[57] CLAIM

The ornamental design for a conical single end cap for use with a cable splice case, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the conical single end cap for use with a cable splice case showing our new design; FIG. 2 is a front elevational view of said conical single end cap, the rear elevational view and the left side elevational view being mirror images thereof; FIG. 3 is a right side elevational view of said conical single end cap; and FIG. 4 is a bottom plan view of said conical single end cap.
