[57] **CLAIM**

The ornamental design for a control panel for elevator systems, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a control panel for elevator systems showing our new design; FIG. 2 is a left side elevational view thereof; FIG. 3 is a bottom plan view thereof.

The indicia are shown in broken lines for illustrative purposes only. The displays are shaded to indicate contrast with the opaque portions of the panel.

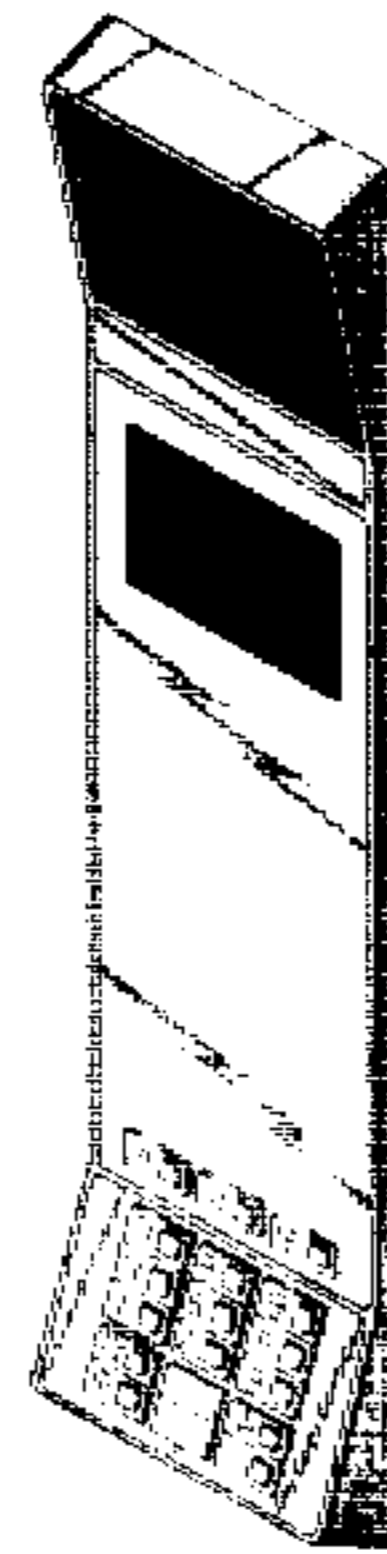

FIG. 1

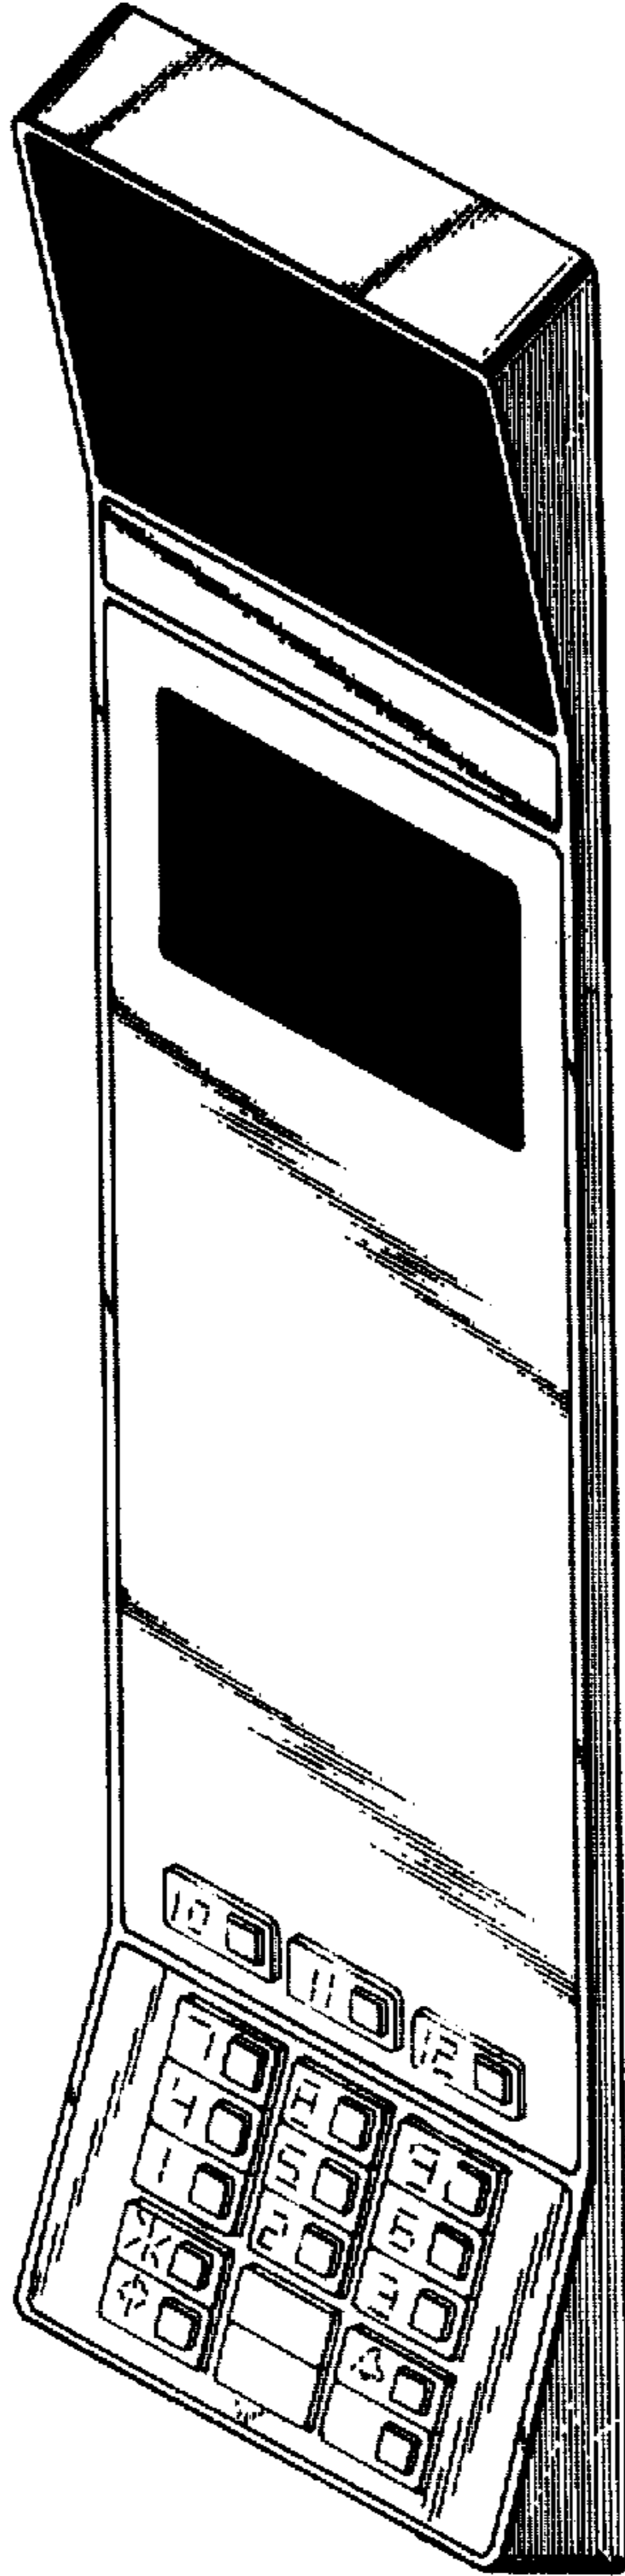

FIG. 2

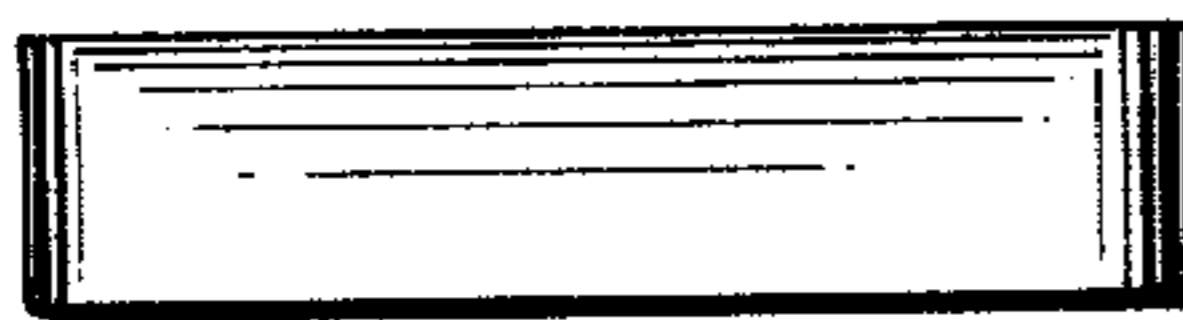

FIG. 3
