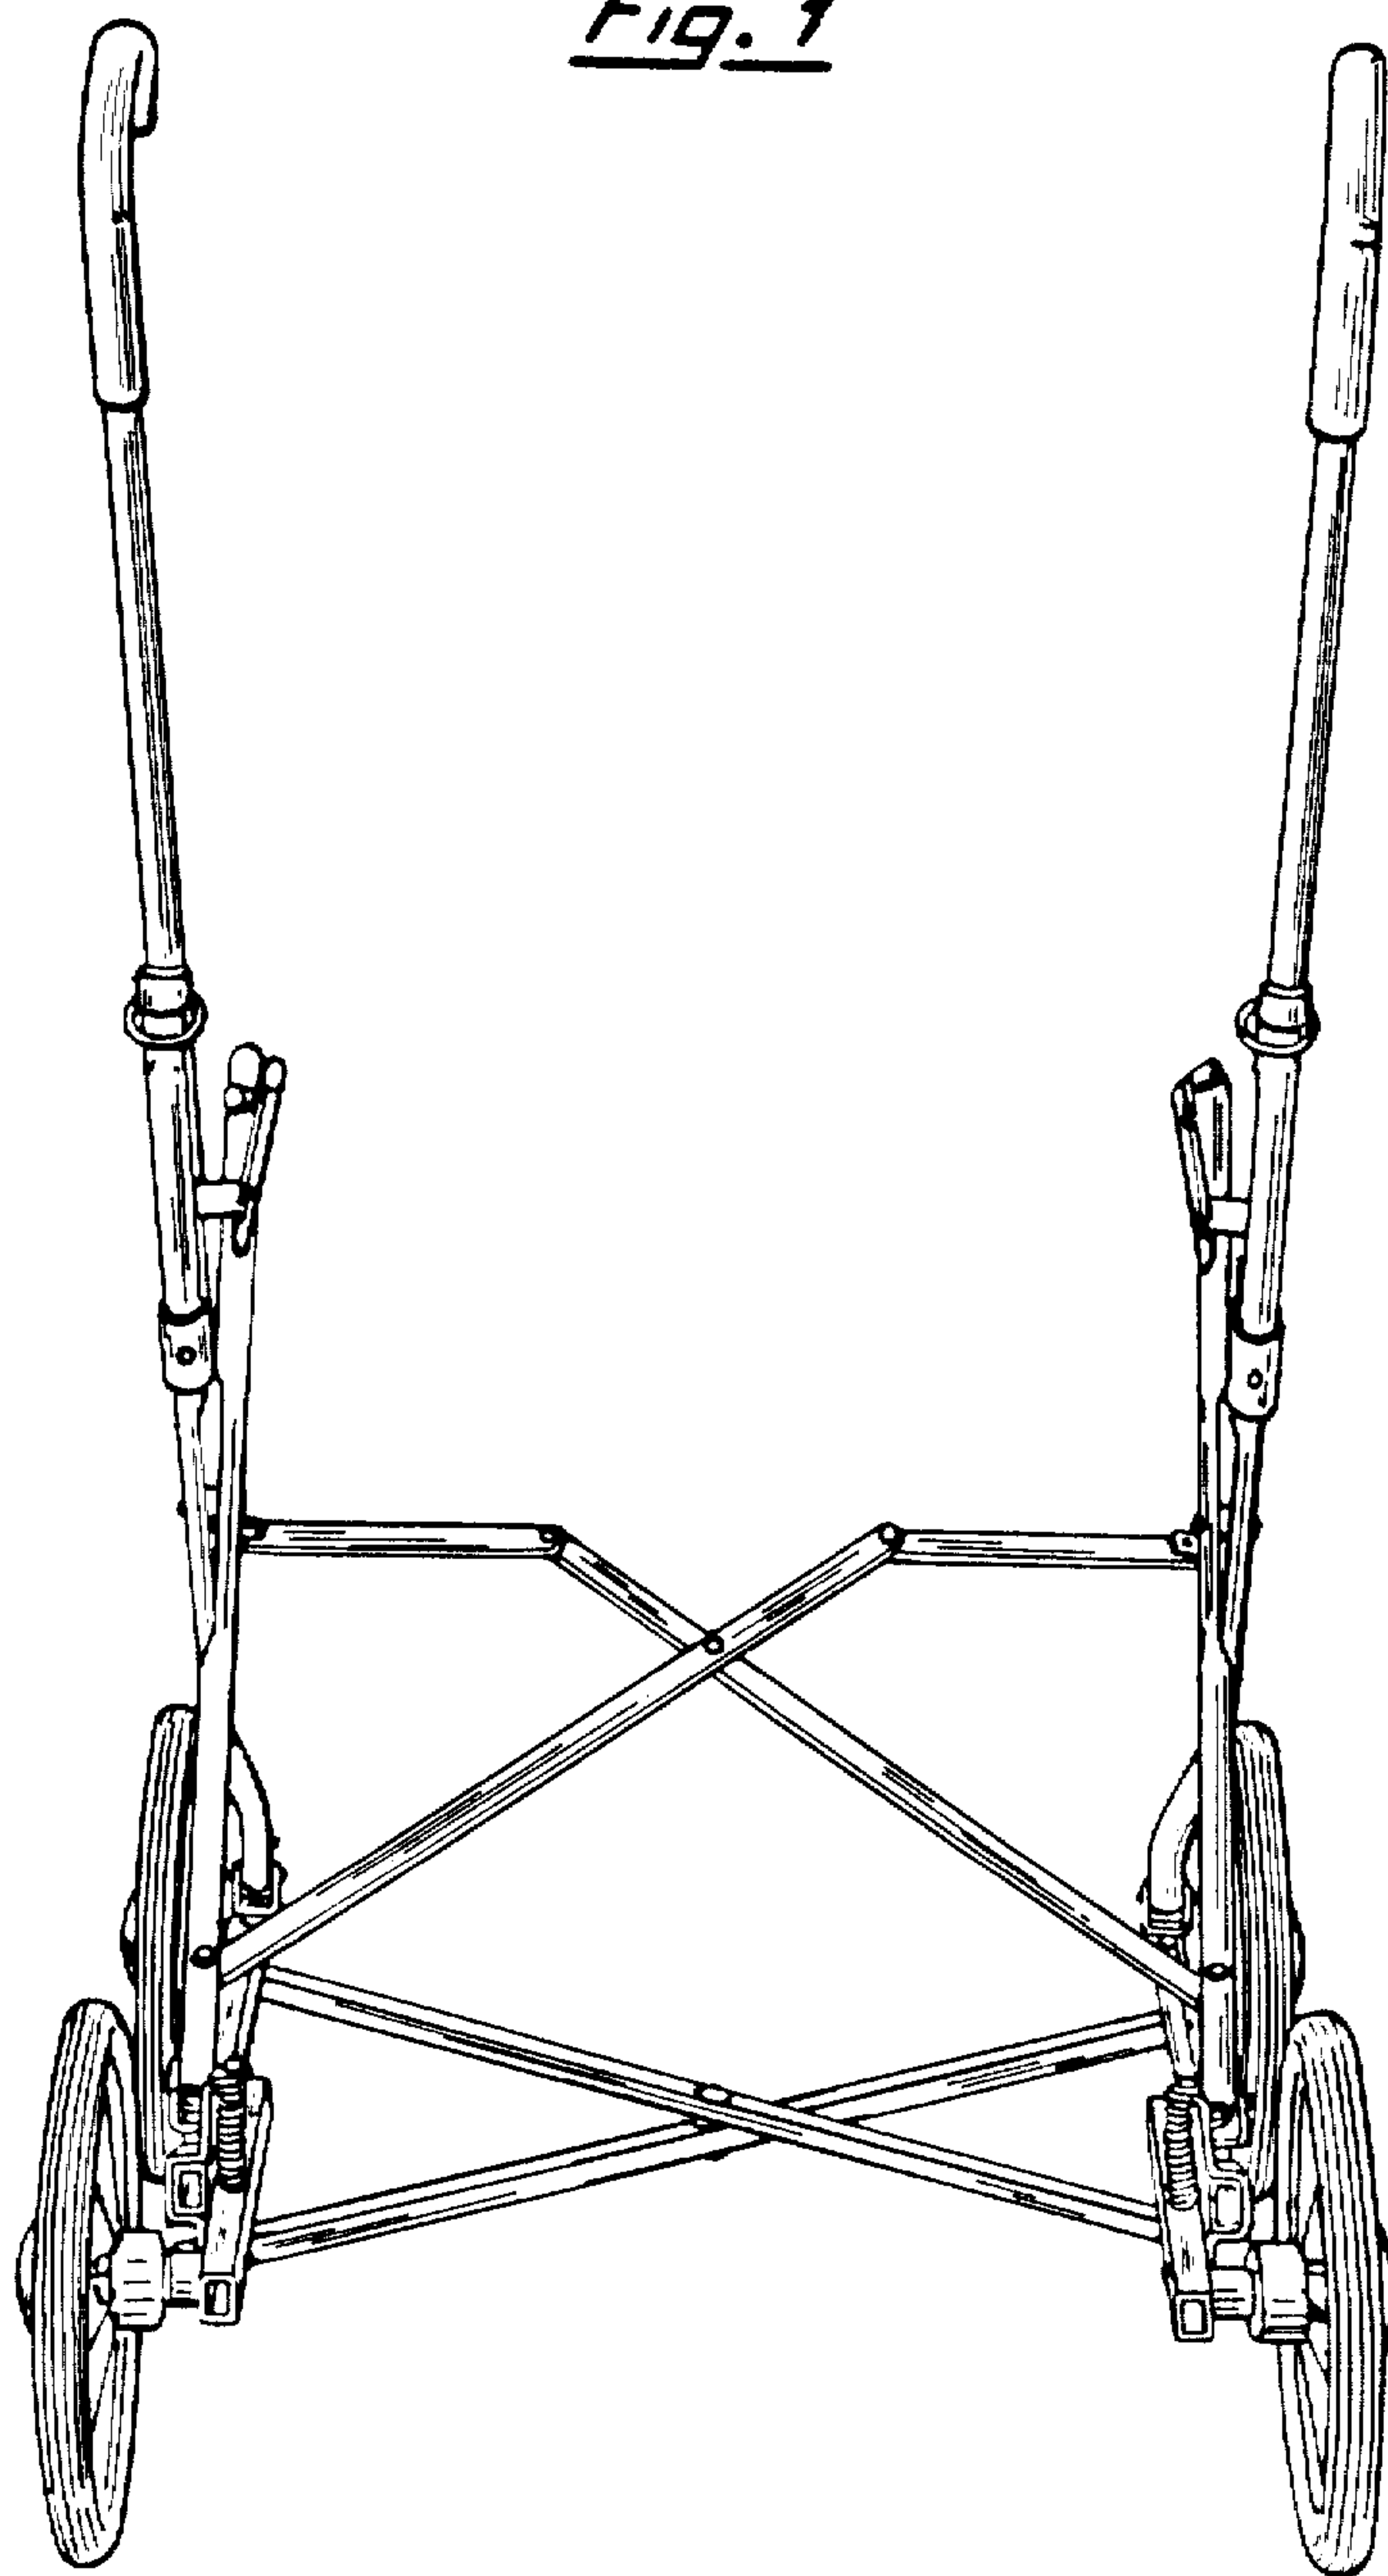

Fig. 1
