[57] **CLAIM**

The ornamental design for a combined wall switch and escutcheon therefor, substantially as shown and described.

DESCRIPTION

FIG. **1** is a front perspective view of a combined wall switch and escutcheon therefore showing my new design; the rear being flat and unornamented;
FIG. **2** is a top plan view of FIG. **1;**
FIG. **3** is a side elevational view taken from the right of FIG. **1;**
FIG. **4** is a front perspective view of a second embodiment of the design of FIG. **1,** the rear being flat and unornamented;
FIG. **5** is a top plan view of FIG. **4;**
FIG. **6** is a side elevational view taken from the right of FIG. **4;** and
FIG. **7** is a front perspective view of a third embodiment of the design of FIG. **1,** the rear being flat and unornamented.
