[57] **CLAIM**

The ornamental design for a bottle, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a bottle showing my new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a fragmentary side elevational view thereof showing the bottle cap exploded from the bottle body; and
FIG. 4 is a top plan view of the bottle body.
The bottom of the bottle and the inside of the cap are plain and unornamented.
