[57] CLAIM

The ornamental design for a conical double end cap for use with a cable splice case, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the conical double end cap for use with a cable splice case showing our new design; FIG. 2 is a front elevational view of said conical double end cap; FIG. 3 is a right side elevational view of said conical double end cap, the left side being a mirror image thereof; FIG. 4 is a rear elevational view of said conical double end cap; and FIG. 5 is a bottom plan view of the conical double end cap of FIG. 1.
