[57] CLAIM

The ornamental design for a solarium with connecting dressing room and tanning room, substantially as shown and described.

DESCRIPTION

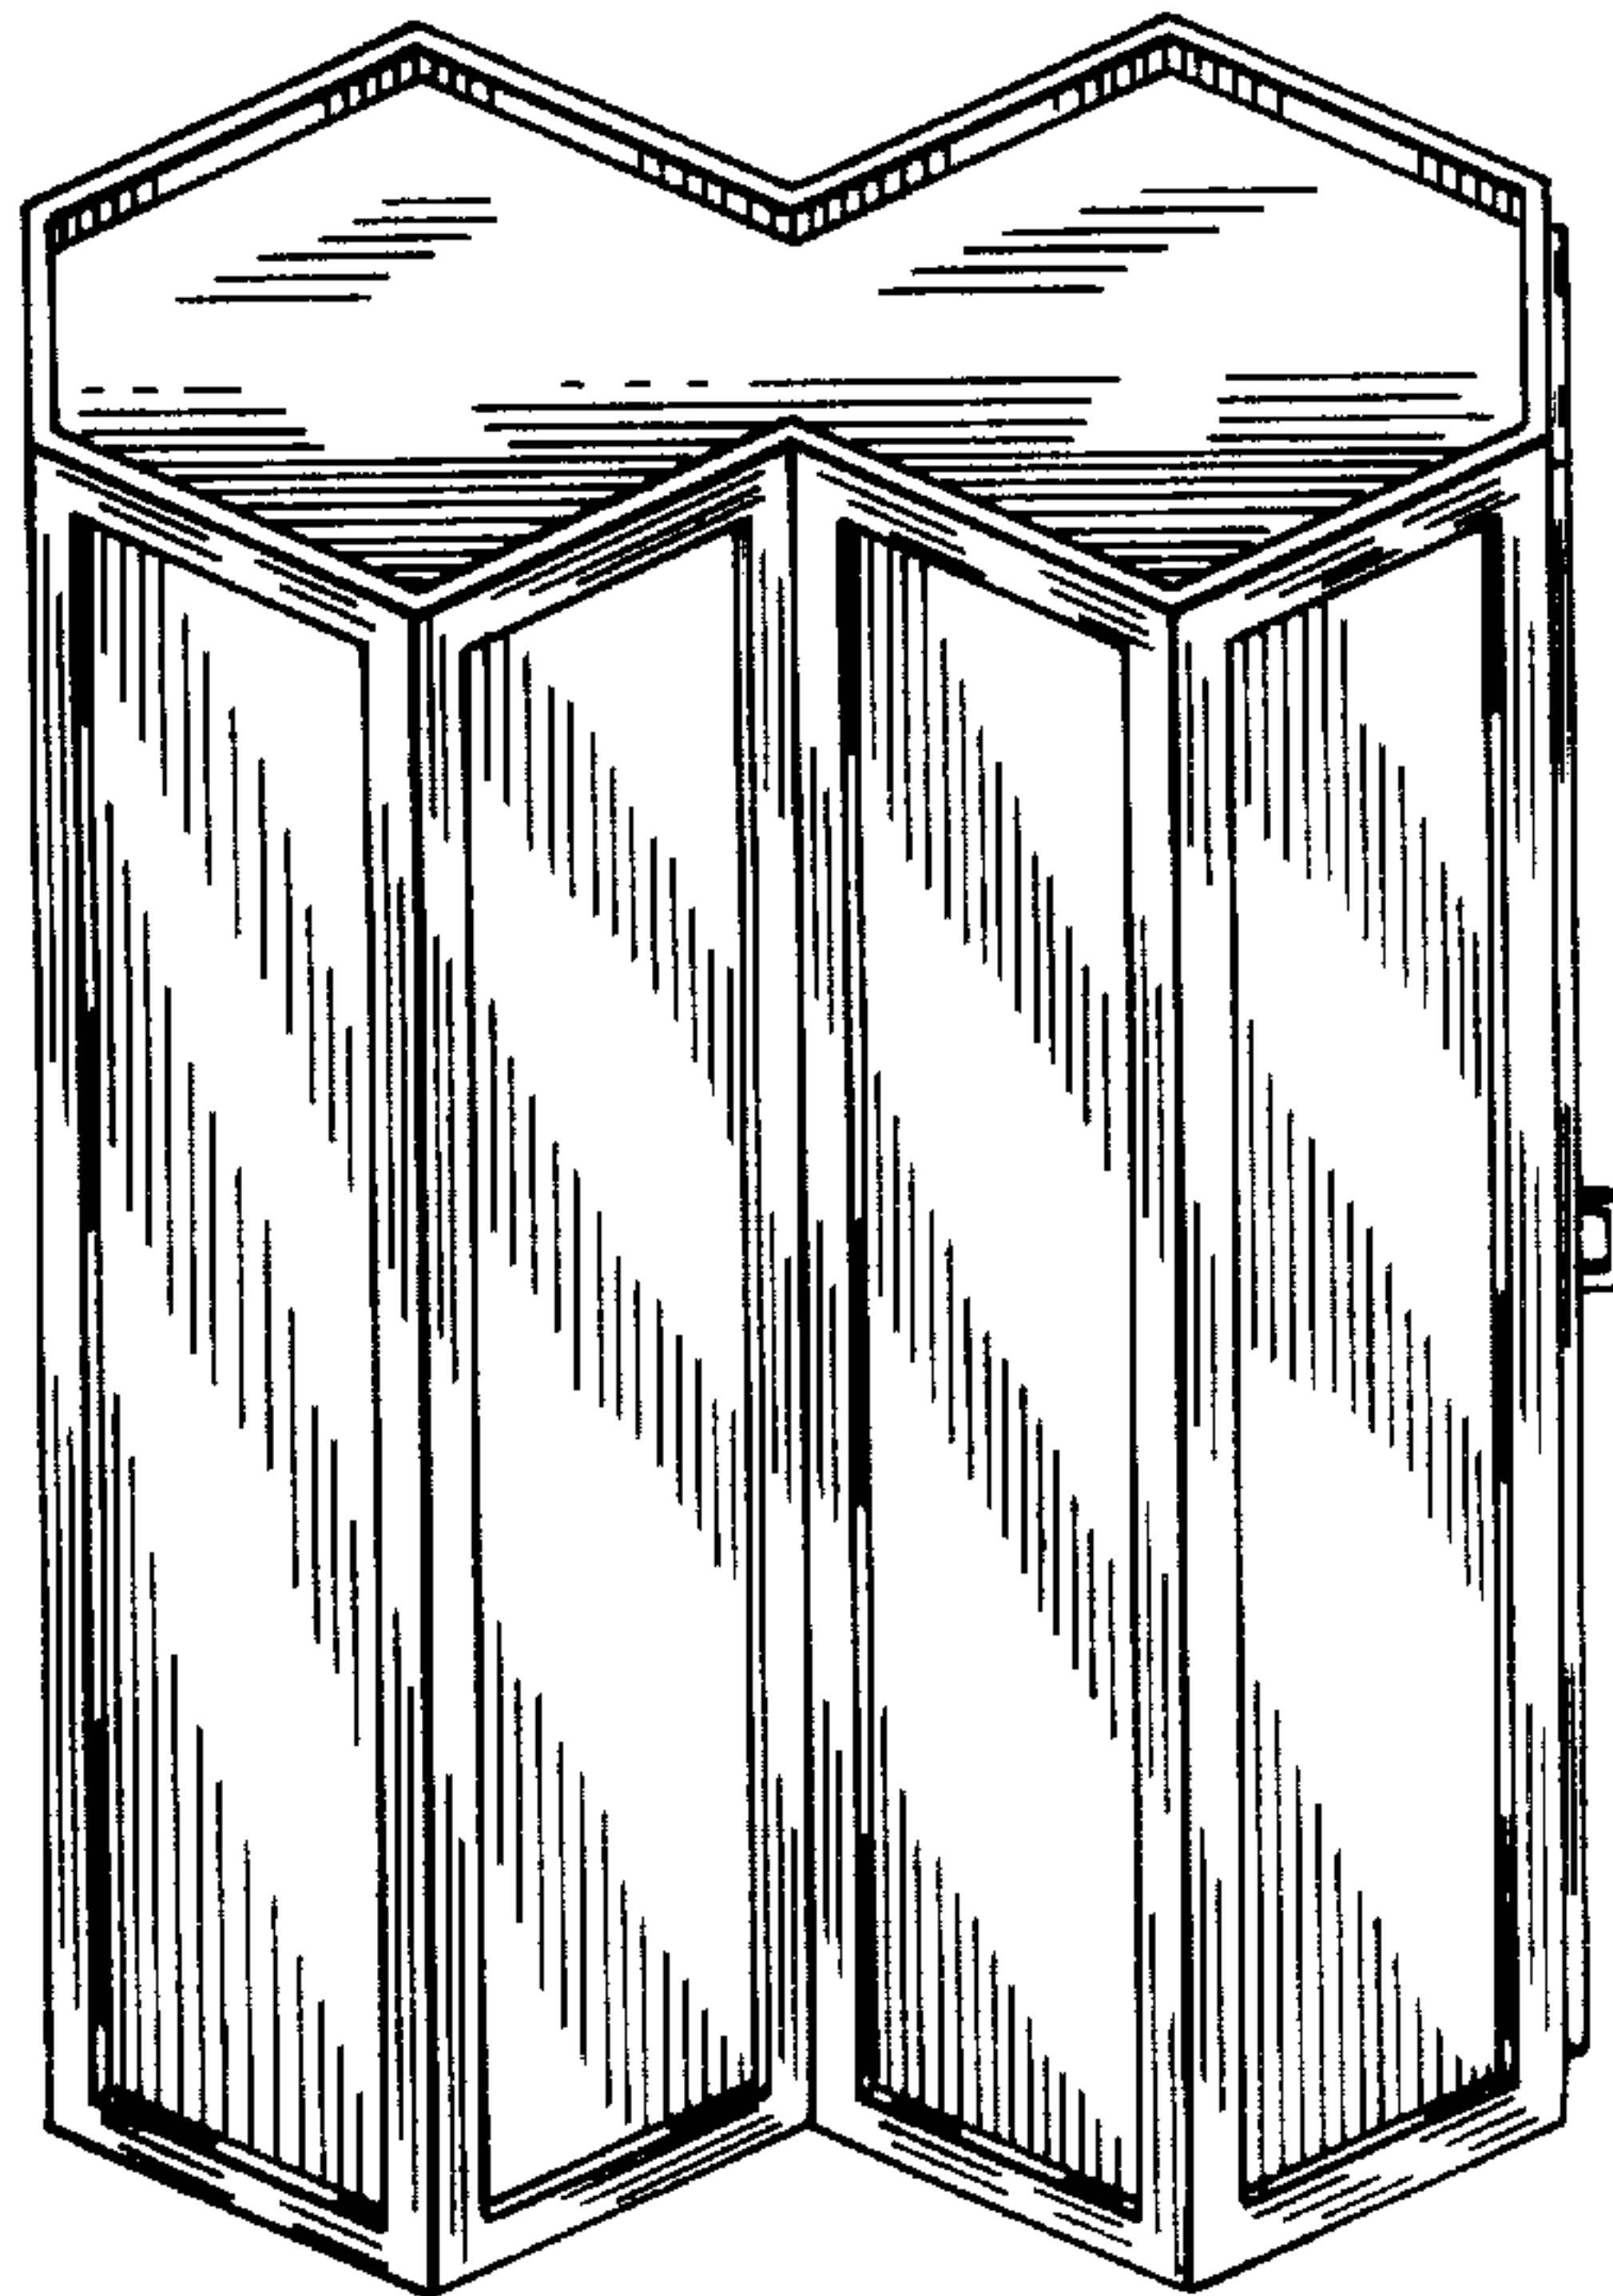

FIG. 1 is a perspective view, from one side, of a solarium with connecting dressing room and tanning room showing my new design;

FIG. 2 is a left end perspective view;

FIG. 3 is a top plan view; and

FIG. 4 is a right end perspective view showing the entrance door open.

The bottom plan design is identical to the top plan design and the perspective view design from the other side is identical to the design of the one side shown in FIG. 1.
