[57] CLAIM

The ornamental design for a billfold, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a billfold showing my new design, in the closed position;
FIG. 2 is a plan view of the inside of the billfold in unfolded position;
FIG. 3 is an edge elevational view thereof, in unfolded position as in FIG. 2;
FIG. 4 is an edge elevational view thereof, in partially unfolded position; and
FIG. 5 is a rear elevational view, in the closed position.
