[57] **CLAIM**

The ornamental design for a surgical suture package, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a surgical suture package showing my new design in an unfolded position;

FIG. 2 is an elevational view looking from the left of FIG. 1;

FIG. 3 is an elevational view looking from the right of FIG. 1;

FIG. 4 is a rear elevational view;

FIG. 5 is a front elevational view in a partially folded position;

FIG. 6 is a front elevational view in a further folded position; and

FIG. 7 is a front view in a completely folded position. The dash lines represent fold lines.
