Attorney, Agent, or Firm—Stevens, Davis, Miller & Mosher

[57] CLAIM

The ornamental design for a tire, as shown and de- scribed.

DESCRIPTION

FIG. 1 is a perspective view of a tire showing our new design, it being understood that the tread design is re- peated throughout the circumference of the tire as shown schematically by solid lines, the opposite side being substantially the same as that shown; FIG. 2 is a side elevational view thereof; and FIG. 3 is a plan view thereof.
