CLAIM

The ornamental design for a portable radiant electric heater, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a portable radiant electric heater showing our new design; FIG. 2 is a front elevational view of the portable radiant electric heater on an enlarged scale; FIG. 3 is a top plan view thereof; FIG. 4 is a side elevational view of the portable radiant electric heater, the opposite side not shown being a mirror image thereof; and FIG. 5 is a rear elevational view thereof. The bottom surface of the portable radiant electric heater is flat and unornamented.

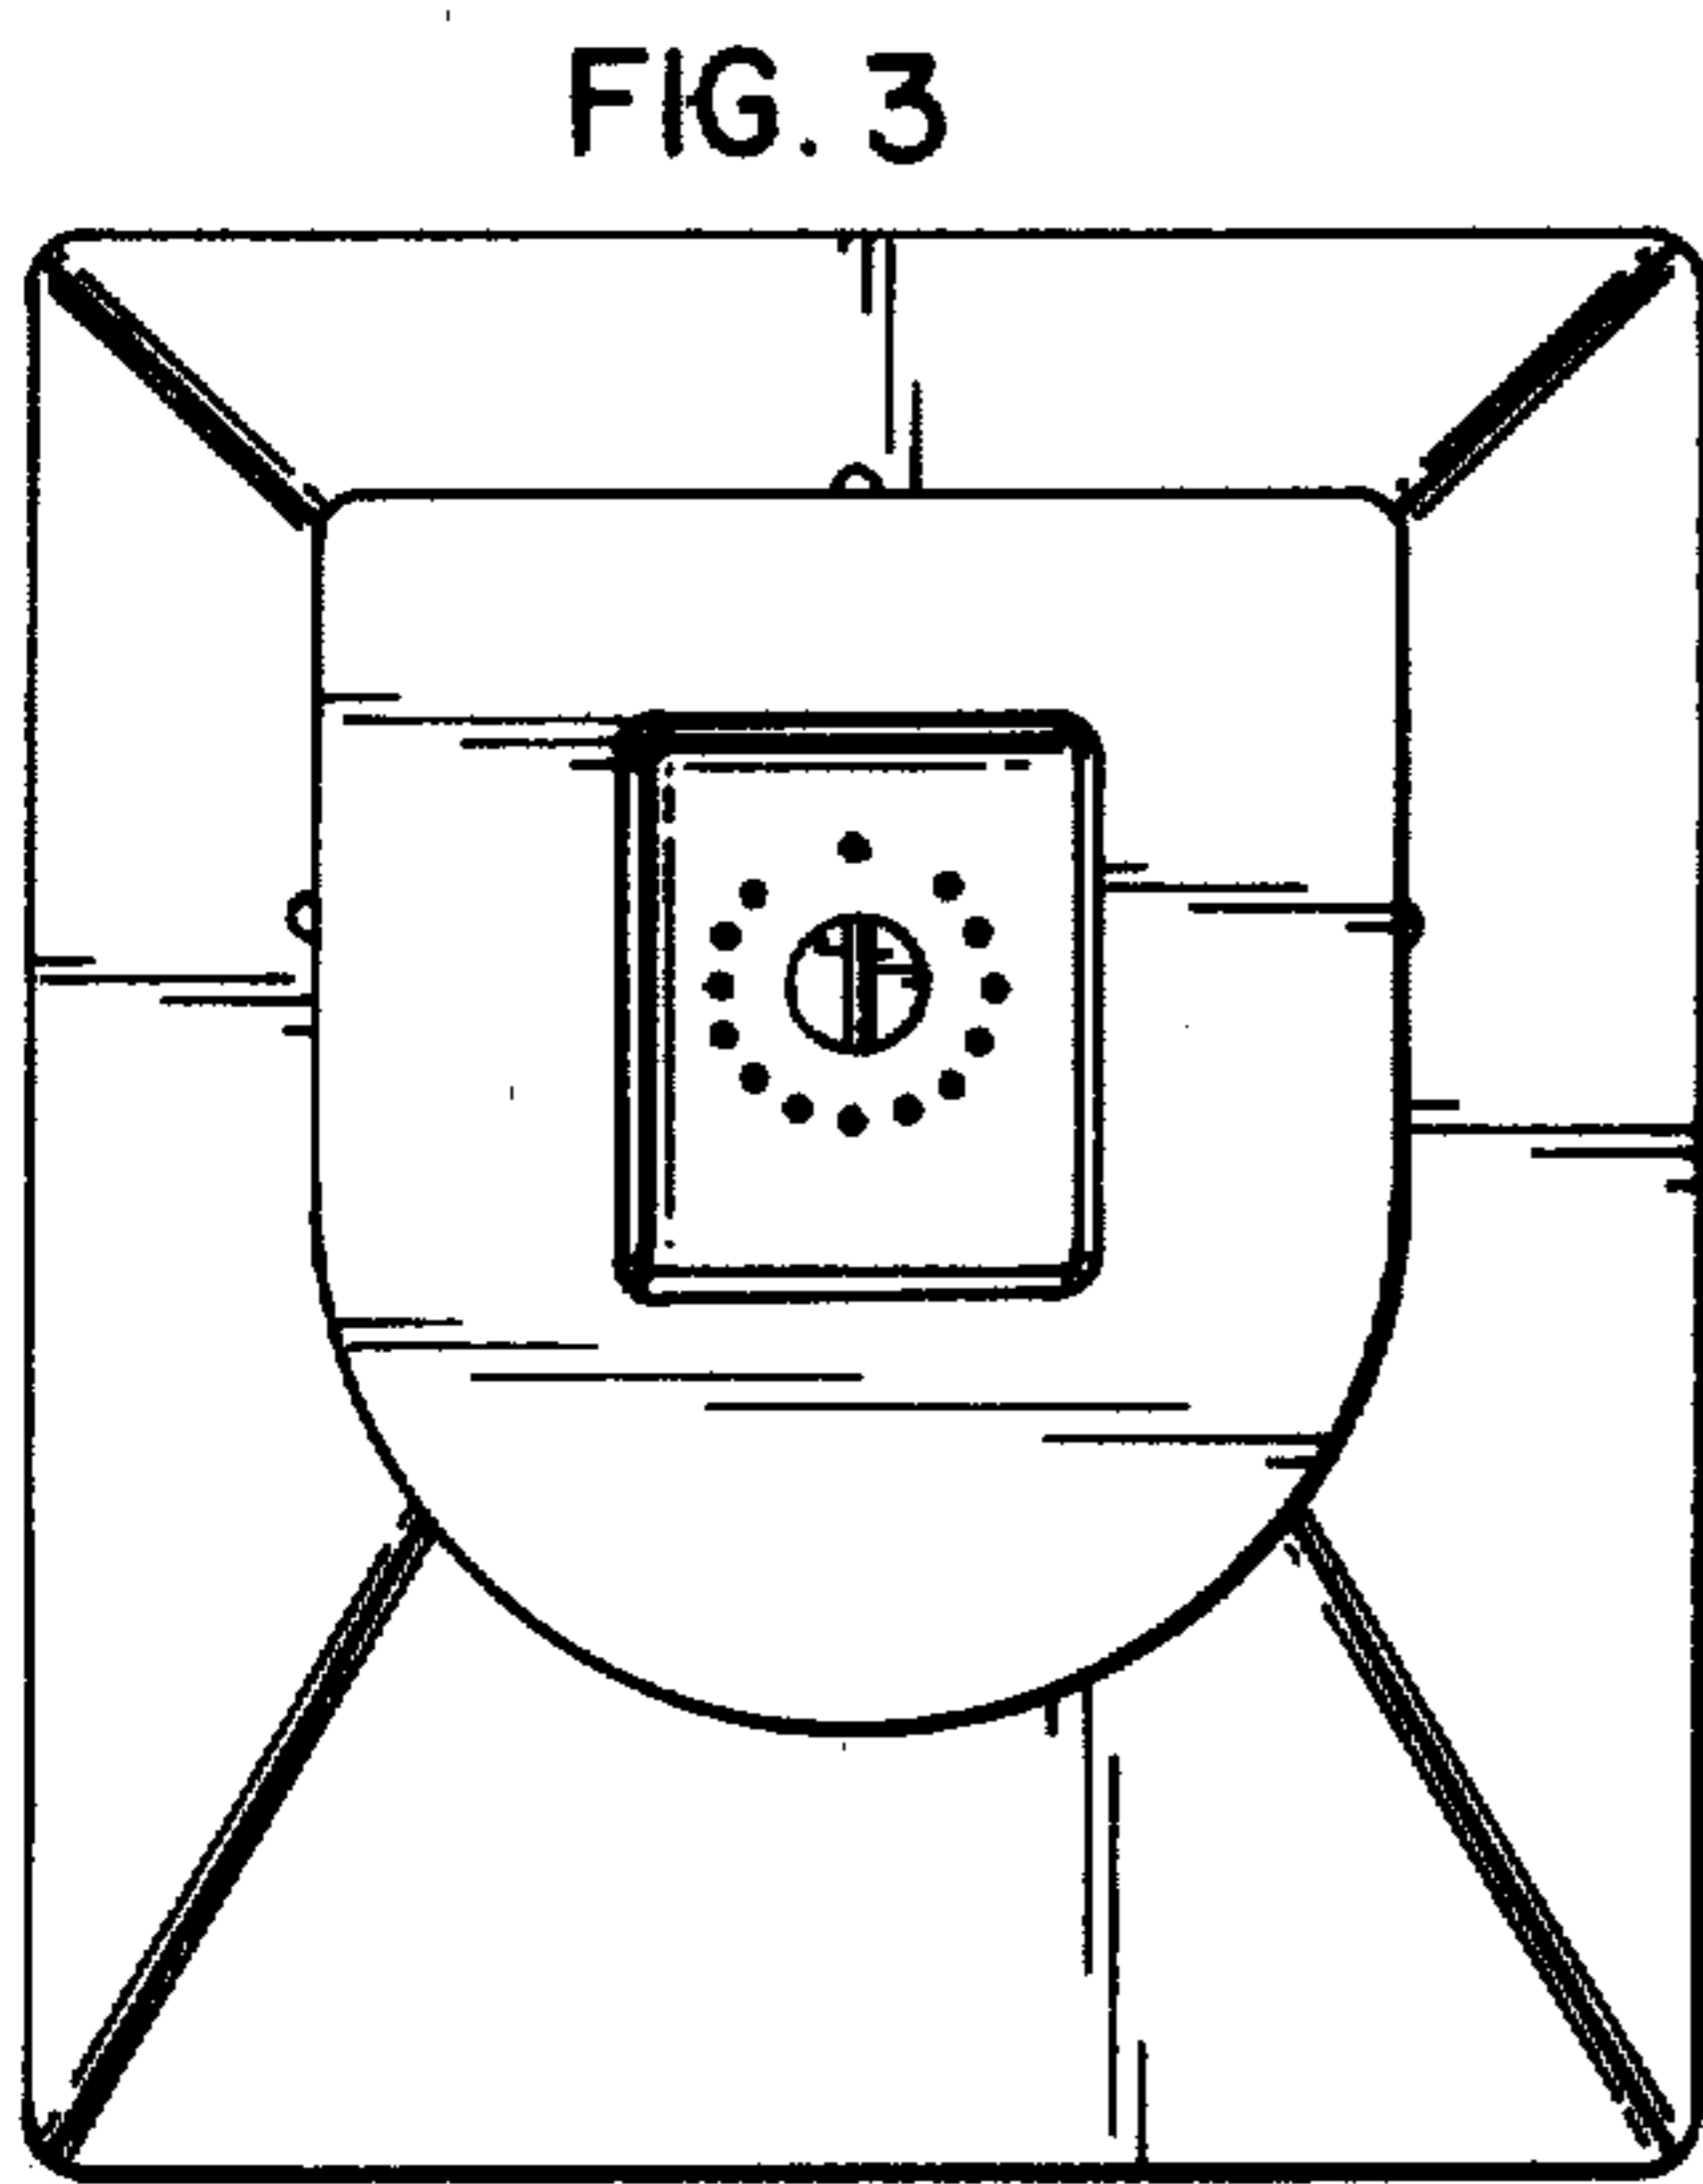

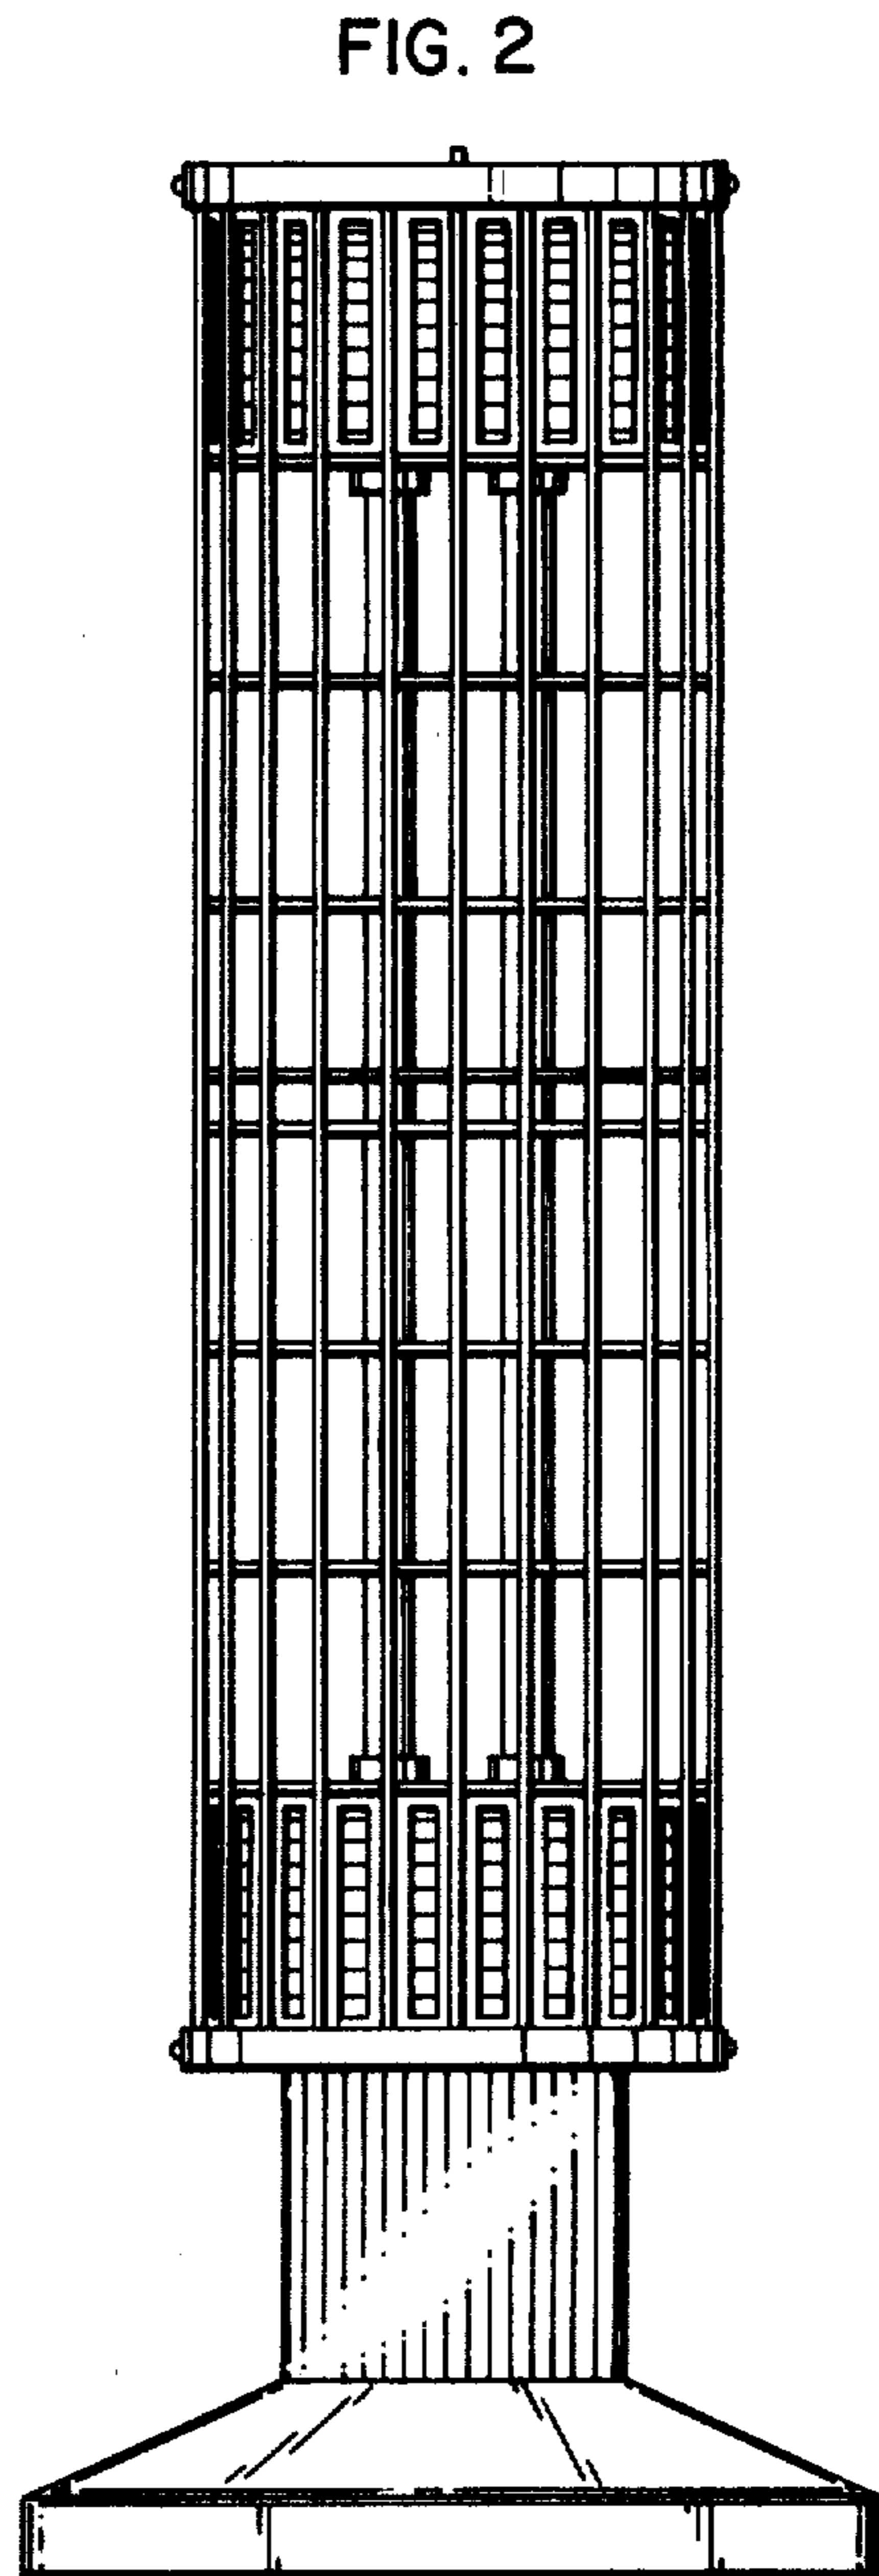

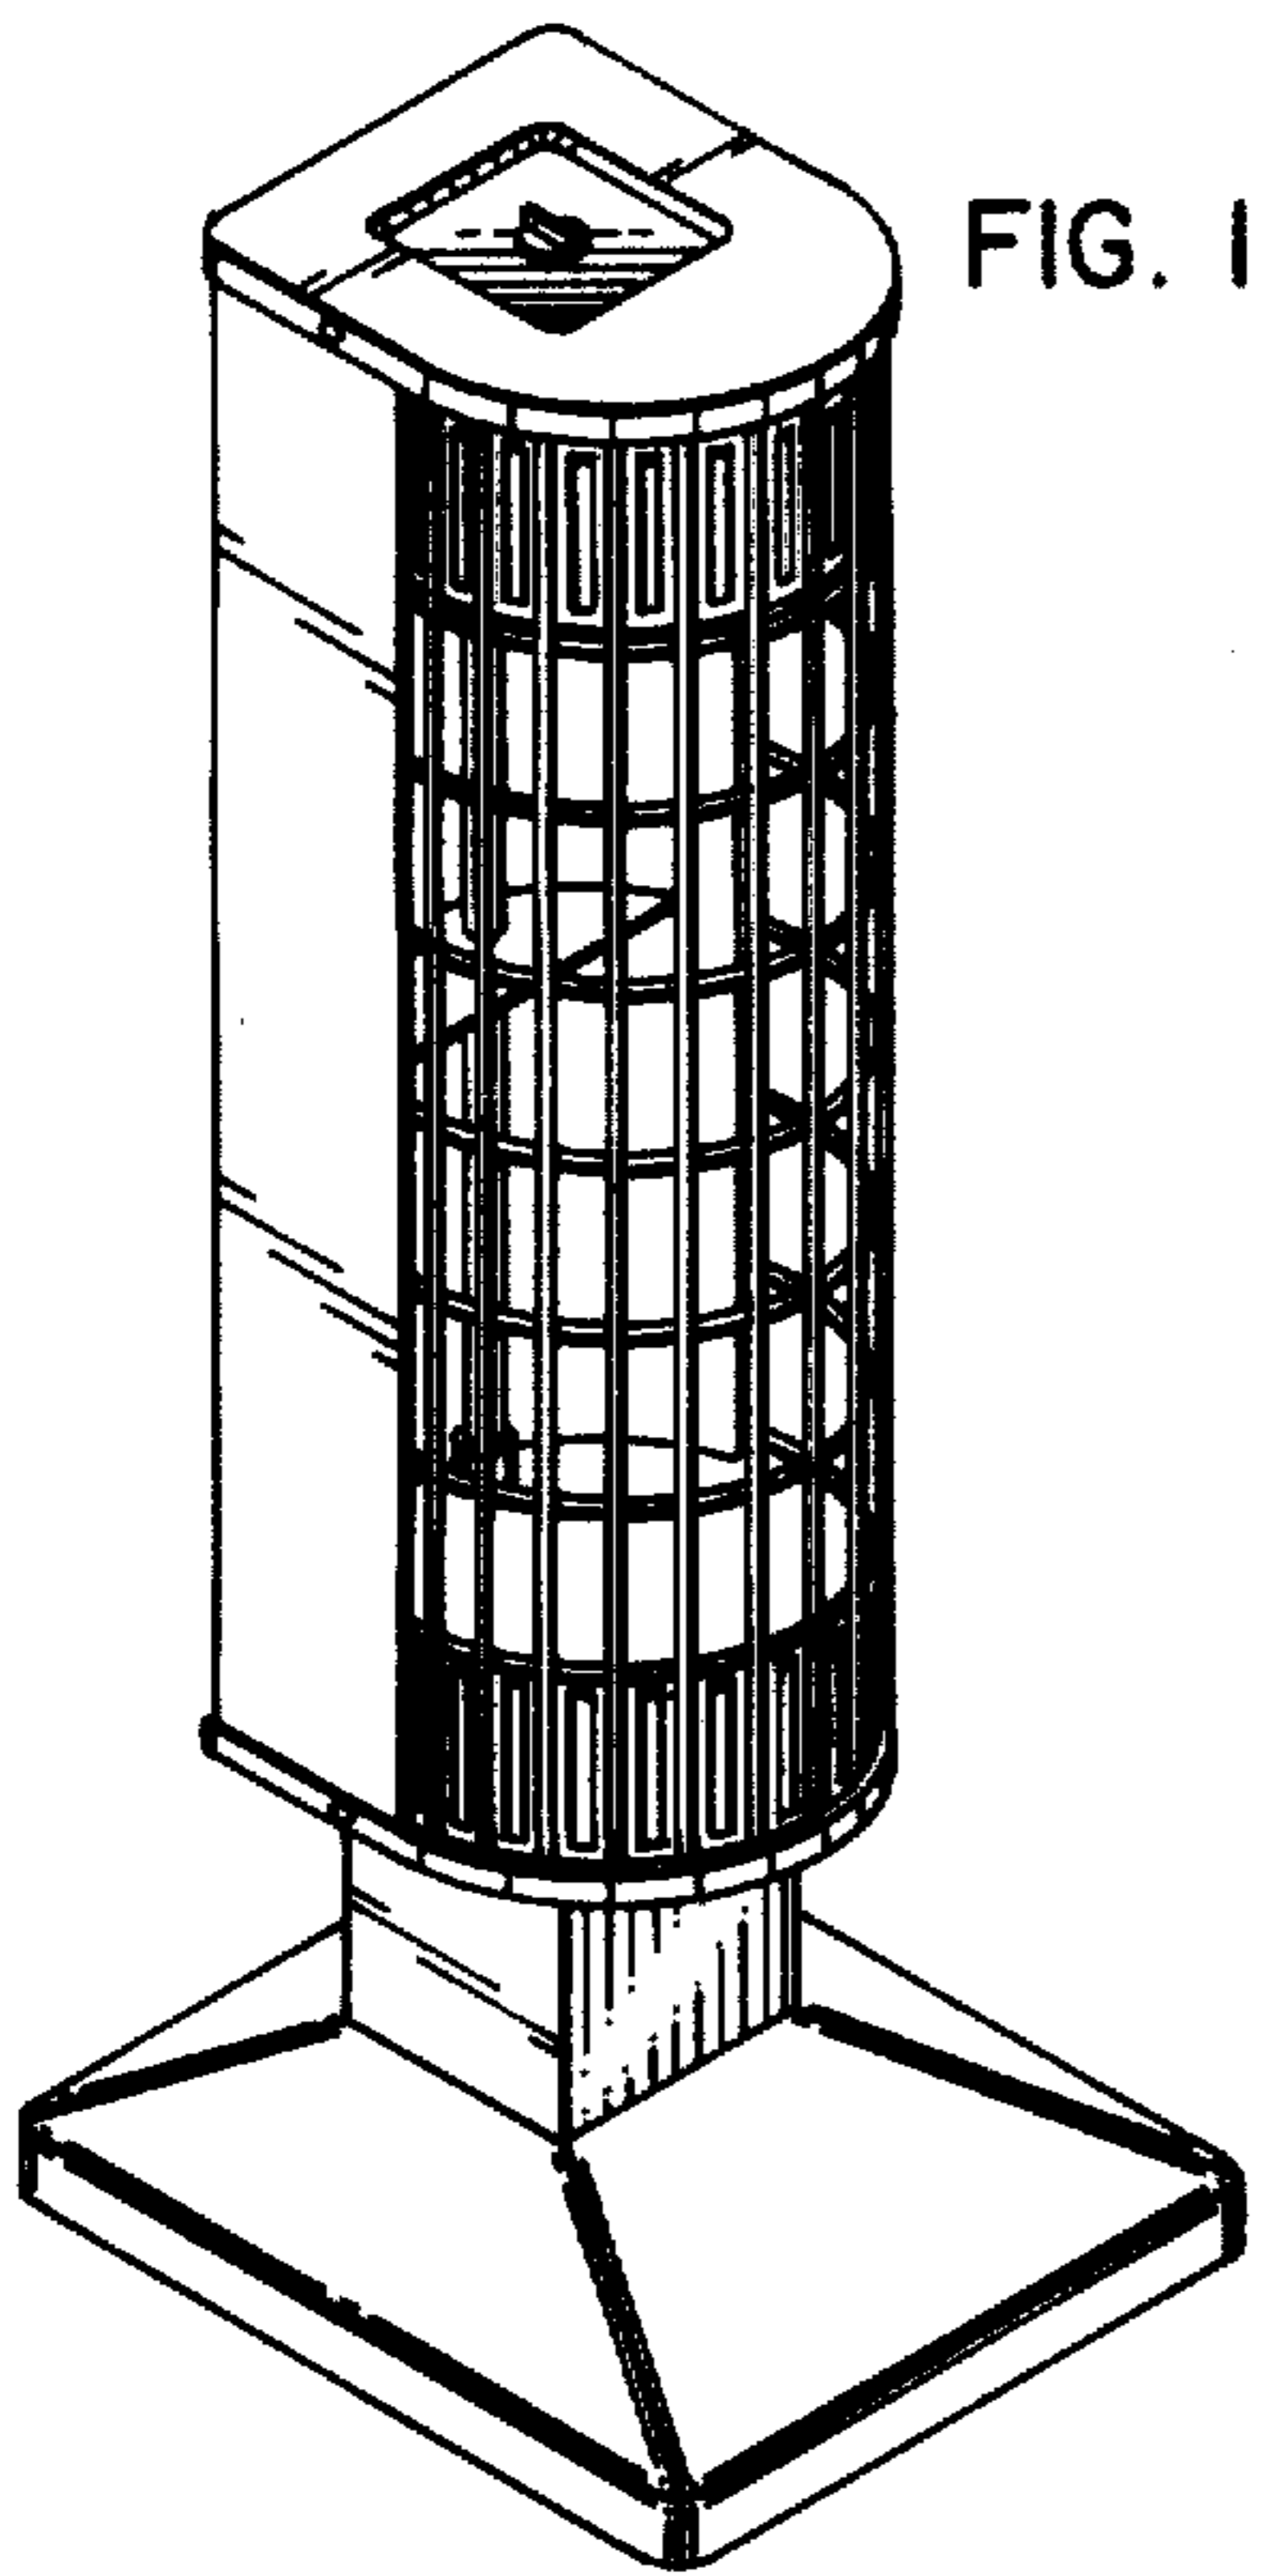

FIG. 4

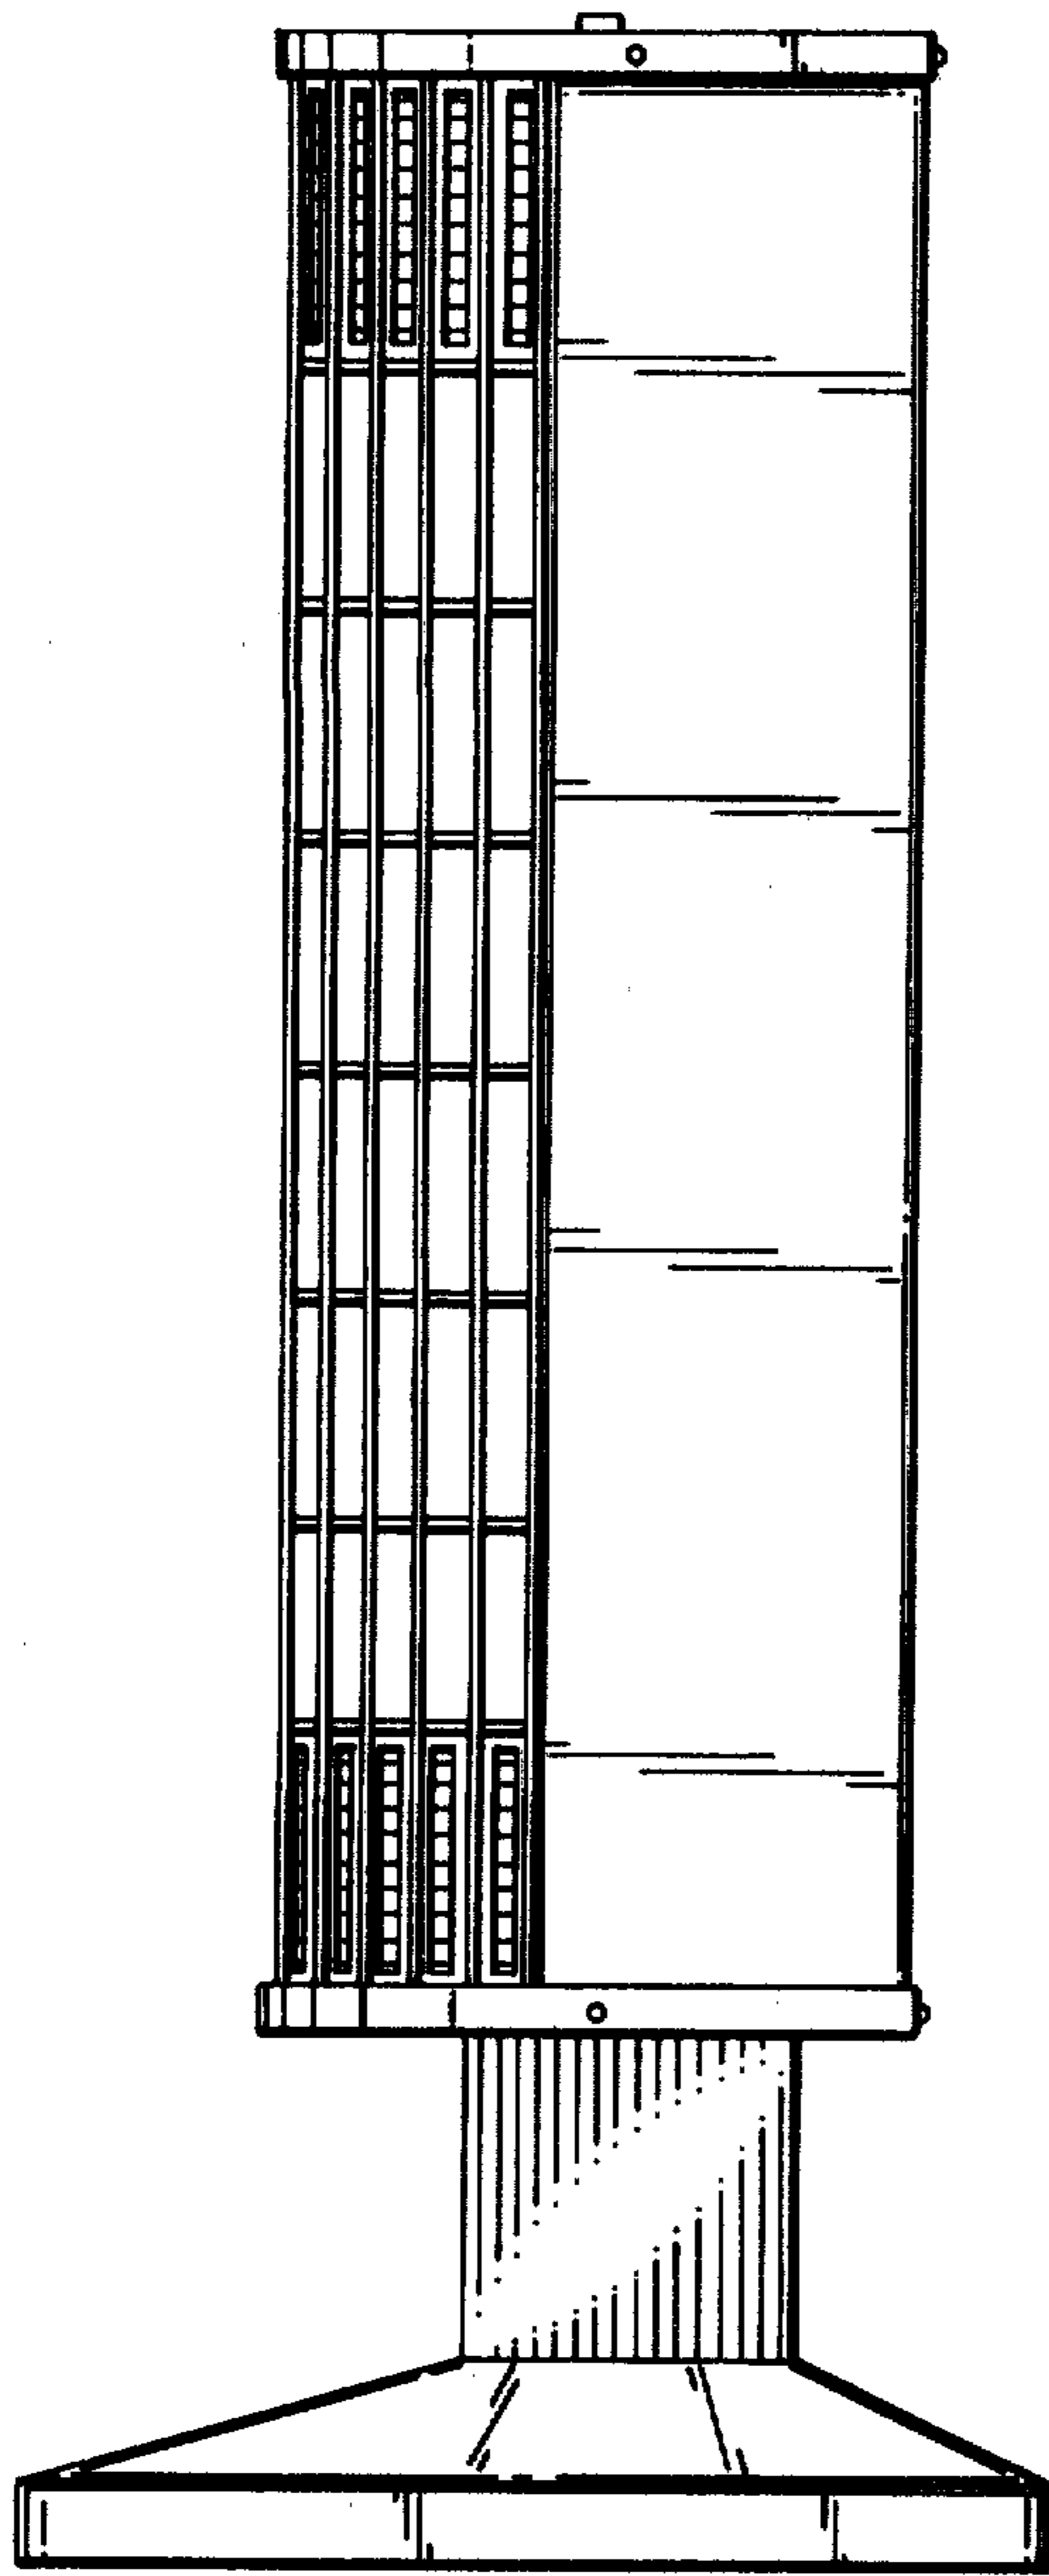

FIG. 5
