[57] CLAIM

The ornamental design for an IV spike and drop former housing, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the IV spike and drop former housing embodying my new design;

FIG. 2 is a front elevational view of the housing as shown in FIG. 1, the rear elevational view being identical;

FIG. 3 is an elevational view of one end of the housing as shown in FIG. 1, the opposite end being identical;

FIG. 4 is a top plan view of the housing as shown in FIG. 1;

FIG. 5 is a bottom plan view of the housing as shown in FIG. 1; and

FIG. 6 is a fragmentary perspective view of the housing of FIG. 1 with portions broken away in order to show interior details of symmetrical configuration more clearly.

The dominant features in my design reside in the lateral projections defined by a wing as shown in the drawing.
