[57] CLAIM

The ornamental design for an amusement pitcher, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of an amusement pitcher, showing my new design;

FIG. 2 is a bottom plan view thereof, a portion of the handle being broken away to show the spout;

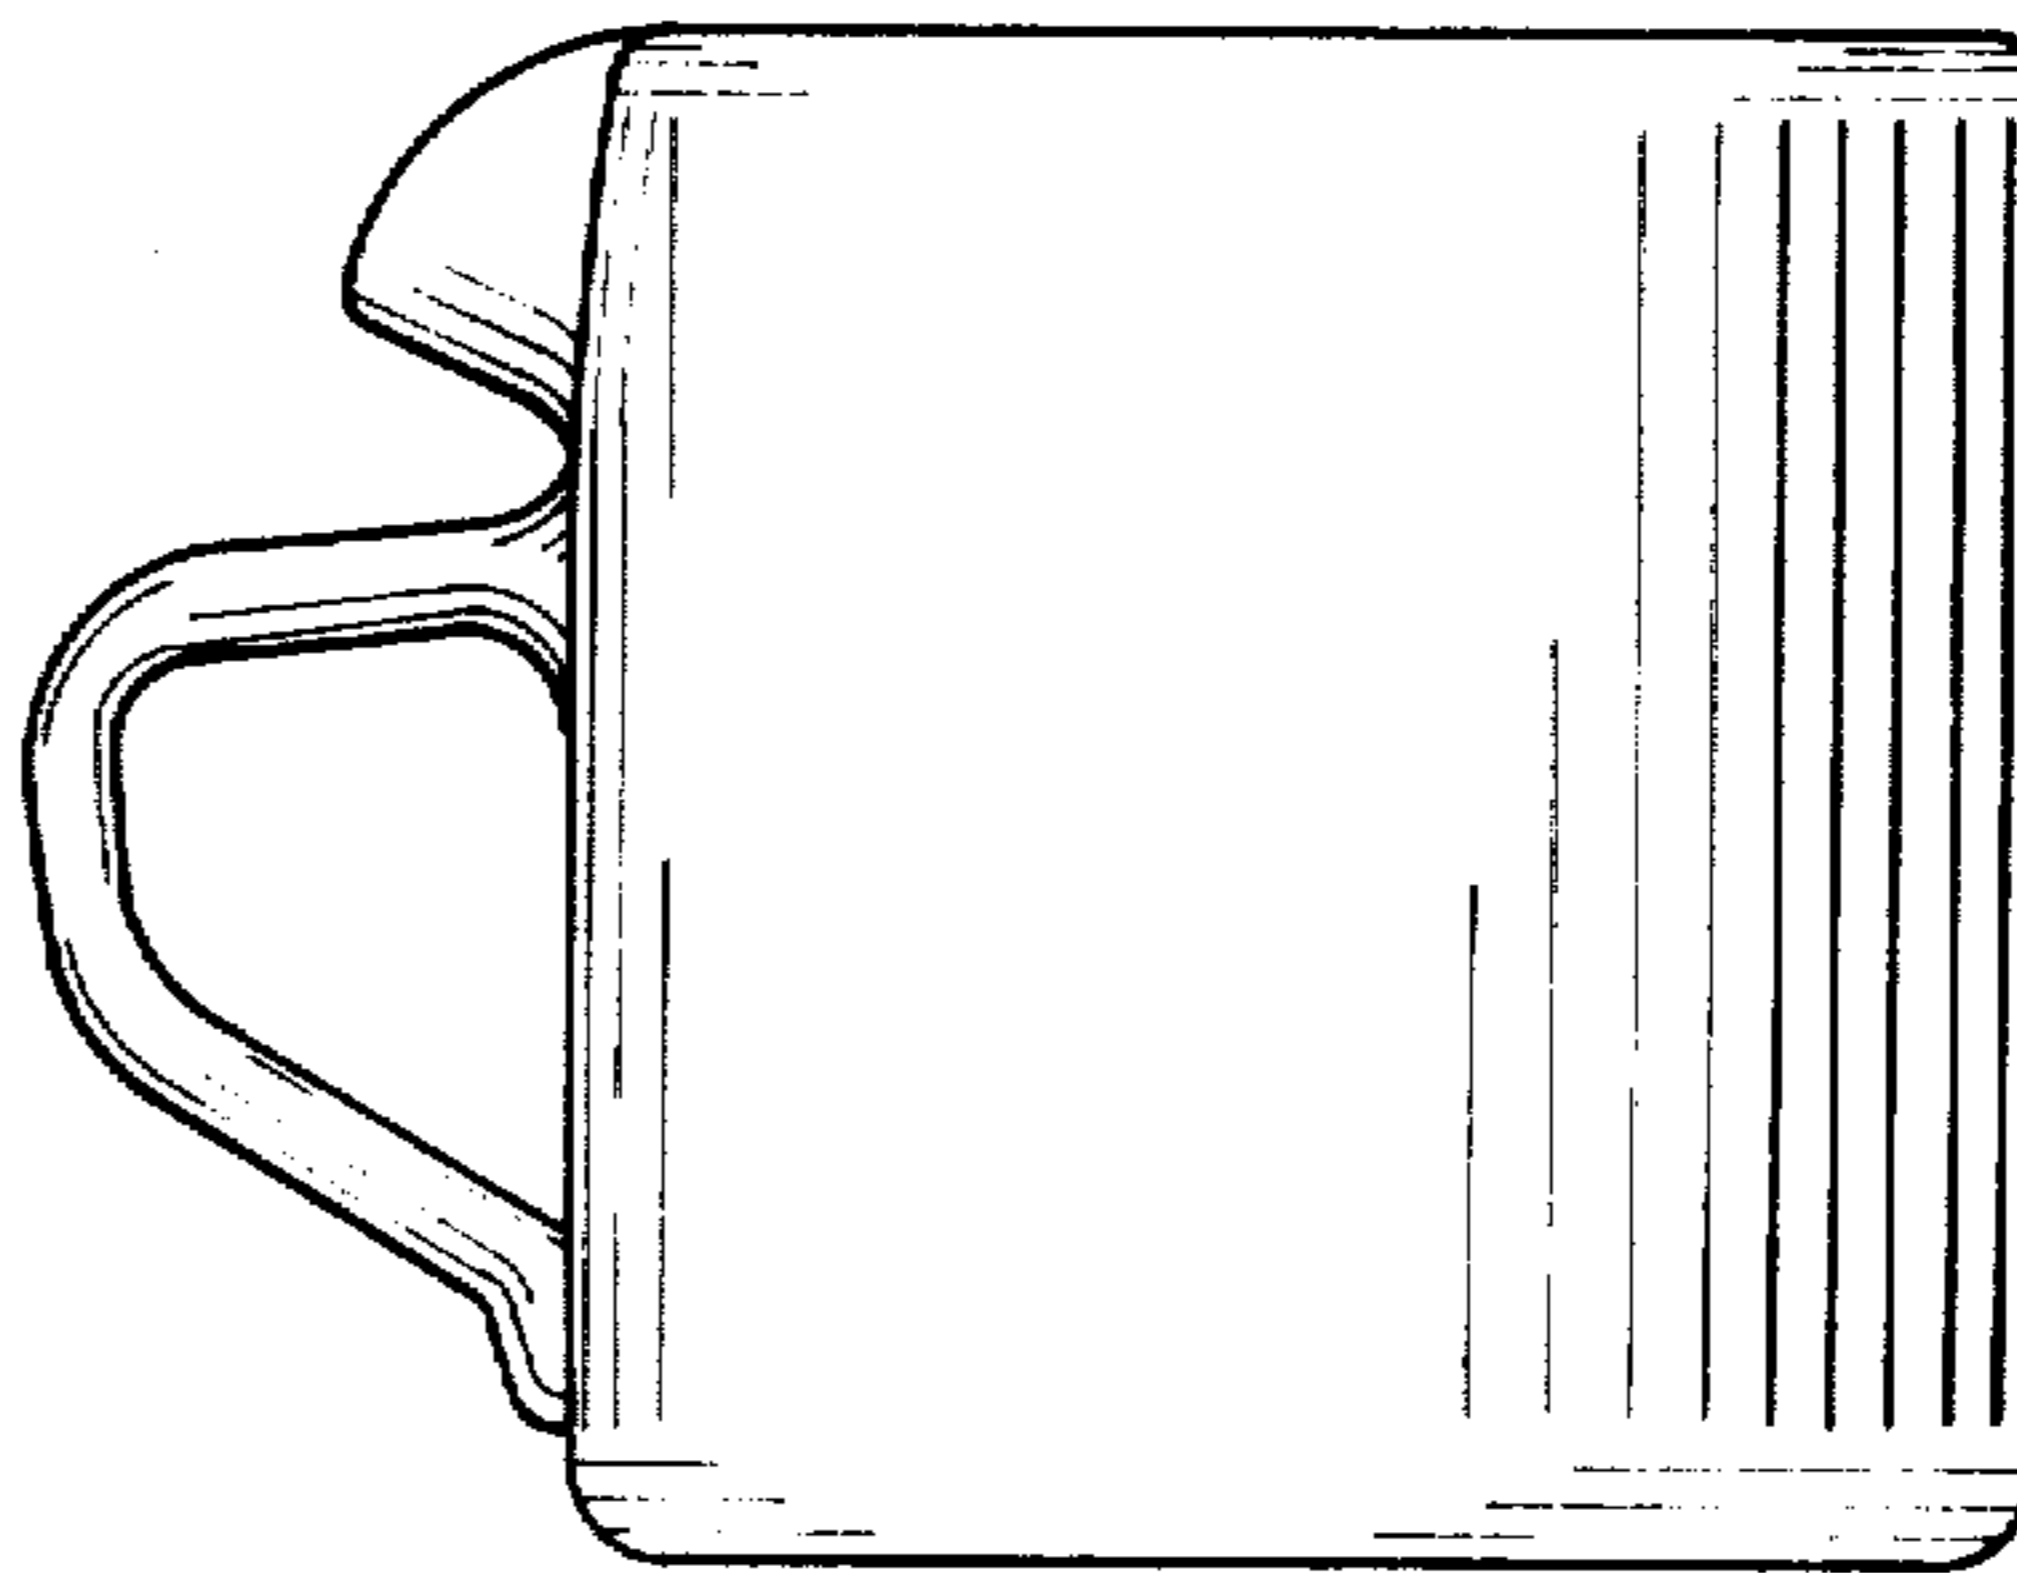

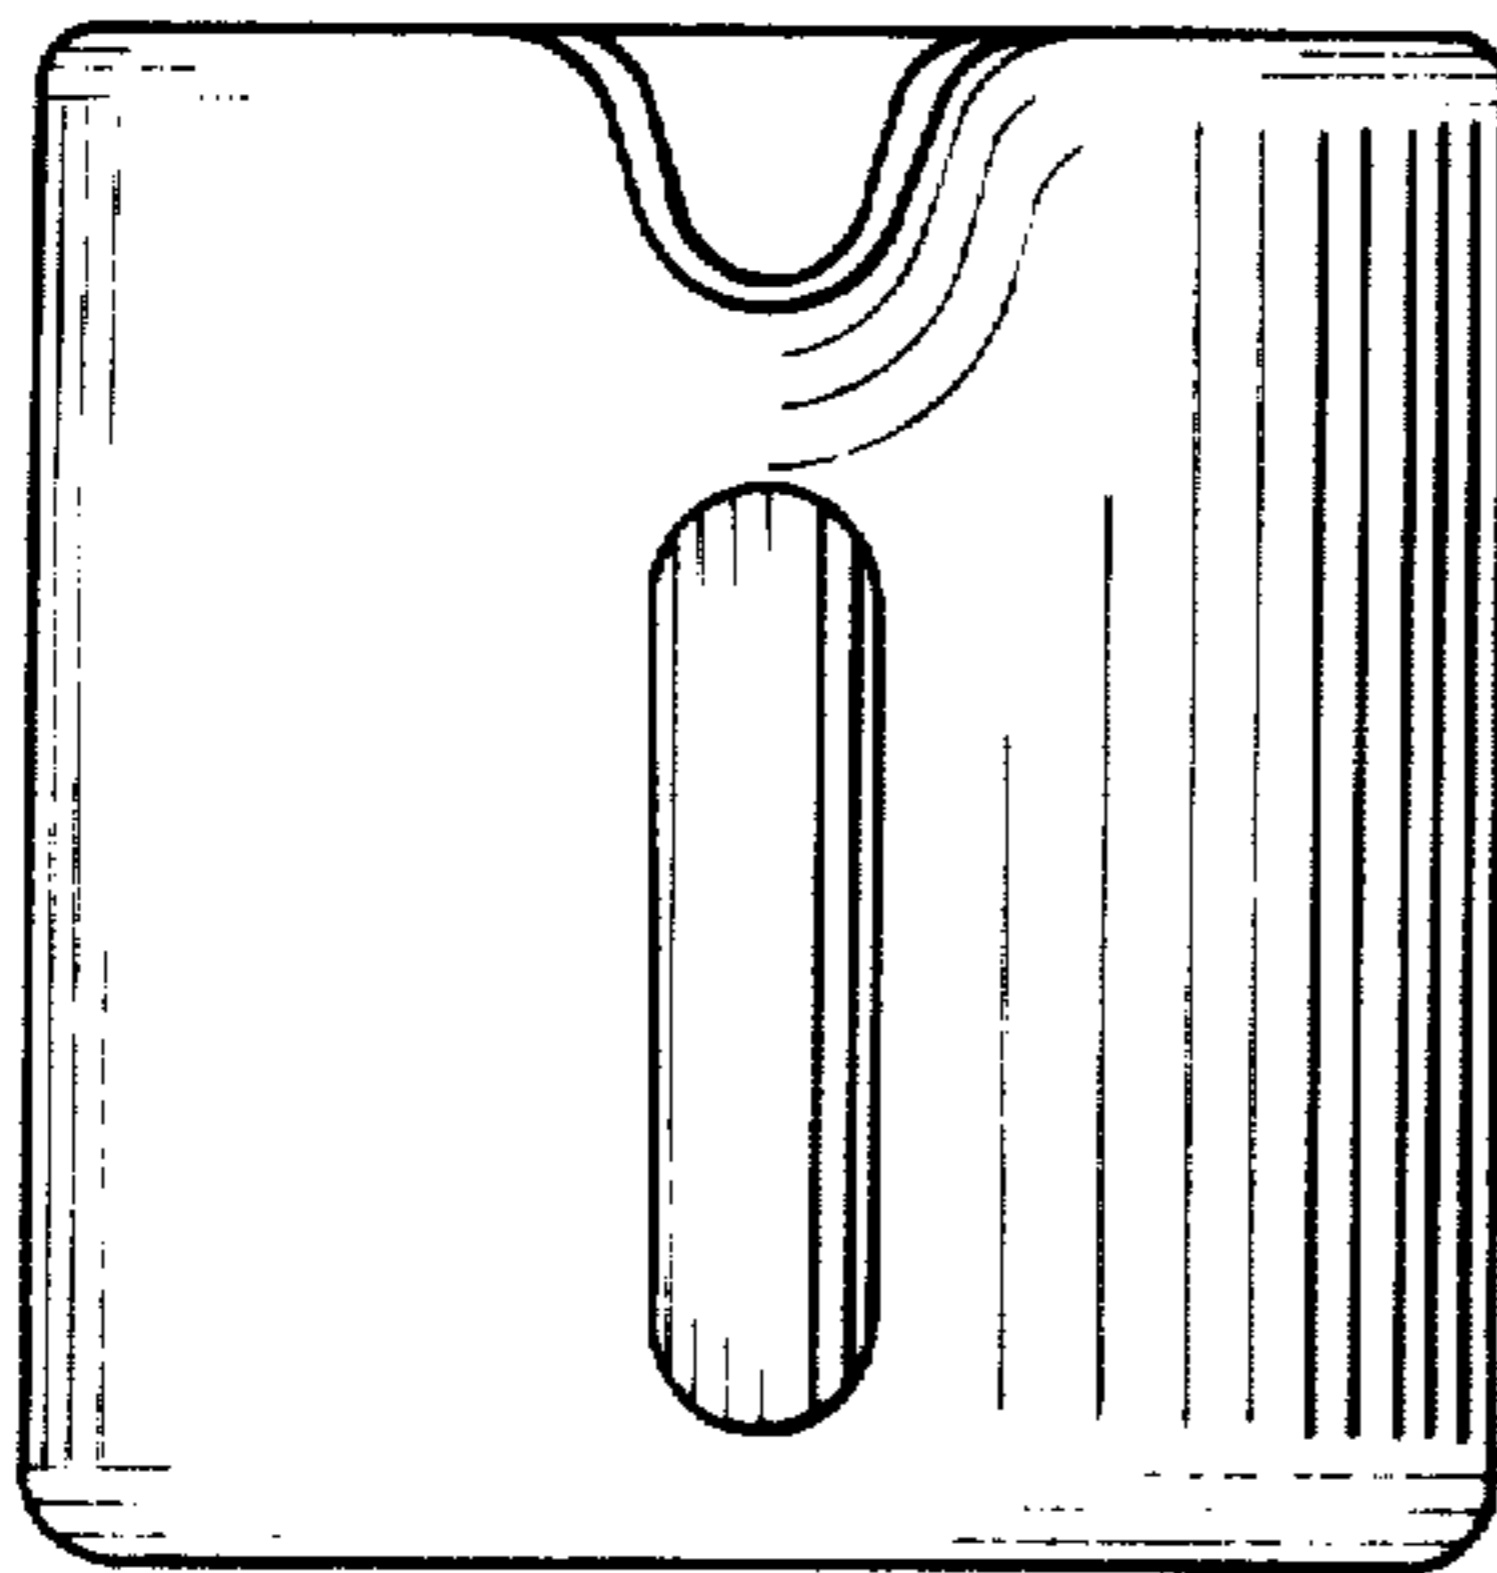

FIG. 3 is a front elevational view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a rear elevational view thereof, a portion being broken away to show the spout; and

FIG. 6 is a left side elevational view thereof partially in section to show the spout.

The characteristic feature of the design resides in the configuration of the spout protruding over the handle as shown.
