[57] **CLAIM**

The ornamental design for a flask or similar article, substantially as shown and described.

DESCRIPTION

FIG. 1 is an elevational view of a flask or similar article showing my new design, the opposite side being the same in appearance;

FIG. 2 is an exploded elevational view looking from the right of FIG. 1, the opposite side being the same in appearance;

FIG. 3 is a top plan view on a reduced scale;

FIG. 4 is a bottom plan view thereof; and

FIG. 5 is an elevational view showing a modified form of my new design.

The recessed circular elements are evenly spaced over the entire outer surface.
