[57] CLAIM

The ornamental design for a convertible couch, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a convertible couch showing my new design;
FIG. 2 is a left side elevational view of the convertible couch of FIG. 1;
FIG. 3 is a right side elevational view of the convertible couch of FIG. 1;
FIG. 4 is a back elevational view of the convertible couch of FIG. 1;
FIG. 5 is a front perspective view of the convertible couch transformed into a recliner with a leg rest portion in an elevated position and one back rest cushion removed;
FIG. 6 is a front perspective view similar to FIG. 5 with a head rest portion also in an elevated position and the second back rest cushion removed; and
FIG. 7 is a front perspective view similar to FIG. 6 with one back rest cushion in place on the elevated head rest portion.
The bottom of the convertible couch of the present invention is not shown because it is essentially unadorned.
