[57] CLAIM

The ornamental design for a console for keyboard and display screen, substantially as shown.

DESCRIPTION

FIG. 1 is a perspective view of my console for keyboard and display screen in an open, keyboard operative position.

FIG. 2 is a plan view of my console for keyboard and display screen in a closed, keyboard stored position.

FIG. 3 is a rear elevational view of my console for keyboard and display screen.

FIG. 4 is a bottom view of my console for keyboard and display screen in a closed, keyboard stored position.

FIG. 5 is a side elevational view of my console for keyboard and display screen in a closed, keyboard stored position, the opposite side being a mirror image thereof.

FIG. 6 is a front elevational view of my console for keyboard and display screen.
