[57] **CLAIM**

The ornamental design for a pair of safety spectacles, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a pair of safety spectacles embodying my new design;
 FIG. 2 is a top plan view thereof with a portion of one temple broken away for convenience of illustration;
 FIG. 3 is a view of one side of the safety spectacles, the opposite side being of substantially the same appearance;
 FIG. 4 is a rear perspective view of the safety spectacles;
 FIG. 5 is a fragmentary rear perspective view of a second embodiment of my new design, the safety spectacles being fragmentarily shown for convenience of illustration;
 FIG. 6 is a view of one side of the second embodiment of my new design, the opposite side being of substantially the same appearance;
 FIG. 7 is a front elevational view of the second embodiment of my new design.

FIG. 1

FIG. 3

FIG. 2

FIG. 4

FIG. 5

FIG. 6.

FIG. 7.
