[57] CLAIM

The ornamental design for a rockable infant seat, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the rockable infant seat of my design;
FIG. 2 is an elevational view of the left end of the seat shown in FIG. 1;
FIG. 3 is an elevational view of the right end of the seat shown in FIG. 1; and
FIG. 4 is an elevational view of one side of the seat shown in FIG. 1, the other side being the mirror image thereof.

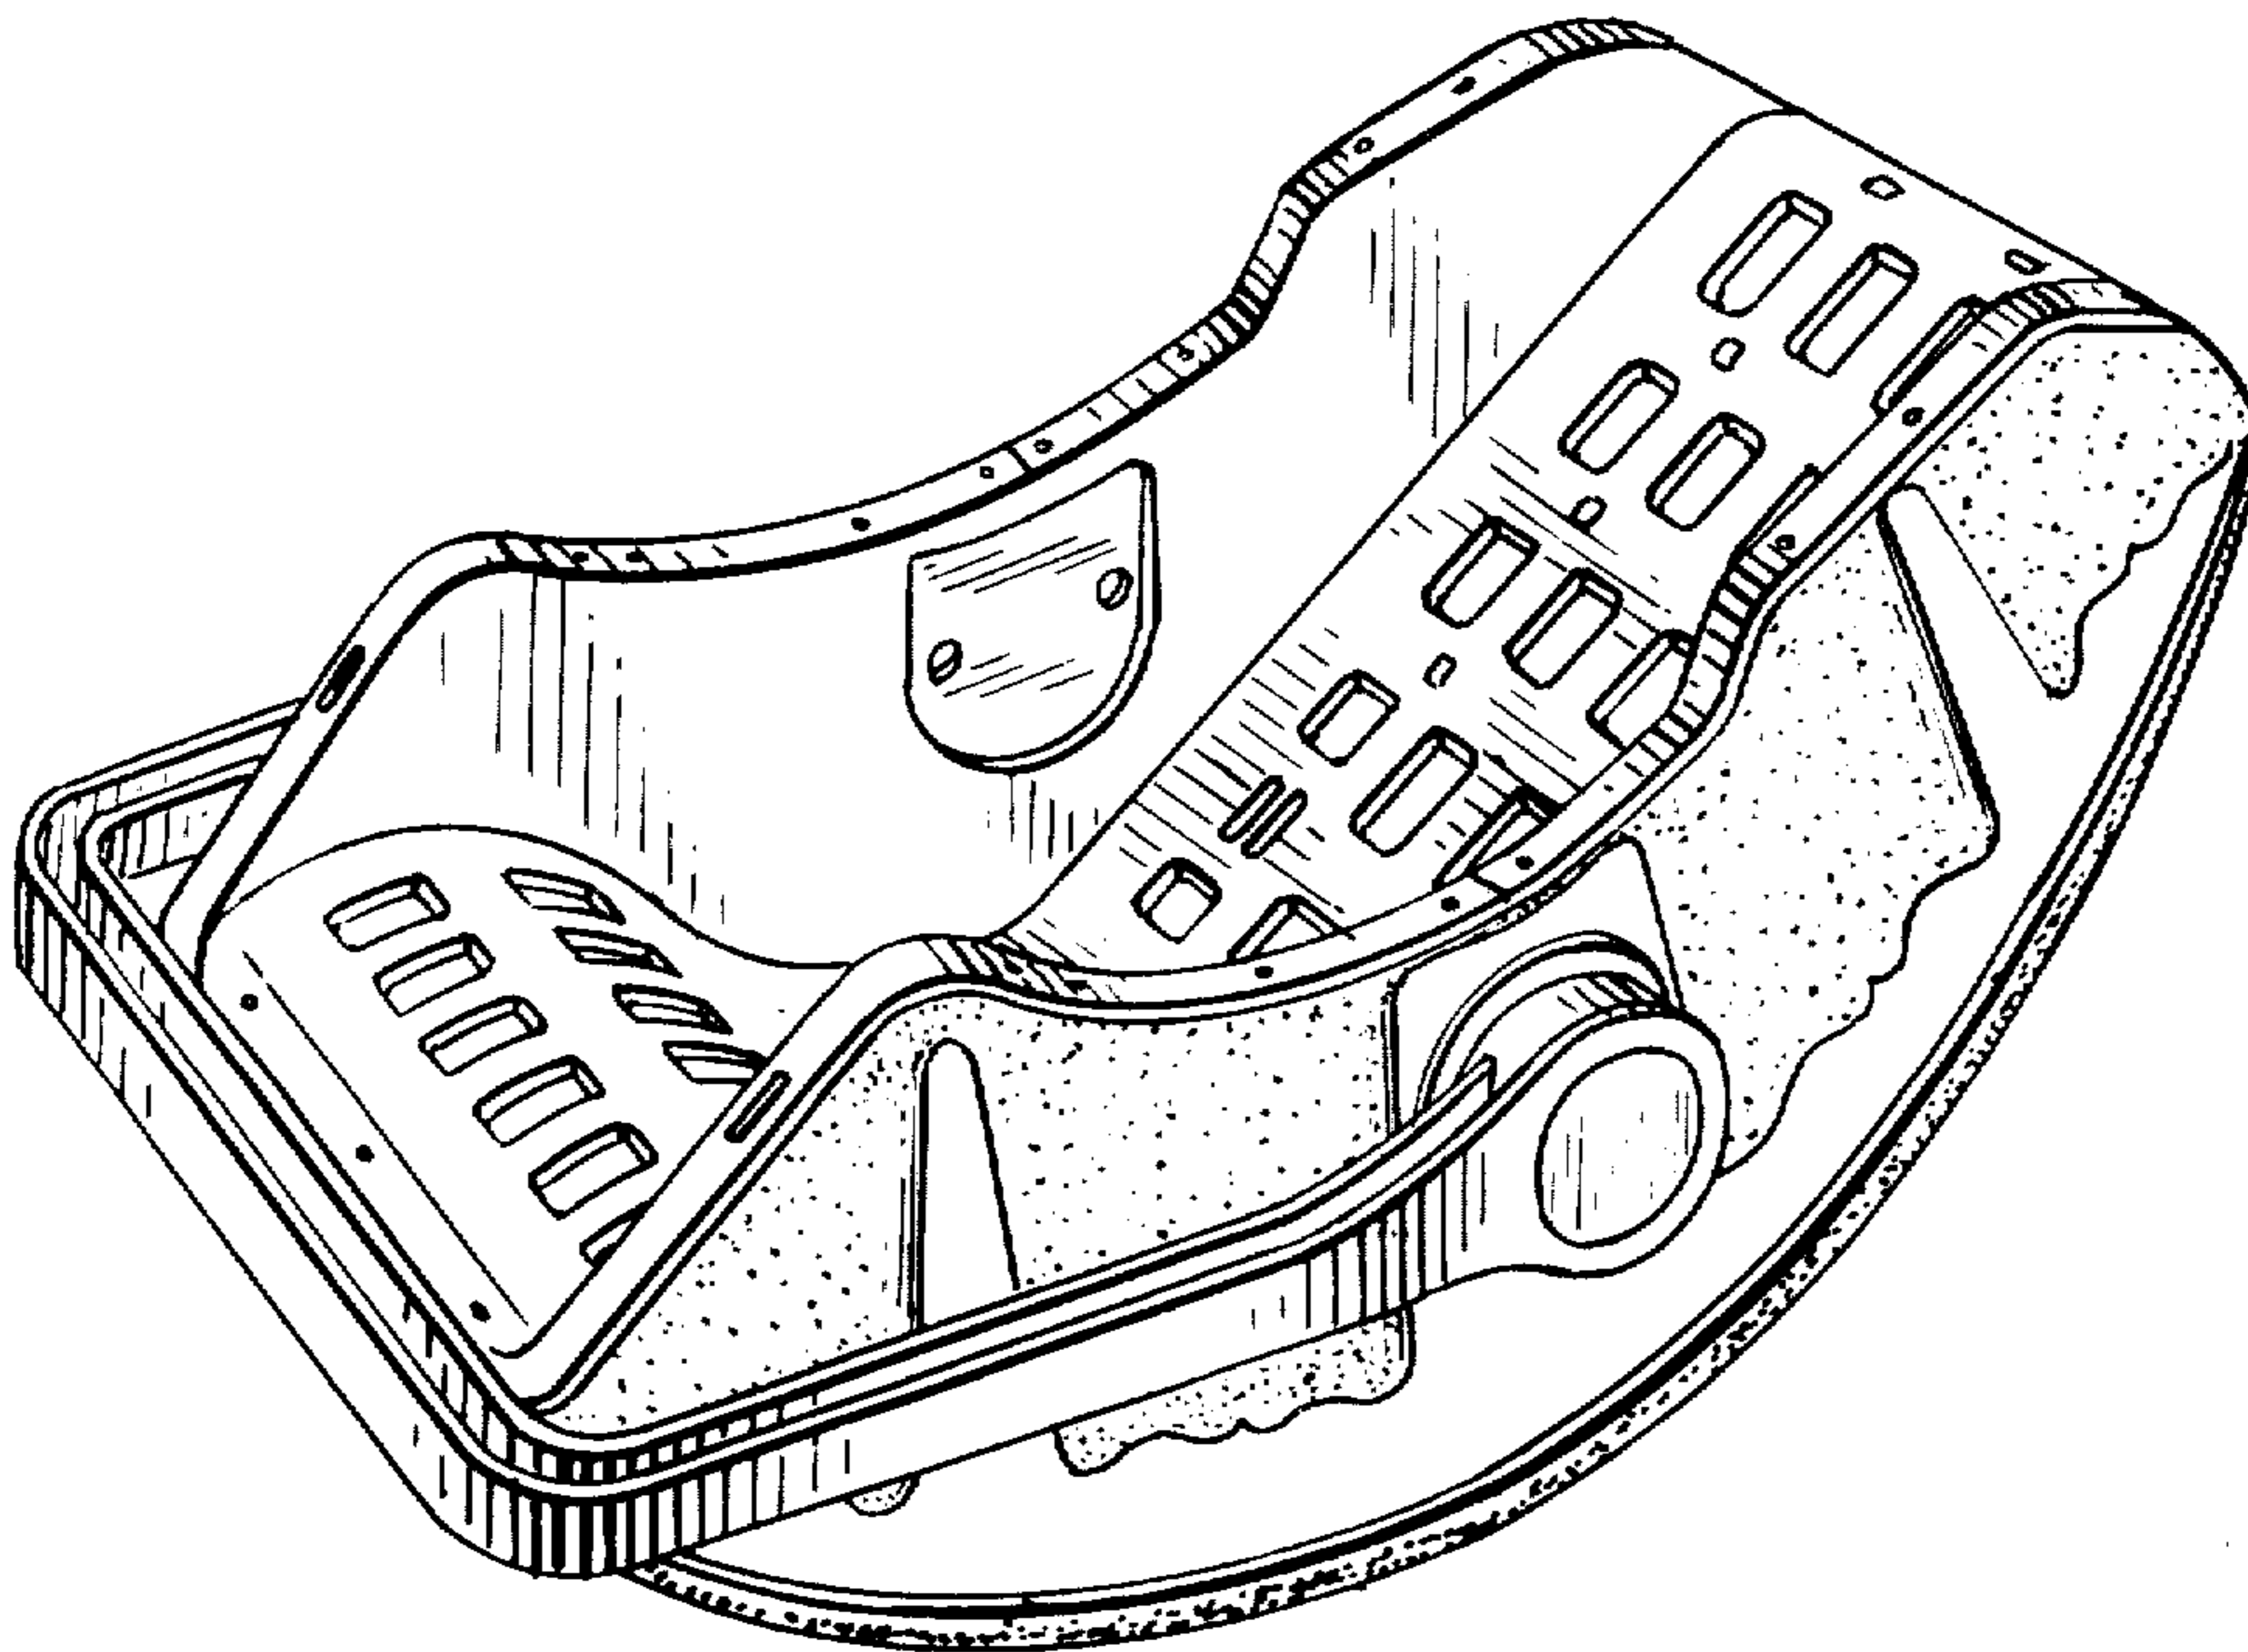

FIG. 1

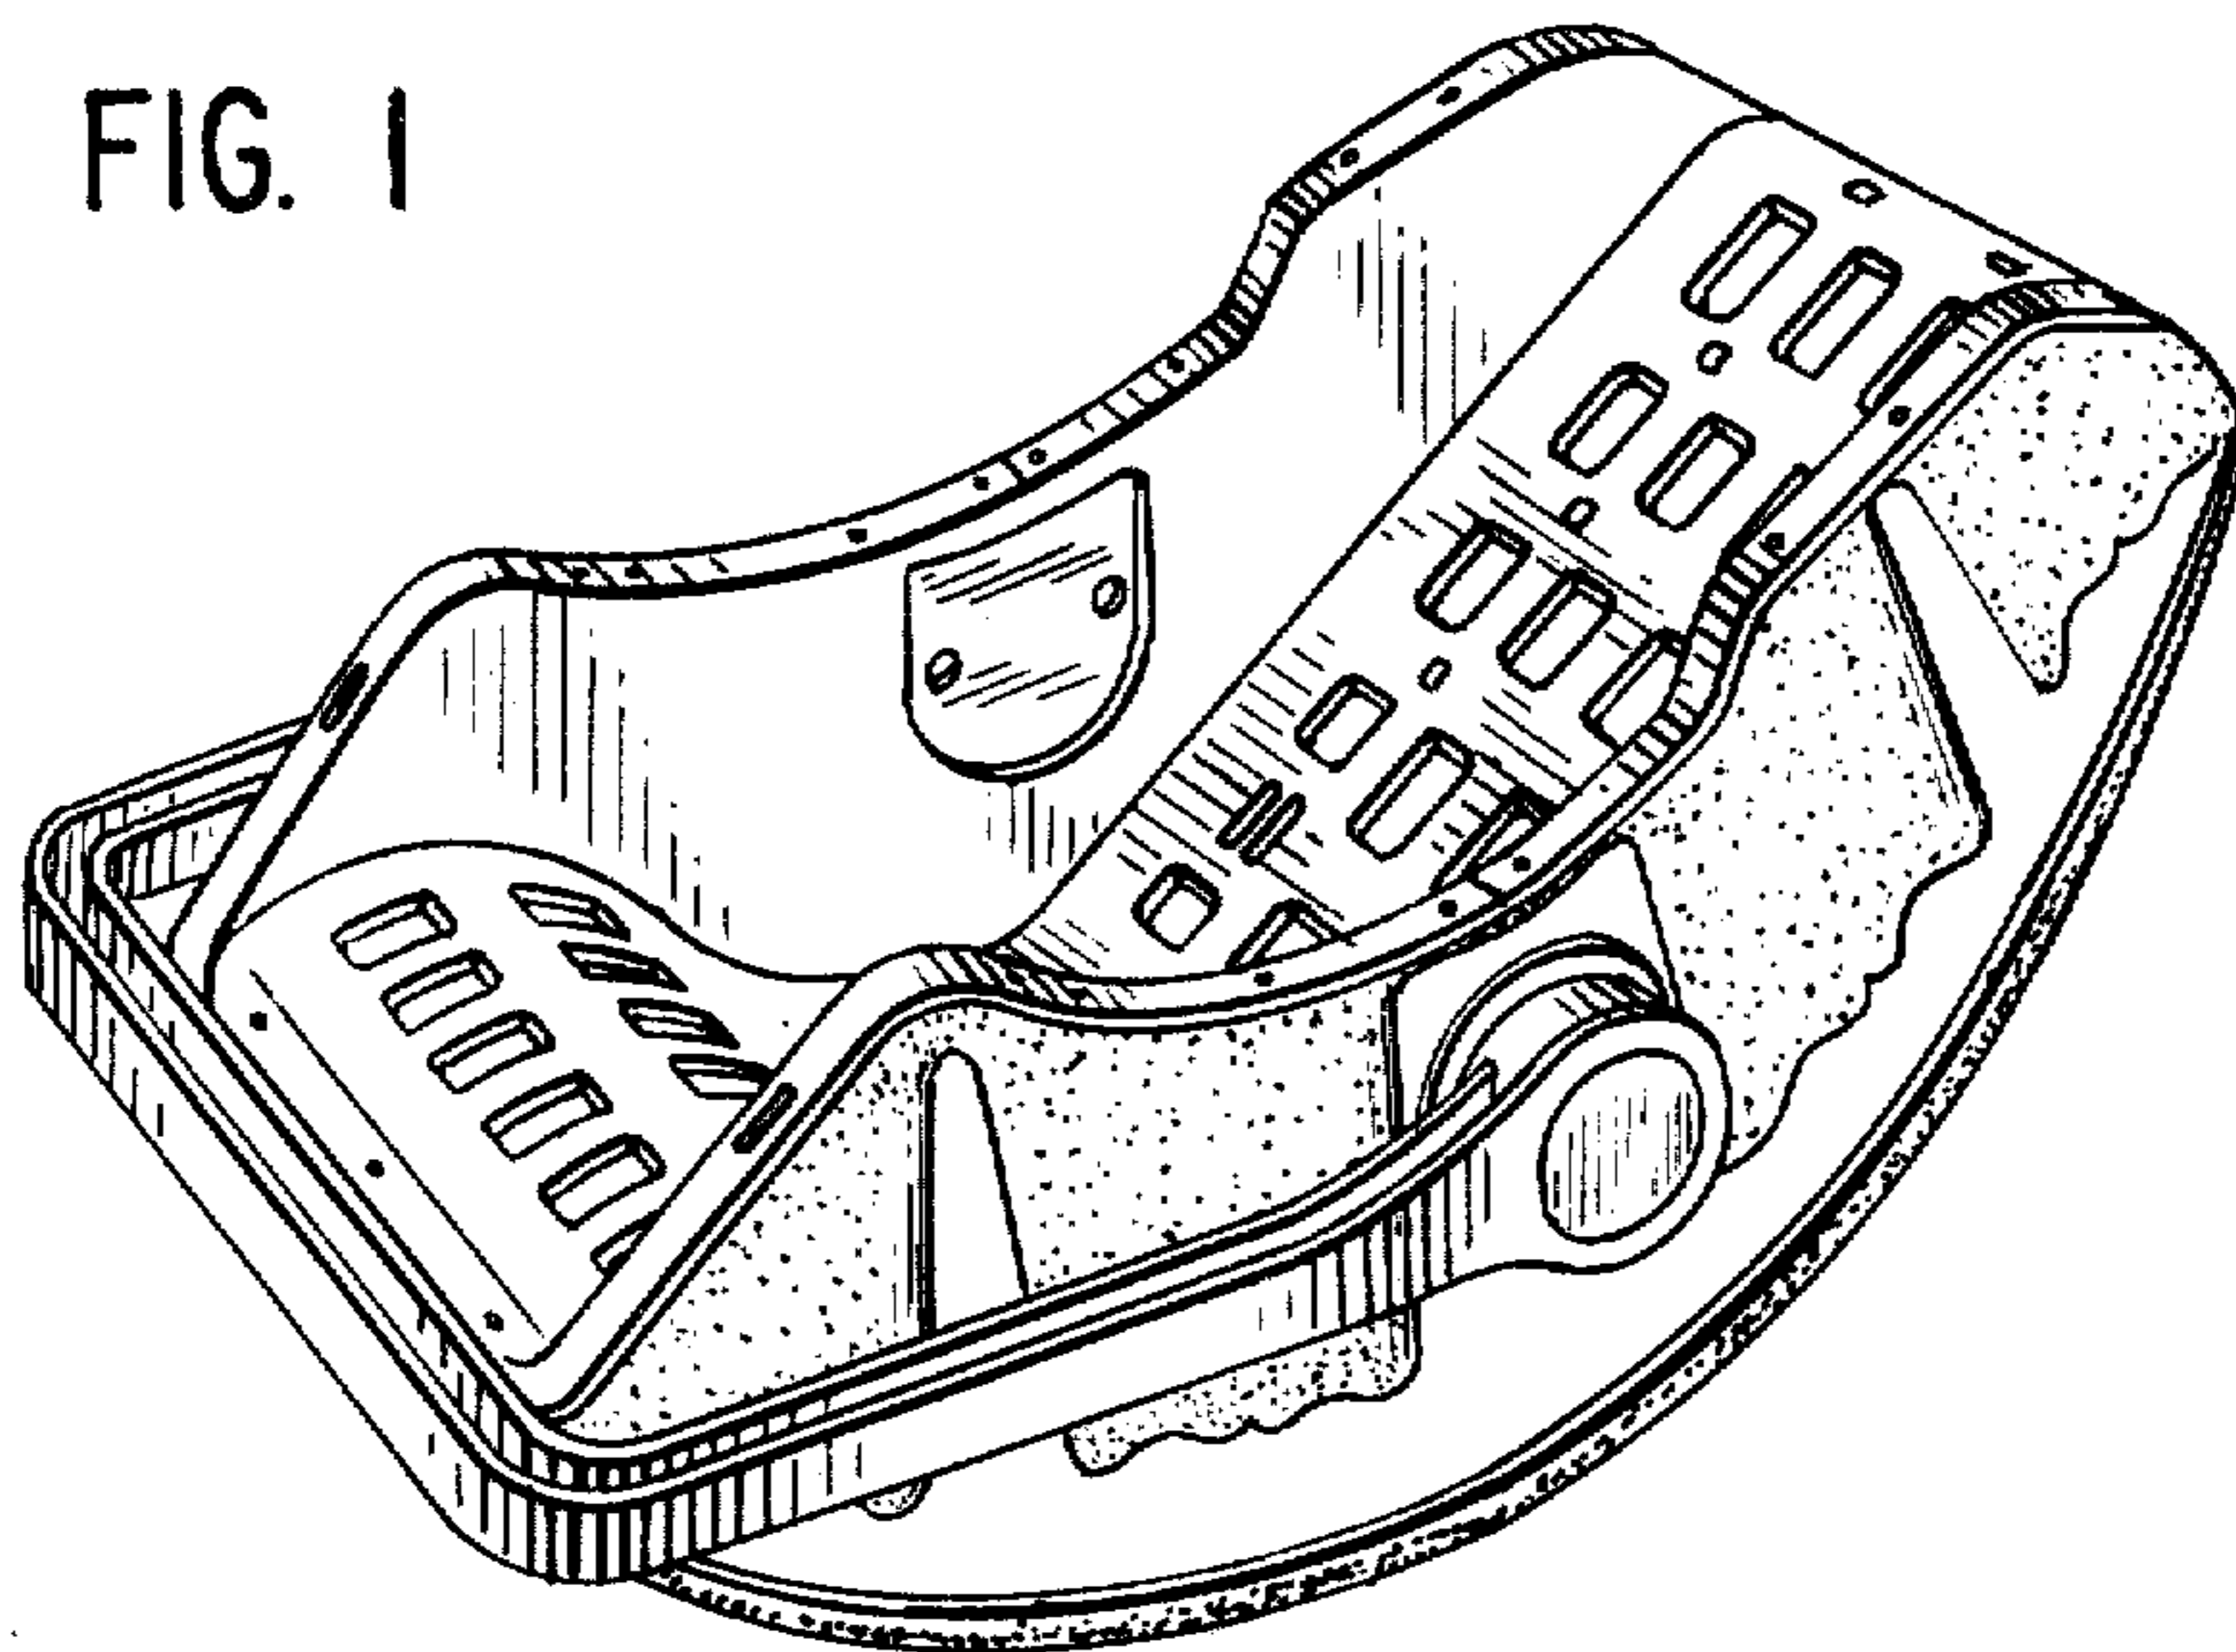

FIG. 2

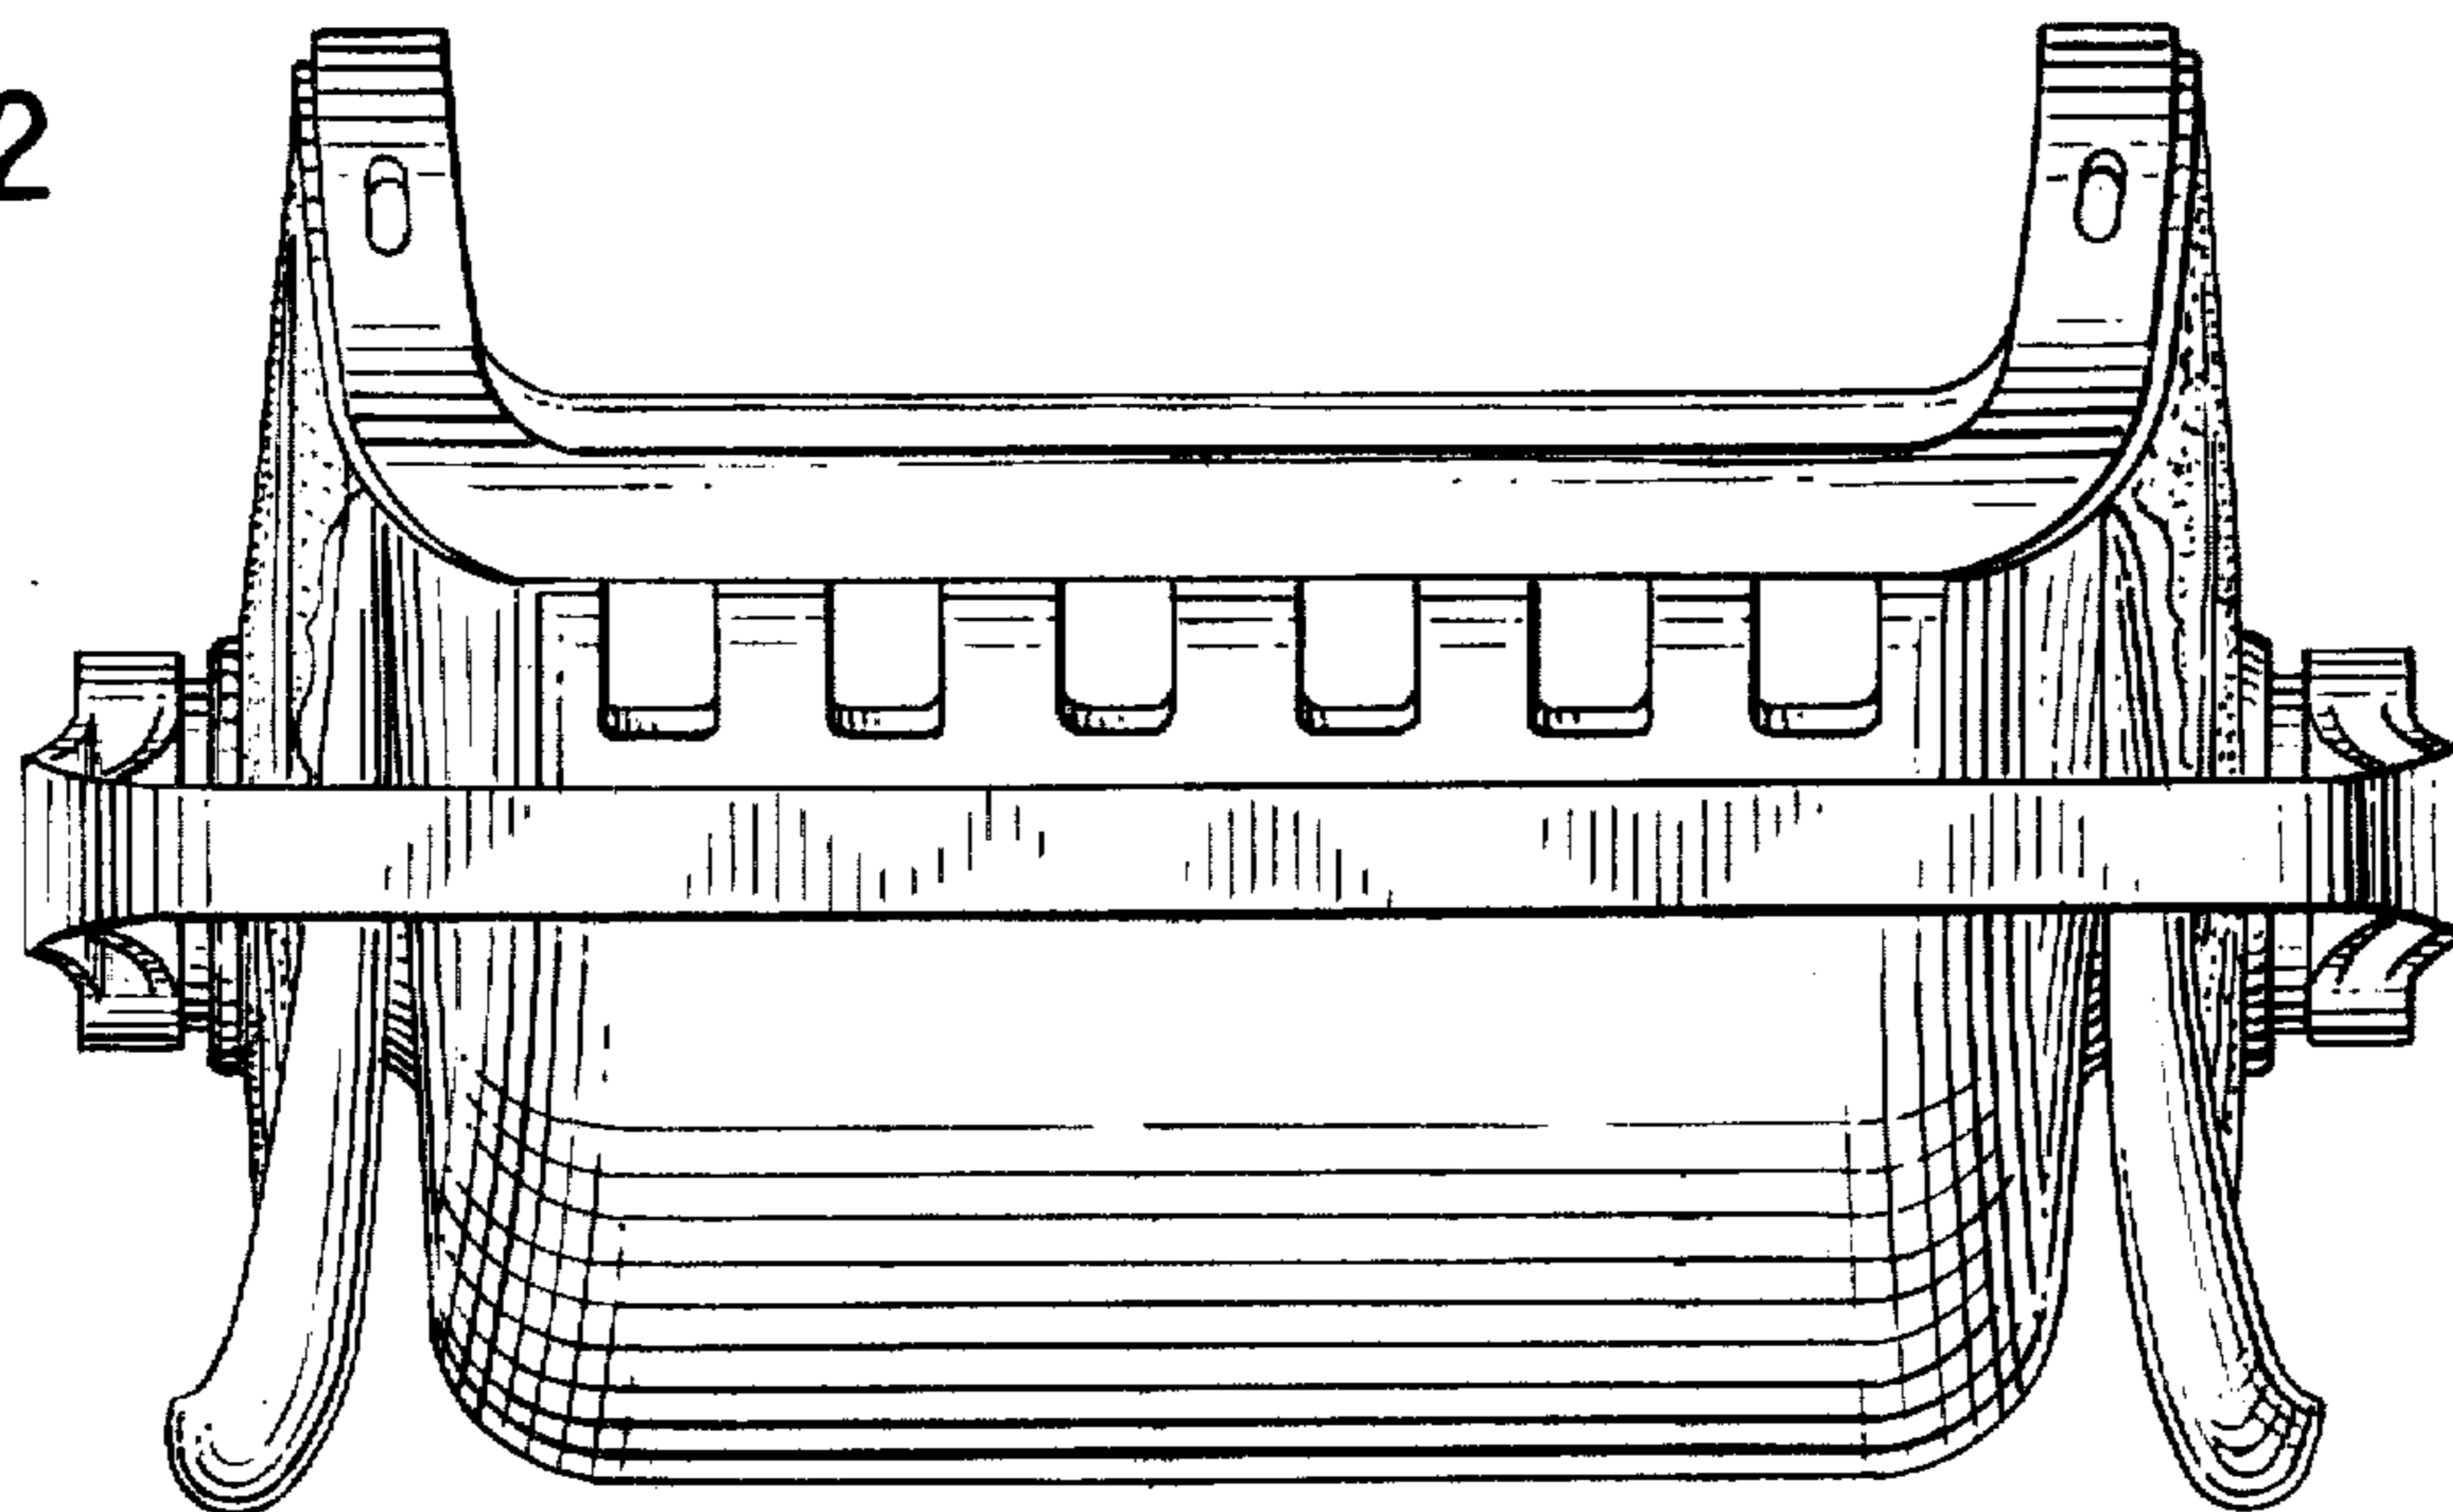

FIG. 3

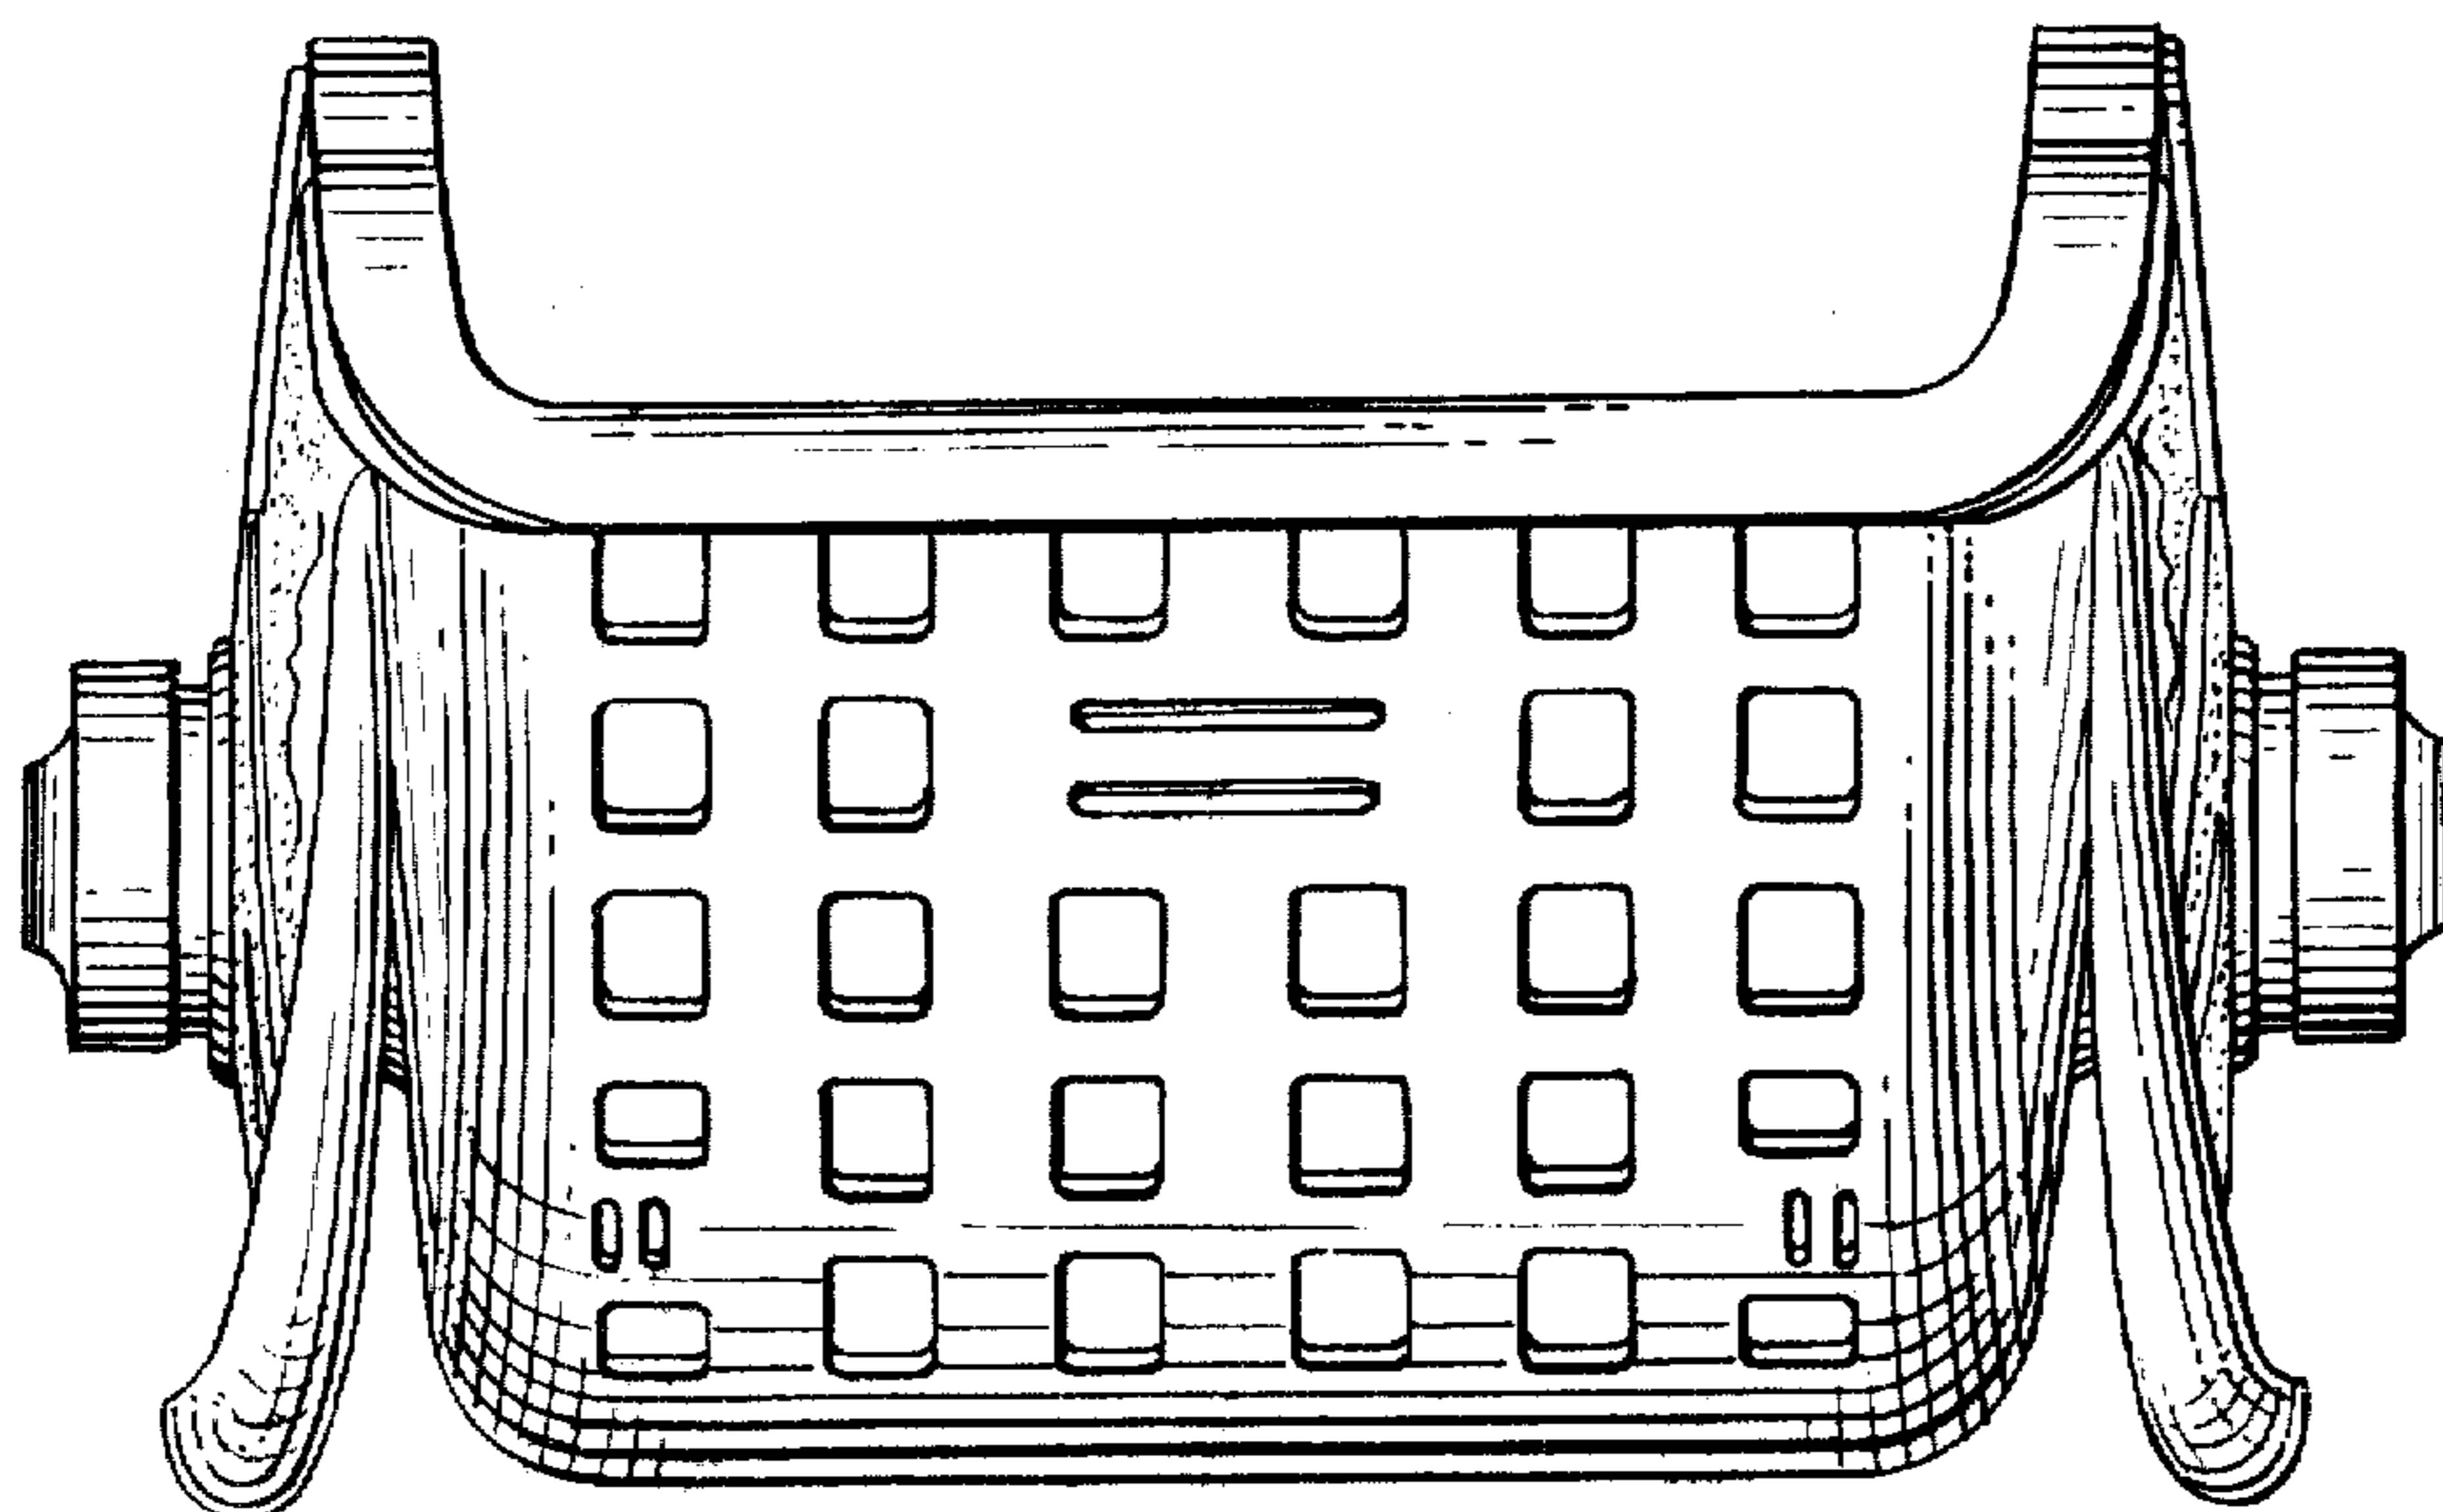

FIG. 4
